OFFICE OF THE ACCOUNTANT-GENERAL, WEST BENGAL

NOTIFICATION

Subject: No Demand Certificate

No. TM/717.—17th February 1959.—A copy of Memorandum No. Acctts/NDC/15172, dated 24th December 1958, issued by the Estate Manager, Government of India Estate Office, Bombay, on the subject noted above is reproduced below for the information of all Treasury/Sub-Treasury officers in West Bengal. In respect of the Central Government buildings located in West Bengal the requisite "no demand certificate" has to be obtained from the Manager, Government of India Estates, Calcutta.

[Copy of Memorandum No. Acctts/NDC/15172, dated 24th December 1958 from Government of India Estate Office, Anyakar Bhaban (Extn.) 2nd floor, New Marine Lines, Bombay-1.]

Subject: No Demand Certificate

Rule 232 of Central Government Compilation of Treasury Rules, Vol. I, provides:—

> "The last payment of pay or allowances shall not be made to, or in respect of, a Government servant whose pay is drawn on Gazetted Government servant's bill form, finally quitting the service of the Government by retirement, resignation, dismissal, death or otherwise, or placed under suspension, until the disbursing officer has satisfied himself, by reference both to the Accountant-General and his own records, that there are *No Demands* outstanding against him. In case of other Government servants, payment may be made without reference to the Accountant-General on the responsibility of the head of the office concerned."

Instances have come to notice where final payment to officers quitting the service of Government have been made without obtaining the requisite *No Demand Certificate* from this office thereby making it rather impossible to recover outstanding arrears of rent from such officers and causing loss of revenue to Government. As Estate Office has to recover rent, etc., from the officials in occupation of Government buildings, the necessity and importance of obtaining "No Demand Certificate" from this office is obvious and can be easily understood. It is therefore requested that to avoid possibilities of loss of revenue to Government arrangements be so made that final accounts of officers quitting the service of Government by retirement, resignation, dismissal, death, or otherwise, are not settled in the absence of the requisite "No Demand Certificate" from this office. This may also be brought to the notice of all concerned.

Decision

For proper appreciation of the dispute it is necessary to state certain facts leading to the reference as are either admitted or established in evidence. These are as follows: Messrs. Brooke Bond India Ltd. (hereafter called the company) rented sheds Nos. 11, 16 and 17 situated in Paharpur Road from the Port Commissioners of Calcutta. These sheds are collectively called Brookelyn. The company has a factory and godown at Hide Road at a distance of one furlong from shed No. 12 Brookelyn. Tea chests are stored in Brookelyns.

Shri Ali Hossain (hereafter called the employer) is a labour contractor of Messrs. Brooke Bond India Ltd. in respect of shed No. 12 Brookelyn for leading and unloading the tea chests. At the relevant time Shri Ali Hossain employed more than 80 coolies including those mentioned in the list under reference for the said purpose.

Calcutta Dock and Port Labour Union (hereafter called the union) on behalf of the workmen working in shed No. 12 Brookelyn under the contractor Ali Hossain placed a charter of demands on 3rd May 1957 both to the company and Shri Ali Hossain demanding direct employment under the company and same facilities in the matter of wages, overtime, etc., as were available to the coolies in direct employment of the company in the factory godown at Hide Road (Ext. 1). The copy of the charter of demands was also sent to the Labour Commissioner with a request for intervention. Neither the Company nor Ali Hossain replied to the demands. On 11th May 1957 the union again wrote to the Labour Commissioner (Ext. 3) complaining that following submission of charter of demands, Ali Hossain started intimidating and threatening the workers with dismissal and planning to recruit fresh hands on terms inferior to those existing. The President of the union also submitted along with the letter a list of workers who were members of the union. The list showed 83 workmen to be the members of the union (*vide* Ext. 3). Thereupon conciliation started. Assistant Labour Commissioner Shri S. N. Roy took up conciliation. On that very date (11th May 1957) he wrote to Ali Hossain asking him to send comments in respect of the charter of demands and requesting him to maintain status quo pending conciliation of the dispute (Ext. 2). There was no reply to the same. The conciliation officer subsequently wrote successive letters to Shri Ali Hossain requesting him to send competent representative to joint conference fixed on different dates [*vide* Exts. 2(a), 2(b), 2(c)]. The letters were addressed to Ali Hossain at Brookelyn, Paharpur Road, Shed No. 12, Calcutta [*vide* Exts. 2(a), 2(b) and 2(c)]. According to Ali Hossain he did not get those letters.

On 14th May 1957 the union wrote Deputy Commissioner of Port Police enclosing copies of the previous correspondences with the Labour Commissioner, the company and the contractor. He was informed that due to persecution of the workers by the contractor following submission of charter of demands, a tense situation prevailed, and he should take adequate steps to prevent causing of any trouble by the contractor (Ext. 4). On 27th May 1957 the union wrote to Ali Hossain inviting his attention to the fact that no reply was received to their charter of demands, dated 3rd May 1957, and that out of 7 workers locked out only two were given employment and remaining five were still awaiting employment. Complaint was also made therein that it was not fair on his part to lay off the workers when he was recruiting fresh hands. It was further complained that the workmen were reduced from the status of monthly paid to weekly paid and that their wages were not being paid regularly but as and when he liked. The President of the Union so requested Ali Hossain to revert to the former

system of monthly payment and sent copy of the letter respectively to the Labour Commissioner and the company (Ext. 6). On the next date (28th May 1957) President wrote to the company to inform that the workers who had always been paid monthly, were being paid weekly on each Friday for the last few months. The company was also informed that the contractor did not pay the workers on Friday or on Saturday and even on the day of writing. The company was accordingly requested to intervene and restore monthly status of the workers and payment of wages to them immediately following close of the month (Ext. 7).

On 17th July 1957 the union wrote to the Labour Commissioner with copy to Ali Hossain that Ali Hossain laid off three workers named therein respectively on 1st July 1957 and 14th July 1957 (Ext. 8). On 19th July 1957 the union wrote to the Labour Commissioner complaining about delay in paying wages. It was also complained that the workers were taken to the residence of Ali Hossain on the pretext of paying their wages but Ali Hossain instead of making payment availed of those opportunities to abuse and threaten the workers of dire consequences unless they dissociated from the union. Charge of employing goondas and of recruiting fresh hands were also laid [*vide* Ext. 8(a)]. On 1st August 1957 the union complained that 32 workers in two batches were laid off on 30th July 1957 and 31st July 1957 [Ext. 8(b)].

On 12th August 1957 the conciliation officer wrote to Ali Hossain that joint conference was fixed on that date but neither he nor his representative attended. He also informed Ali Hossain that the President of the Union complained that he had refused employment to 25 workers from 8th August 1957 without any reason deviating from past practice. The conciliation officer requested that the workmen should be given work in rotation in case of shortage of work as had been the previous practice (Ext. 11)

On 13th August 1957 the union wrote to the Deputy Commissioner of Port Police that the total strength of the workers under Ali Hossain contractor had been nearly 90 and that it had been the practice that in case of shortage of work, the workers were given work in rotation. But after submission of charter of demands the employer resorted to lay off indiscriminately and laid off 25 workers from 8th August 1957. It was stated that total number of them so laid off till then increased to 63. Complaint was also made that the constables and a havidlar posted at the godown were assisting the contractor to terminate employment of the workers (Ext. 10).

Before this, Ali Hossain, it appears, had made application under section 107, Cr.P.C., and as a result the Police had been posted in the godown about 1½ months ago to prevent breach of peace. The proceedings started under section 107, Cr.P.C., were not dropped before 9th August 1958 (*vide* Ext. 12). The Police was, however, withdrawn after about 2½ months from the date of posting.

On 3rd September 1957 the conciliation officer wrote to Ali Hossain addressed at F4 Garden Reach Road, Metiabruz, Calcutta-24 [Ext. 2(d)] requesting him to send competent representative for a joint conference on 10th September 1957 [Ext. 2(d)]. On 4th September 1957 the union complained to the Labour Commissioner that more workmen were laid off bringing the total to 69 as per list enlosed. An early action in the matter was requested (Ext. 9). Subsequently a Criminal Case was started by Ali Hossain on the allegation that he and his men were assaulted on 19th September (Ext. H). The case has been still pending. On 25th September 1957 Ali Hossain made G. D. Entry that about 50 workers collected in an

open plot in Brookelyn yard and were doing marpit (Ext. I). On 14th September 1957 the conciliation officer wrote to Ali Hossain at F4 Garden Reach Road, Metiabruz, Calcutta-24, requesting him to send him competent representative for joint discussion on 17th September 1957 [Ext. 2(e)].

According to Ali Hossain he did not receive any letter other than those dated 3rd September 1957 and 14th September 1957 [Ext. 2(d) and 2(e)] as those were wrongly addressed. On receipt of the letter, dated 3rd September 1957 and 14th September 1957, he sent his representative Shri S. N. Roy Choudhury, Chartered Accountant, on 17th September 1957, for the joint conference with the union but unfortunately Shri Roy was absent on that date. On the next date (18th September 1957) his representative met the conciliation officer Shri S. N. Roy and discussed with him. Shri S. N. Roy requested the President of the union Shri Jagannath Pandey to come to his room and have a joint discussion which he declined. So Shri Roy fixed 27th September 1957 for joint conference. On that date the President of the union Shri Pandey was absent. As thus no settlement was possible between the parties in course of the conciliation proceedings, the disputes were referred to this tribunal for adjudication on 14th December 1957.

Let us now consider the issues separately.

Issue 1: This relates to discharge of 68 workers mentioned in the list. Out of them 20 workmen namely serial Nos. 10, 13, 29, 30, 31, 32, 34, 36, 38, 41, 42, 43, 44, 47, 53, 56, 65, 66, 67 and 68 were given re-employment from 10th January 1958 on the basis of settlement between Shri Ali Hossain and those workmen concerned. So adjudication is now required only for remaining 48 workmen of the list.

Those 20 workmen, it appears, joined along with new recruits another registered union namely Brooke Bond Thika Mazdoor Congress of which Shri Dayaram Beri was the President. The said Mazdoor Congress on behalf of its members moved the Labour Directorate complaining certain irregularities by Ali Hossain. Thereupon conciliation started and Shri S. K. Bhattacharji took up conciliation. Then in course of conciliation the disputes were settled by an agreement, dated 13th February 1958, subsequent to the date of reference(Ext. C). Under that agreement 60 workmen including the 20 old workers belonging to Brooke Bond Thika Mazdoor Congress agreed to work on wages at the rate of Rs. 3 per day and overtime at the rate of 4 annas per hour. The parties agreed that employment would be given only from amongst the members of the union and that discharge resorted to as and when required in consultation with the union.

Before entering into the controversy it may be noted that in the written statement before this Tribunal the Union alleged that the company was the employer of the workmen concerned and that Ali Hossain was merely a head man. But during hearing the union abandoned the said case and admitted in conformity with its charter of demand (Ext. 1) that Ali Hossain was an independent labour contractor of the company for the purpose of loading and unloading in respect of shed No. 16 Brookelyn and that all the 68 workmen along with others were employed by Ali Hossain and not by the company.

The case of the union as pressed during hearing is that as the workmen in the employ of Ali Hossain were not given same wages, overtime and other amenities as were available to the workmen in the direct employ of the company in its factory godown, the workmen under employ of Ali Hossain became dissatisfied and they so joined the union (Calcutta Dock & Port Labour Union) under leadership and initiative of workers Dhaneswar

Shaw, Dhoro Das, Basir Mia, Jamuna Sahani, Lal Muhammad, Bao Mia and Bachchu Sahani. Ali Hossain could not, however, take it in good grace and he immediately reacted and discharged those 7 leader workers. Then after the union placed charter of demands on 3rd May 1957, Ali Hossain became more enraged and locked out other workmen in batches by refusing employment to them. The 68 workmen were thus discharged or laid off or refused employment and locked out before 4th September 1957. The workmen had been monthly paid employees but were reduced to daily paid employees on account of submission of charter of demands (*vide* paragraph 25 of union's written statement). By such change in status, the workmen were deprived of wages for the days of weekly offs. Then in place of those locked out or dicharged, Ali Hossain wrongfully took new hands. The workmen were thus deprived of their employment on different dates in batches on the plea of lay off and were never again employed and were thus locked out which amounted to termination of their employment. The workers had served under Ali Hossain for different periods and none for less than one year [*vide* paragraph 34(2) of the written statement of the union]. Termination of employment of these workers was unjust, arbitrary and in violation of principles of natural justice. Union accordingly prayed for reinstatement of the workmen and for compensation to them for the period of forced unemployment.

Shri Ali Hossain denied charges of victimisation and of having discharged or laid off any worker himself and pleaded that they themselves stopped work. It was said that Ali Hossain had no knowledge about his workers joining the union, nor had he received the charter of demands dated 3rd May 1957 or the letters other than those dated 3rd September 1957 and 14th September 1957. The terms of employment of the workers under him were of very temporary and contractual nature. The workers themselves at the instigation of interested parties stopped coming to work and went on threatening him and also his other agents creating a confused condition demanding fantastic and fabulous remuneration. As a matter of fact they assaulted him (Ali Hossain) and his men. While such confused condition prevailed, Ali Hossain had to recruit other workers to comply with the demands of the company to complete their work. Ali Hossain accordingly submitted that the workers were entitled to no relief.

In support of their case the union has examined 9 workmen out of 48 workmen requiring adjudication. Ali Hossain has, on the contrary, examined himself (D.W. 1).

On giving careful consideration to the evidence and circumstances I prefer to accept union's version of termination of employment of the workers by the contractor Ali Hossain. The evidence shows the workmen in the employ of the contractor Ali Hossain were not getting pay, weekly offs, overtime and other facilities as the coolies in the direct employ of the company in the factory godown were getting. This apparently led to dissatisfaction amongst the workmen in the employ of Ali Hossain. The evidence shows that the workmen accordingly under the leadership of the 7 workers as already referred to joined the union some time by the end of April 1957. No sooner they did so, the evidence is that those 7 worker leaders were laid off. In the charter of demands submitted on 3rd May 1957, demand was made, among others, for their reinstatement (Ext. 1). No reply to the charter of demands was received either from the company or from Ali Hossain.

Then on the complaint of the union that Ali Hossain was holding out threats of lay off or discharge and that he had actually laid off some workers, the Assistant Labour Commissioner who took up the conciliation wrote to

'Ali Hossain on 11th May 1957 requesting him to maintain status quo and to submit comments in respect of the charter of demands (Ext. 2). There was no response to the same either. According to Ali Hossain he did not receive the said communication as also other letters as were similarly addressed to him. Though there is no evidence to show that Ali Hossain received them actually, it cannot, however, be said that he was not aware of these developments.

On 17th July 1957 the union complained that the three workmen were wrongfully laid off—Gafur from 1st July 1957, and Ram Abatar and Birinchi Das from 14th July 1957 in violation of the provision of section 33 (Ext. 8). The conciliation officer again called a joint conference on 9th August 1957. Before this the union complained on 1st August 1957 that 32 workmen were wrongfully laid off—16 from 30th July 1957 and another batch of 16 from 31st July 1957 [Ext. 8(b)]. The union also subsequently made complaint that another batch of 25 workers were laid off from 8th August 1957 [Exts. 2(b) and 10]. The total number of workers who were said to have been laid off or discharged till then thus rose to 67. My letter, dated 4th September 1957, the union complained that till then 69 workers including 68 under reference were locked out from 1st May 1957. In their evidence before this tribunal the workmen stated that they were refused entry into the place of work by Ali Hossain with the help of Police who was posted at the gate of the godown. This case also finds support from the letter of the union dated 13th August 1957 (Ext. 10). In any case it seems more probable that the workers did not stop work themselves but Ali Hossain discharged them in batches on different dates from the time they joined the union. Had they themselves stopped work in enforcement of their demands as Ali Hossain claimed, they would have done so in all probability simultaneously and not gradually as the correspondences of the union revealed. So, on the evidence I accept the union's version as more probable that it was Ali Hossain who discharged these workmen in the manner as they alleged and not that they themselves abandoned their work as claimed by Ali Hossain. The discharge, it does not, however, appear, was so much from a motive of victimisation on account of union activities as from the fact of workers adopting hostile and violent attitude which necessitated an application under section 10, Cr.P.C. and consequent posting of police at the gate of the godown. Be that as it may, the discharge which was made in violation of the principles of natural justice is *prima facie* unjustified, and I find accordingly.

Regarding union's charge of change in service conditions following workers joining the union and presentation of charter of demands, I am unable to uphold it. I rather believe case of Ali Hossain that the workers had all been daily-rated and never monthly-rated and that they had never weekly offs and had no overtime previously. The workers might have been monthly paid but not monthly-rated. It is not disputed that the workers employed directly by the company in the factory godown are all daily-rated workers. Ali Hossain has been merely a contractor. It is, therefore, all the more probable that the workers employed under him were daily-rated. Their wages it appears were Rs. 3 per day. Similarly the workers, I believe had never weekly offs. Some of the workmen in their deposition admitted that they were used to be employed on all days of the week and month. It appears that they had thus been getting total remuneration at Rs. 90 or Rs. 93 according to the number of the days of the month. Had they been monthly-rated the remuneration would not have varied as above. The charge of reduction in status after presentation of charter of demands cannot, therefore, be sustained. It appears that there has been merely a change in the wage period. The evidence shows that the workmen used to

get formerly payment of their wages daily from Ali Hossain and consequently Ali Hossain maintained no pay register but only attendance register (Ext. E). The attendance register (Ext. E) covered period from 1st April 1956 to 31st March 1957. Ali Hossain according to the union was an ordinary cooly in the employ of the company from which he rose to the present position of the contractor. He is illiterate and is thus not capable of maintaining any record himself. He has so to depend wholly on others in the matter. It is so no wonder that the records produced by him lack material particulars. From 1st April 1957 Ali Hossain, it appears, introduced a combined register styled attendance and payment register (Ext. G). But in the said register only the total amount paid for the month to each of the workers was noted and nothing else. The entries cannot be construed to indicate that the workers were monthly-rated. They rather show that they were monthly paid. It appears that the union took cue from such entry to claim monthly-rated status for the workmen which they were not. From May 1957 there was of course change regarding the wage period making it weekly but this was obviously to the advantage of the workmen. But the union wanted to pass off the said change as a change from monthly-rated to weekly-rated. As a matter of fact, this was not so. Even in their written statement union did not claim that the workmen were converted from monthly-rated into weekly-rated workmen. Section 4 of the Payment of Wages Act provides that the employer shall fix periods in respect of which wages shall be paid and that no wage period should exceed one month. The employer had therefore, right to fix a week or a month as the wage period. The system of weekly payment has been recognised to be more convenient and appropriate for these classes of daily-rated workmen. So the change by Ali Hossain in the wage period was to the advantage of the workmen and not to their prejudice. Similarly the evidence shows that the workmen had formerly no overtime. The evidence of some workmen to the contrary is contradictory and unreliable. P.W. 1 said that overtime was formerly 4 annas and they subsequently demanded that it should be increased to 12 annas; while others said that they had formerly overtime at the rate of 12 annas and this was reduced to 4 annas and thus dispute arose. The fact is that formerly the workers had no overtime and they were gladly doing work beyond schedule without any extra payment in consideration of the fact that their daily rates of wages were higher than those of others which varied from Rs. 1-8 to Rs. 2-8 per day. Subsequently when they became conscious that their counterparts in the direct employ of the company were getting overtime at the rate of 12 annas they made demand for same overtime, and ultimately Ali Hossain agreed to give overtime at the rate of 4 annas. Thus there is no basis for the charge of reduction in the overtime either.

Regarding terms of employment it is admitted that the workmen were not permanent. As Ali Hossain has been a Contractor and the workers were employed under him, their employment would not necessarily be of permanent character but of casual and temporary nature. But Ali Hossain has admittedly been labour contractor of the company for the last 25 years. Evidence further reveals that the work of loading and unloading for which he got the contract and for which the workers were employed by him was not of intermittent nature but has been of continuous nature at least from 1st April 1956 (*vide* Ext. E). It appears that Ali Hossain was employing regularly 80 workers including the workmen under reference and occasionally additional hands (*vide* Ext. E & Exts. F and G). It further appears that all the workers discharged were all employed continuously without break at least for more than one year before discharge. So though they were not permanent, Ali Hossain had no right to terminate their employment in the way as he did. The workmen can, therefore, legitimately

claim reinstatement. Ali Hossain is accordingly directed to reinstate the remaining 48 workmen under reference on their reporting for duty within 16 days from the date of publication of the award. All these workers, it has already been noted, were doing work of coolies at daily rates under Ali Hossain. It appears more probable that after discharge they were not sitting idle but have been earning as much in odd jobs. Considering this as also having regard to the conduct of the workers which was in any case not peaceful, I do not award compensation to them for the period from the date of discharge till reinstatement. The issue is answered accordingly.

Issue 2: The union demands that the workers in the empoly of Ali Hossain should be giyen same rates of wages and other benefits as are available to the workmen in the direct employ of the company. Ali Hossain opposes the claim.

On giving careful consideration to the matter it appears that the demand for parity, if conceded, would virtually mean abolition of the contract system which the tribunal is not competent to do. It is the exclusive function of the management to decide which of the work will be done by contractors and which by paid workmen. It is obvious that if the contractor is to exist, he cannot afford to give same wages and other facilities as this would leave no margin for him. Conceding of the demand would mean his own elimination. So if the system is to continue, differences are bound to occur. Adequacy or otherwise of the existing wage and other benefit has to be judged in relation to what prevails in similar institution and not in comparison with those of workmen in direct employ of the principal. It is so obvious that the demand cannot be conceded. At the same time it cannot be overlooked that the system of employing contractors is not in the best interest of the employees though the employers derive certain temporary advantage from it. I would, therefore, leave the matter with the recommendation to the company to undertake on its own the work of loading and unloading and if it is not possible, to introduce an appropriate clause in its agreement with the cntractor concerned as regards wages and other conditions of work to abridge the gaps as much as is reasonably possible for the benefit of labour employed by the contractor. The issue is answered accordingly.

This is my award.

ANNEXURE

In the matter of an application under section 33A of the Industrial Disputes Act, 1947, filed by Shri Rama Nath Banerjee, Rai Bahadur Satish Chandra Mukherjee Road, P. O. and Dt. Hooghly, against Messrs. Karamchand Thapar and Bros. (Private) Ltd. and two others (in connection with C. O. No. 2024Dis., dated 9th May 1955).

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the workman: Shri D. L. Sen Gupta, Advocate.

For the Company: Shri N. D. Manna, Counsel.

This is a complaint, under section 33A of the Industrial Disputes Act, by Shri Rama Nath Banerjee against his employers Messrs. Karamchand Thapar & Bros. (Private) Ltd. and two others, the opposite party in this case. It is alleged that the complainant was appointed a Stenographer on 3rd October 1947 and had served the opposite party for the last 11 years satisfactorily. He was on sick leave for 15 days from 6th May 1958 and applied for its extension, with a medical certificate on 21st May 1958. In the meantime his services were wrongfully terminated because he agitated for the stoppage of his increments in the last two years. The opposite party contests and contends that the complaint does not lie as there has not been any contravention of the provisions of section 33 of the Industrial Disputes Act, and that the services of the complainant were terminated under service rules on account of his frequent absenteeism resulting in his inefficiency, disqualifying him for further service.

Point for decision

(1) Whether the complaint is maintainable?

(2) Whether on merits the order of dismissal is justified?

FINDINGS

Point Nos. 1 and 2: It has been urged on behalf of the Company that the complaint is not maintainable for there has not been any violation of the provisions of section 33 of the Industrial Disputes Act. The complainant, a Stenographer since 1947, adopted the service rules (Ext. A) of this Company when he was appointed. His dismissal letter and his evidence will conclusively show that he was found absent for 86½ days in course of a year due to illness. Shri Banerjee, of course, did not admit that he was absent for such a long time on account of illness alone. O.P.W. 1 Shri Abraham, Establishment Officer, proved a list, Ext. E, prepared with reference to records, showing the complainant's absence during the month of April, 1956 and May, 1958. He was warned on several occasions and was asked to improve on his attendance. P.W. 1 Shri Banerjee, admitted that his increment was stopped for frequent absence from duty and that he was asked to improve his attendance. Increments were withheld in two successive years, 1956 and 1957. He, however, got it in April, 1958, in terms of an agreement between the Union and the Management which were incorporated in an award of this Tribunal. He was not allowed to cross the efficiency bar since 1956. Under the clause 24(i) of the service rules (Exts. A), an employee is liable to discharge on account of his frequent absence from duty for illness. The Management had terminated the complainant's services, not for any misconduct connected or unconnected with any dispute pending before this Tribunal for adjudication, but for his frequent absence on account of illness under clause 24(i) of the service rules, which operates as contract of service between the parties. This contract cannot be avoided on the supposed plea of the Union that a dispute for better service rules is now pending for adjudication. In fact, Shri Banerjee takes his stand on this "service rules" in support of his claim for accumulated leave alleged to be due to him at the time of discharge. The Company has shown by the complainant's own applications for leave that he was in the habit of falling sick and going on leave on that ground for a long time. He was warned and cautioned in writing. He was not allowed to cross the efficiency bar. His increments were withheld in two successive years. Shri Banerjee could not make out any case of victimisation. His services were terminated as the work in office was suffering for his frequent absence. His repeated illness and inefficiency in the work cannot be said to be his misconduct. The Company, his employer, has the undoubted common law right, under the service rules, to terminate his services and that case, in my opinion, does not fall under the perview of section 33 of the Industrial Disputes Act. There is nothing in section 33 of the Industrial Disputes Act, as amended now, which can lend support to a contention that the complainant was dismissed for misconduct, and that the approval of this Tribunal is necessary under section 33(2)(b) of the Industrial Disputes Act. This is admittedly something which is not connected with the dispute. It is not a misconduct at all. An approval of an action of the Management is only necessary where it proceeds against the workmen, in accordance with the standing order applicable to him, for a misconduct, not connected with the dispute, and punished him either by dismissal or otherwise, and discharges him with payment of wages for a month as required under section 33(2) of the Industrial Disputes Act. In constructing the provisions of the said section, there is no place for invoking equitable doctrines. When the words are clear, as here, it is the duty of the Court to give plain meaning to the words used. I am, therefore, unable to accept the contention urged on behalf of the complainant that the termination of service, in the instant case, was for "misconduct not connected with the dispute". In my opinion, there has not been any violation of the provisions of section 33 of the Act in

terminating the services of the complainant under the service rules and, accordingly, this complaint is not maintainable.

On merits, the complainant has no case at all. He was falling sick every now and then and absented himself from duty on that account. This has impaired his efficiency in work, and the Management could not be blamed if it could not put up with him and tolerate his absence any longer. This application, therefore, fails and is dismissed.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Dewar's Garage & Engineering Works, 4 Council House Street, Calcutta-1, and their employees represented by Engineering Mazdoor Union, 65 Kansaripara Road, Bhowanipur, Calcutta, and two others. (Case No. VIII 255 55.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the Union: None.

For the Company: None.

An industrial dispute between Messrs. Dewar's Garage & Engineering Works (hereinafter referred to as the Company), 4 Council House Street, Calcutta-1, and their employees represented by (1) Engineering Mazdoor

Union, 65 Kansaripara Road, Bhowanipur, Calcutta, (2) The Bengal Motor Industry and Transport Workers' Union, 14 Moti Sil Street, Calcutta-13, and (3) Motor Mazdoor Union, 59B Chowringhee Road, Calcutta-20, regarding the following issues, was referred to this Tribunal for adjudication by the Government of West Bengal, Labour Department, order No. 3466-I.R./D/10L-11/56, dated the 19th August 1958.

Issues

(1) Dearness allowance.

(2) Revision of wages and fixation of scale of pay and fitting in of the workmen in the scales fixed.

(3) Revision of working hours.

This reference was made to the Seventh Industrial Tribunal on 22nd August 1955. The said case was on 18th May 1956 transferred to the Sixth Industrial Tribunal, and the same was transferred to this Tribunal on the 19th August 1958. Records were received in this Tribunal on 28th August 1958.

Due notices were sent to the parties. Pursuant to a notice Messrs. Dewar's Garage (India) Private Ltd. appeared in the case to inform this Tribunal that the Company, under reference, was dissolved as far back as 30th June 1956, and Mr. George Birnie Dewar became its sole proprietor from 1st July 1956, and that the applicant, Messrs. Dewar's Garage (India) Private Ltd., was incorporated on the 5th July 1956. Mr. Dewar transferred his right, title and interest in the business without his debts and liabilities to the applicant on the 7th June 1957. It further appears that the Sixth Industrial Tribunal, in another case between the parties, treated this applicant as a party in place of the Company under reference, and the High Court, in an appropriate proceeding, quashed that order of the Sixth Industrial Tribunal. Since then five months had passed. The only Union, the Secretary, Motor Mazdoor Union, one out of the three Unions mentioned in the order of reference, informed this Tribunal on 2nd December 1958, that it was trying to amend the order of reference. That Union is also absent, after several adjournments.

In these circumstances, it is only reasonable to conclude that there is no outstanding dispute between the parties regarding the issues under reference. This case is, accordingly, disposed of.

ANNEXURE

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI G. PALIT, *Judge, Fifth Industrial Tribunal.*

Present for the Company: Shri B. C. Mitra.

Present for the Union: Shri Mani Mukherji.

By Government order No. 358-I.R./IR/11L-91/57, dated the 31st January 1958, the aforesaid dispute has been referred to the Fifth Industrial Tribunal, presided over by me, for adjudication under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947). The said Fifth Industrial Tribunal was constituted under Government notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957.

2. The reference was received here on 10th February 1958. The Union filed written statement on 3rd March 1958. The Company filed written objection on 12th April 1958. After several adjournments the case was taken up for hearing on 29th January 1959. It continued on 30th January 1959 when the argument was concluded. The award was reserved.

3. The issues contained in the schedule to the order of reference stand as follows:—

(1) To what rate of bonus are the workmen entitled for the year 1956?

(2) Is the dismissal of Sarbasri Madhab Chandra Bhar and Nibaran Chandra Dey is justified? To what relief in the way of reinstatement and/or compensation are they entitled?

AWARD

Issue No. 2: This issue has been disposed of by a joint petition of compromise filed by the parties before the Tribunal. I accept the said settlement and dispose of the issue accordingly. The said petition of settlement forms a part of my present award, and it is embodied in the appendix to this award.

Issue No. 1: This is a Private Limited Company. Its financial year is from April to March. So the bonus question relates to the year 1956-57. The audited balance-sheet of the year has been filed before the Tribunal. The net profit of the said year is Rs. 9,000 and odd. The Company has been

recently incorporated. Now, the bonus formula as set forth by the Labour Appellate Tribunal in the case of Bombay Mill Owners' Association *versus* Rastriya Mill Mazdoor Sangha has been affirmed by the Hon'ble Supreme Court. So I work out the formula aforesaid of the Labour Appellate Tribunal in the present case just to see it there is any available surplus for bonus in the year in question. I have taken charts of calculation from both sides. It is very unfortunate that though the Company was assisted by a Chartered Accountant, it has not done the computation on the lines of the aforesaid Labour Appellate Tribunal's formula. The Union has not also done this. I, however, take some figures from those charts and work out the formula as below:—

1956-57

		(In thousands)
Net profit		9.1
Depreciation		7.9
Bonus already paid		3.0
Managing Director's remuneration		6.0
Taxation provided		4.0
	Gross profit	30.0
(I have not allowed Rs. 18,000 as the Managing Director's remuneration. I have allowed only Rs. 1,000 as Managing Director's remuneration per month, i.e., Rs. 12,000 in a year. The figure of bonus already paid I have got from the Union's chart.)		
Less depreciation		7.9
		22.1
Less income-tax at the rate of annas 7 in a rupee on Rs. 22,000		9.6
		12.5
Less dividend at the rate of 6 per cent. on the paid up capital of Rs. 1 lakh and 25 thousand		7.5
		5.0
Less return on working capital of Rs. 2 lakhs and 14 thousand		8.5
		—3.5

(That is, roughly, a deficit of Rs. 3,500.)

Now, if Rehabilitation allowance is given to the extent of Rs. 4,000, this deficit would be more. So there is no available surplus for bonus for the year 1956-57.

The Union in its calculation has landed into an error when it took the gross profit from the balance-sheet. So the claim of bonus for 1956 (1956-57) is turned down. The Company demanded recovery of bonus already

paid to the workers. I can give no direction in the matter, firstly, because it is not covered by the issue, and secondly because it will rest on the agreement reached between the parties under which the said bonus was granted. So the claim for recovery in respect of the bonus already granted cannot be decided in the present reference. This is my award.

ANNEXURE

In the matter of a complaint under section 33A of the industrial Disputes Act, 1947, filed by Shri Bhagabati Prosad and 2 others—Durwans—against Messrs. Hamilton & Co., Ltd., 8 Old Court House Street, Calcutta, in connection with C. O. No. 93-1.R./IR/11L-448/57, dated the 7th January 1958.

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI J. N. MAITRA, *Judge, Third Industrial Tribunal.*

(Miscellaneous Case No. 280 of 1958 under section 33A of the Industrial Disputes Act.)

Shri Bhagabati Prosad and 2 others, represented by Hamilton Jwellery Workers' Union, 1/1 Tarak Mitra Lane, Calcutta-26—Petitioners

versus

Messrs. Hamilton & Co., Ltd., 8 Old Court House Street, Calcutta-1—Opposite party.

Present for the workmen: Shri H. L. Roy, Advocate.

Present for the Company: Shri B. K. Chowdhury, Counsel with Mr. J. Cohelo.

AWARD

This is a complaint under section 33A of the Industrial Disputes Act by 3 durwans in the employ of the opposite party company. They complained that during the pendency of an adjudication proceeding in respect of an industrial dispute between the opposite party company and their workmen before this Tribunal, the opposite party company altered to the prejudice of the workmen the conditions of service as to working hours and holidays which were subject-matters of the adjudication proceedings. It was said that prior to the date of reference their working hours were from 8-30 a.m. to 6 p.m. with one hour recess on week days and from 8-30 a.m. to 1 p.m. without recess on Saturdays. Besides, they were allowed full holiday on the Independence Day on the 15th August. The opposite party company during the pendency of the reference altered the aforesaid working hours and raised it to 54 hours and employed them even on the holiday on the 15th August. The workmen accordingly submitted that there had been contravention of section 33 of the Industrial Disputes Act and prayed for restoration of the previous state.

The opposite party company resisted the claim. It denied that the durwans had working hours as alleged or a full holiday on the 15th August as claimed by the petitioners or that the working hours and holidays of durwans were subject-matters of the adjudication proceedings. If further denied that it altered the working hours to the prejudice of the petitioners or that it altered practice as to holiday as alleged. The Company pleaded that for the purpose of protection of the property, the Company had prior to 5th March 1958 one Jamadar and 4 durwans

only. By agreement amongst themselves and under the direction of the Jamadar they arranged duty hours amongst themselves for 24 hours of day and night. The practice had been followed for a very long time. On the resignation of one of the durwans, a night watchman was appointed on 5th March 1958 and the second night watchman was appointed on or about 14th May 1958. Thus instead of 5 persons, 6 persons are now being employed. Having 2 night watchmen as aforesaid, it was considered desirable to draw up a duty chart for the Jamadar, the 3 durwans and the 2 night watchmen which was accordingly done. According to the duty chart the workload of the applicants has not increased as there are now six men to do the work that was done formerly by 5. According to the time chart, none of the applicants have to work more than 51 hours in a week nor more than 9 hours a day and they get 1½ day's holiday in the week. The Company thus submitted that the application should be rejected.

Decision

Section 33(1) relates to matter connected with the dispute and in this case previous permission of the Tribunal is necessary. From the record of the original adjudication proceedings it appears that neither the working hours nor leave and holidays which were subject-matter of the said adjudication proceedings related to the durwans. It is, therefore, obvious that section 33(1) is not attracted and no previous permission is necessary for effecting alteration. In the present case it also appears that the complaint lacks basis. The allegation that durwans had working hours from 8-30 a.m. to 6 p.m. with one hour recess from Monday to Friday and from 8-30 a.m. to 1 p.m. without recess on Saturday has not been proved. Likewise the allegation that in the past the durwans were allowed to absent wholly on the Independence Day on the 15th August has not been proved. The evidence and circumstances rather support the Company's version in this respect. P.W.1 Shri Ram Dulari Sharma who alone deposed out of the three petitioners had to admit that one Jamadar and four durwans who were empolyed prior to March, 1958, had to be on duty for 24 hours throughout day and night in rotation. This would support that they had 24 hours' duty in rotation on working days and holidays as the Company stated. The arrangement as aforesaid it appears continued even after commencement of the adjudication proceedings. There has been of course a change during pendency of adjudication proceedings. But it appears this was necessitated consequent upon appointment of two night guards for night duty absolving the 3 durwans and Jamadar from night duty. Under the new arrangement definite duty hours for the three durwans and the Jamadar on working days and on holidays for day time were fixed (Ext. A). There is nothing to show that said change was to the prejudice of the workmen. On the other hand, it appears that there was no increase in the workload compared to what they had before appointment of night guards, Section 33(2) relates to matters not connected with the dispute. An employer can resort to it if it has standing orders. The Company has admittedly standing orders. Under section 33(2) an employer is eligible to alter the conditions of service applicable to the workmen during pendency of adjudication proceeding without permission in accordance with the standing orders. So, if the Company had fixed definite hours of work as in roster for day time (Ext. A) for the durwans on working days and holidays, it did thereby nothing illegal. The standing order enables the Company to take such action. The duty hours as fixed in the roster (Ex. A) it also appears do not exceed the limits prescribed in the Bengal Shops and Establishments

Act. In the circumstances, I find that there has been no contravention of section 33. The petition is accordingly rejected. This is my award.

ORDER

No. 727-I.R./IR/10L-4(C)/57 (Pt.).—25th February 1959.—Whereas under the Government of West Bengal, Labour Department, order No. 5441-I.R./D/10L-116/56, dated the 20th December 1956, as amended, the industrial disputes in the Engineering Industry in West Bengal between the Engineering firms referred to in the said order, as amended, and their workmen represented by the Unions and Federations mentioned in the said order, as amended, were referred to the Fifth Industrial Tribunal for adjudication;

And whereas during the pendency of proceedings before the said Industrial Tribunal, Shri Haripada Sarkar and ten other workmen of Messrs. Bharat Battery Manufacturing (Private) Co., Ltd., 56 Bondel Road, Calcutta-19, made a complaint in writing to the said Industrial Tribunal against the said Company alleging that the said Company had violated the provisions of section 33 of the Industrial Disputes Act, 1947 (XIV of 1947);

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Industrial Tribunal has adjudicated upon the said complaint and submitted its award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of a complaint under section 33A of the Industrial Disputes Act, 1947, filed by one Haripada Sarkar and ten others, c/o. Secretary, Bharat Battery Workers' Union, 7/2A Jamir Lane, Calcutta-19, all employees of Messrs. Bharat Battery Manufacturing (Private) Co., Ltd., 56 Bondel Road, Calcutta-19, against the aforesaid Company. (Case No. 25 of 1958, under section 33A of the Act.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI G. PALIT, *Judge, Fifth Industrial Tribunal, West Bengal.*

AWARD

The original reference out of which this case has arisen was made under G.O. No. 5441-I.R./D/10L-116/58, dated 20th December 1956, and the subsequent corrigendum No. 1922-I.R./IR/10L-4/57, dated the 7th June 1957.

2. I need not refer to the facts which have led up to the present dispute because the matter is being disposed of on a preliminary issue of law.

It is contended on behalf of the Company that the application under section 33A as framed, is not maintainable in law because there has been no contravention of section 33 of the Industrial Disputes Act, 1947, as amended in 1956.

The fact of the case is that the Pedal Section of the Rubber Department of the factory having proved to be uneconomic, it was closed down on 27th January 1958, and as a result thereof the complainants became surplus. Their services were terminated on the same date. So this is a case of retrenchment, pure and simple, and the present dispute is not connected with the dispute under the aforesaid reference.

Under the present section 33(2)(b) of the Industrial Disputes Act, discharge or punishment by way of dismissal must be for misconduct not connected with the dispute. "Retrenchment" does nowhere find place. It is neither a case of misconduct nor a case of dismissal for misconduct. That being so, the question of obtaining permission from the Tribunal prior to it or subsequently does not arise. So there is no violation of any of the provisions of section 33 of the Act as it stands now. If section 33 has not been contravened, then a case under section 33A cannot be maintainable. Infringement of section 33 is a condition precedent to a case under section 33A. So the present petition under section 33A of the Industrial Disputes Act is rejected as not maintainable legally. I have not gone into the merits of the retrenchment in question. That may be considered in an appropriate case brought under a general reference under section 10 of the Act. The case is thus disposed of.

No. 793-I.R./1R/10L-38/58.—27th February 1959.—Whereas under the Government of West Bengal, Labour Department, order No. 3700-I.R./D/10L-12/56, dated the 21st September 1957, the industrial dispute between Messrs. Hindusthan Iron & Steel Co., 68 Jessore Road, Dum Dum, and their workmen represented by Hindusthan Iron & Steel Co., Workers' Union, 48 Dharamtala Street, Calcutta-13, regarding the issues mentioned in the said order being matters specified in the second and the third schedules to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Fourth Industrial Tribunal;

And whereas on an appeal filed by the said Messrs. Hindustran Iron & Steel Co., against the award made by the said Fourth Industrial Tribunal on the aforesaid industrial dispute, the High Court sent back the case on remand for rehearing;

And whereas the said Fourth Industrial Tribunal heard the case and submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Hindusthan Iron & Steel Co., 68 Jessore Road, Dum Dum, and their workmen represented by Hindusthan Iron & Steel Co. Workers' Union, 48 Dharamtala Street, Calcutta-13.

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the Union: Shri Fatik Ghose.

For the Company: Shri B. Roy Choudhury.

An industrial dispute between Messrs. Hindusthan Iron & Steel Co., 68 Jessore Road, Dum Dum, and their workmen represented by Hindusthan Iron & Steel Co. Workers' Union, 48 Dharamtala Street, Calcutta-13, in respect of the following issues, was referred to this Tribunal for adjudication by the Government of West Bengal, Labour Department, order No. 3700-I.R./IR/10L-12/56, dated the 21st September, 1957.

Issues

(1) Whether the dismissal of Shri Subodh Guha was justified? What relief is he entitled to?

(2) Bonus for 1956.

(3) Whether refusal of employment to the workers named in the attached list is justified? What relief are they entitled to?

FINDINGS

This Tribunal made an award in this case on 12th March 1958. Thereafter this record was taken by the Government Solicitor for production before the Hon'ble High Court in matter No. 115 of 1958. It further appears from a letter, dated 9th August 1958, from the learned Government Solicitor that Mr. Justice Sinha had disposed of the matter on the following terms.

Issue No. 1—Rule discharged.

Issue No. 3—Rule made absolute.

Issue No. 2—Related to a payment for bonus for 1956.

This Tribunal awarded two months' basic wages in favour of the workmen. Hon'ble High Court, it appears from the said letter, has remanded this issue to this Tribunal for determining the quantum of bonus. There was no order for payment of costs.

Both parties were informed and they appeared before this Tribunal on 30th August 1958. As the judgment of the Hon'ble Court was material for deciding this issue, both parties prayed for time for its production. After repeated adjournments, the parties did not produce the judgment or take any action in the matter, with the result that on 5th February 1959,

over 5 months from the date of appearance of the parties in this Tribunal, the parties did not take any action for proceeding with the further hearing of this issue, as directed by the Hon'ble Court. It is not possible to calculate the quantum of bonus in the absence of proper materials on record. The judgment of the Hon'ble Court is not yet submitted. I can fairly conclude from the above that there is no outstanding dispute regarding issue No. 2 in this case between the parties to be further adjudicated upon. The reference is finally disposed of.

The original reference out of which this case has arisen was made under G.O. No. 5441-I.R./D/10L-116/56, dated 20th December 1956.

2. Shri S. K. Asthana, Labour Adviser, Engineering Association of India, appeared on 9th December 1958 and prayed for time in his petition filed before the Tribunal. On 16th December 1958 the Company filed its written statement. The date of hearing was fixed on 18th January 1959, and subsequently it was transferred to 30th January 1959. On that date the complainant Shri Mongal filed a petition withdrawing his application under section 33A of the Act on certain conditions. I have gone through the said petition and the conditions therein, and I allow the case to be withdrawn by the Complainant. So the case under section 33A is disposed of by my present award.

SHRI J. N. MAITRA, *Judge, Third Industrial Tribunal.*

For the Company: Shri S. K. Basu, Counsel, with Shri K. P. Mukherji Solicitor of Messrs. Khaitan & Co.

AWARD

By order No. 352-I.R./IR/10L-29(A)/57, dated the 31st January 1958 the Government of West Bengal, in the Labour Department, referred

under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Texmaco Limited, Belghoria, 24-Parganas, and their workmen represented by Texmaco Workers' Union, 49 Nimta Road, Belghoria, 24-Parganas, regarding the matter specified in the schedule, to the Third Industrial Tribunal constituted under section 7A of the Industrial Disputes Act, 1947, by notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication.

2. After usual summons the parties put in appearance and filed their written statements. The pleadings were completed on 10th April 1958. The parties were thereafter directed to file lists of documents. Then after adjournments the dispute was heard and award was reserved.

3. The matter of dispute as stated in the schedule to the order of reference is as follows:

Profit Bonus for 1954.

Decision

Texmaco Workers' Union (hereafter called the union) on behalf of the workmen demands two months' wages as profit bonus for the year 1954 over and above what had been paid as customary bonus for that year under the award of the Second Industrial Tribunal.

Messrs. Texmaco Limited (hereafter called the company) opposes the claim on the ground that it is a belated claim. It is said that there was no demand and no conciliation for profit bonus for 1954 before 29th January 1957. The claim was first made long after accounts for the year 1954 had been closed. The present claim thus being belated is not tenable. Secondly, it is said that no surplus is left after deduction of prior charges according to the Full Bench Formula and thus the claim cannot be sustained on merit either.

On giving careful consideration to the evidence on record I agree that the claim is belated and cannot be sustained. Before the present claim was made the union had claimed Puja bonus for the self-same year 1954. The company was making some payment as bonus before Durga Puja annually. The said bonus was paid at the rates of Rs. 16, Rs. 18 and Rs. 20 to workers according to length of service for the year 1953. The workers accepted the bonus at that rate for the said year 1953. Then in August 1954, before the Puja the workers demanded two months' wages as Puja bonus for the year 1954. The company did not agree to pay bonus at that rate but was willing to pay at the rates as in 1953. There was discussion about the matter in the Works Committee meeting held on 28th September 1954 but no settlement could be arrived at (Ext. 2). Then the dispute regarding the said Puja bonus for 1954 was referred by Government to the Second Industrial Tribunal presided over by Shri G. P. Mukherji on 14th October 1955. Shri Mukherji gave his award on 16th March 1956 and this was published in the *Calcutta Gazette*, dated 12th April 1956. By the said award Shri Mukherji awarded Puja bonus for the year 1954 at the rates as in 1953. During hearing at the said adjudication proceeding a question arose whether on the issue referred to "What should be the quantum of Puja bonus for the year 1954"? the matter of profit bonus for the said year could be gone into. The Tribunal found that there was no demand for profit bonus for that year and on the issue referred to the question could not also be gone into. Even then the union did not make demand for profit bonus for the year 1954 before 29th January 1957. Demand for profit bonus for the year was first made on 29th January 1957 (Ext. A), whereupon conciliation started.

The company maintains accounts according to the calendar year from January to December. The claim for bonus which has been rested on profits earned has accordingly to be determined on the basis of the profits earned for the year ended 31st December 1954. The accounts for the same year ended 31st December 1954 were audited and balance-sheet and profit and loss accounts were prepared and submitted on 28th April 1955 (Ext. C). It also appears that the said audited accounts for the year 1954 were adopted in the general meeting of the shareholders of the company on 24th June 1955. It will so appear that cause of action relating to profit bonus for 1954 had accrued even long before the date of reference of Puja bonus for the year 1954 on 14th October 1955.

The union or the workmen, it has already been noted, did not make demand for profit bonus for 1954 prior to 29th January 1957. They did not make such demand even after the award relating to Puja bonus was published. The excuse for not making the demand prior to 29th January 1957 as stated during hearing is that the workmen had no knowledge that such claim for bonus out of available surplus could be made. Even if it were true, ignorance of the position would be no ground in justification for the laches. According to both sides a dispute also arose between the parties regarding profit bonus for the subsequent year 1955. The Secretary of the union, P.W. 1, could not say when such demand for profit bonus for the year 1955 was made. It is in evidence of the Company's Finance Officer Shri Radheshyam Sharma (D.W. 2) that such demand for profit bonus for 1955 was made in the year 1955. The demand might have been premature as the account for the year 1955 was yet then to be closed but nonetheless this would show that the workmen were aware of their rights regarding profit bonus long before 29th January 1957. It has been uniformly held by the Labour Appellate Tribunals that if the claim for bonus is made long after the year for which the bonus is claimed, has ended and the accounts have been closed, the Tribunals cannot entertain such a belated claim. The matter was taken up to the Madras High Court which also upheld the view [*vide* 1957(I) L.L.J. 282]. In the Muir Mills Co., Ltd., reported in 1954-55 Indian Factories Journal, Volume VII, page 483, the Supreme Court found that "on the accounts of each year being made up and the profits of the industrial concern being ascertained, the workers during the particular year have their demand for bonus fully satisfied out of the surplus profits and the balance of profits is allocated and carried over in the accounts. No further claim for payment of bonus out of those reserves or undistributed profits can, therefore, survive". In the circumstances, I agree that the present claim for bonus for the year 1954 is belated and cannot be sustained and must so fail. In this view of the matter the question whether there would be deficit or surplus is not gone into.

This is my award.

Gurudas Press and Bharatbarsha Printing Works, 203/1/1 Cornwallis Street, Calcutta-6, and their workmen represented by the Press Employees' Association, 249-B Bowbazar Street, Calcutta, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Fourth Industrial Tribunal;

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Gurudas Press and Bharatbarsha Printing Works, 203/1/1 Cornwallis Street, Calcutta-6, and their workmen represented by the Press Employees' Association, 249-B Bowbazar Street, Calcutta.

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the Union: Shri S. K. Singh Roy, Pleader.

For the Company: Shri N. K. Mukherjee, Advocate.

An industrial dispute over the termination of services of six workmen, mentioned below, between Messrs. Gurudas Press and Bharatbarsha Printing Works (hereinafter referred to as the Company), 203/1/1 Cornwallis Street, Calcutta-6, and their workmen represented by the Press Employees' Association,, 249-B Bowbazar Street, Calcutta, was referred to this Tribunal for adjudication by the Government of West Bengal, Labour Department, order No. 4629-I.R./IR/13L-47/57, dated the 4th December 1957, and by subsequent order No. 720-I.R./IR/13L-47/57, dated the 26th February 1958.

Issue

Was the termination of services of the undernoted workmen justified? What relief are they entitled to

(A) Workmen of Gurudas Press:

1. Shri Kanailal Ghosh.
2. Shri Saroj Kumar Chakraborty.
3. Shri Kartick Chandra Sarkar.
4. Shri Bhutnath Chatterji.

(B) Workmen of Bharatbarsha Printing Works:

1. Shri Sricharan Maity.
2. Shri Ramhari Barh.

Both parties filed written statements, adduced evidence, oral and documentary, and advanced arguments in the case.

AWARD

An interim award, allowing interim relief in the case, was submitted to the Government of West Bengal, on the 22nd May 1958. Payment, under the said award, was admittedly made to the workmen concerned in this dispute. The payments would appear from a petition submitted by the Company on 14th July 1958. Admitted vouchers, Ext. B series, would conclusively prove this.

A ticklish question, of some nicety, regarding jurisdiction of this Tribunal was taken in paragraph 1 of the Company's written statement. It is said that the original order of reference related to the question of payment of gratuity to a number of workers. Subsequently, it was substituted by another order under a corrigendum, and a new dispute was referred to for adjudication in place of the former. The Government had clearly acted without jurisdiction asking the Tribunal to adjudicate upon a fresh dispute. It has been urged by Shri N. K. Mukherjee, Advocate on behalf of the Company, relying on a decision of the Supreme Court in a case between the State of Bihar and D. N. Ganguli and others, reported in 1958, II, L.L.J., p. 634, that by a subsequent order the Government has superseded the original order of reference and thereby cancelling the same. The Government had no powers under the Industrial Dispute Act, read with section 21 of the General Clauses Act, to do that. Shri S. B. Singh Roy, Pleader, on behalf of the Union, refuted these arguments of the Company by saying that the decision, in the aforesaid case, is no authority for holding that the Government has no power to amend or add to the order of reference, and that the facts of the said case had nothing in common with the facts in the present case. Therefore, that decision has no application to the facts in the present case. It appears from the body of the judgment of said case that the question involved there was whether or not the Government can supersede a reference pending before a Tribunal consituted for that purpose. In that case, while the proceedings in respect of the earlier two references were pending before the Tribunal and had made some progress, the Government issued a third notification purporting to supresede the two earlier notifications in respect of the two references. In discussing the merits of the case and the legal principles involved in it, their Lordships held that the appropriate Government had no power to cancel or supersede a reference made under section 10(1) of the Industrial Disputes Act. At the same time, their Lordships made it clear, towards the end of the judgment, that they were not considering the power of the Government to amend, or add to a reference made under section 10(1). Their decision was confined to the narrow question as to whether an order of reference made by the appropriate Government under section 10(1) could be subsequently cancelled or superseded by it. The facts of this case are entirely different. The servies of six workmen were terminated on the ground of superannuation. They were not offered any payment of gratuity, which they demanded in case they were refused reinstatement. The original order of reference related to the question of payment of gratuity, although that was only a part of the dispute that existed between the parties. On further representation, the original order was corrected, by a subsequent order under a corrigendum,

and the dispute was stated in greater details in the subsequent issue which substituted the one in the original order of reference Thus, the scope of enquiry was enlarged, though the dispute between the parties remained unaltered. In doing this the Government did not cancel or supersede or anything of that kind, to which legitimate objections can possibly be taken. It is idle to contend that the Government had acted illegally and in excess of its powers under the Industrial Disputes Act by the issue of this corrigendum. In fact the reported decision on which reliance was placed by Shri Mukherjee is no authority for the proposition that the Government has no power (implied one) under the Industrial Disputes Act, or under section 21 of the General Clauses Act to amend or add to the original order of reference under section 10(1) of the Industrial Disputes Act. I am clear in my mind that the Government did not cancel or supersede the original order of reference, but only amended the same for which it had powers under section 10(1) of the Industrial Disputes Act, read with section 21 of the General Clauses Act, to do so. The Hon'ble Supreme Court in the said reported case held that the Government had powers under section 10(5) to issue subsequent orders in respect of a reference made under section 10(1) of the Act. The powers to amend an order of reference under section 10(1) is not inconsistent with the power clearly conferred on it under the provisions of section 10(5) of the said Act. In my view the contention of Shri Mukherjee is clearly untenable. This Tribunal has jurisdiction to adjudicate the issue under reference.

Four workmen of Gurudas Press, all under 50 years of age (*vide* Ext. 6), were retired on superannuation with effect from 25th April 1957. They had put in 26 and 27 years and few months service respectively. Two workmen of Bharatvarsha Printing Works who have put in more than 34 years' and 29 years' service respectively, were also retired on superannuation with effect from the aforesaid date. Of them, Shri Charan Maity is aged 66 years and Shri Ram Hari Bera is aged 41 years. The Union's case is that these workmen were placed on pre-mature retirement although they were entitled to continue in service in terms of the Standing Orders of the Press Award of 1951. In doing it, the Company exercised unfair labour practice on the workmen. The Union, accordingly, asked for their reinstatement, and, alternatively, for payment of all dues with gratuity. The Company, on the other hand, contended that these workmen were superannuated on their completion of 25 years of service under the Press Award of 1951. Other workmen were also retrenched due to repeated loss in the business. They received their dues in full and had left.

The Press Award of 1951 contains the Standing Orders and other service conditions applicable to these workmen. Both the parties rely on this award though the Company at one place in its written statement repudiated this award on the allegation that it had terminated it by a notice in writing. The termination of the award, as alleged, was, however, not proved. Both the parties take their stand upon the terms of this award. Notice is Ext. 1 series. It shows that the Company had discharged these workmen from service on the ground of superannuation. In reply to workmen's representation, the Company informed the workmen that their services were terminated due to superannuation, a decision which was taken purely on economic ground, and had nothing to do with any other consideration either from the Union's side or from the side of the Management. The Company denies unfair labour practice or victimisation as alleged by the workmen. In paragraph 7 of its written statement, the Company stated that this discharge was not by way of retrenchment but by way of retirement,

and pleaded that such discharge was perfectly legal, *bona fide* and in the interest of the industry. Shri Bhutnath Chatterjee, one of the discharged workmen of Gurudas Press, had deposed before this Tribunal on behalf of himself and other discharged workmen. Shri Kumaresh Bhattacherjee, an employee of the Company, had deposed on the side of the Company. The length of service of the employees is given in Ext. 5, and corroborated by the evidence of Shri Chatterjee and Shri Bhattacherjee, and the evidence of age as given in Ext. 6, without any objection from the Company's side, are undisputed. The Standing Orders applicable for works staff are given at page 501 of the *Calcutta Gazette*, dated 1st March 1951. Termination of employment is mentioned in paragraph 14, page 505 of the same gazette. Under paragraph 14(1), all workmen shall retire ordinarily on completion of the 55th year of their age. If any workman is considered fit even after completion of 55th year of his age he may, on his application, be given an extension not exceeding three years, provided no retrenchment is called for in the meantime. No workman who is physically fit shall be made to retire. Any workman completing 25 years of service shall have the option to retire even if he had not completed 55th year of his age. Under paragraph 14(4), page 506, a workman whose superannuation is overdue shall be made to retire in the first instance whenever a question of *bona fide* retrenchment arises.

As already stated above, the Management's case is that the services of these workmen were terminated due to superannuation, i.e., by way of retirement and not by way of retrenchment. Therefore, the evidence of retrenchment, which is very meagre on record, is of no practical assistance in this dispute. O.P.W. 1., Shri Bhattacherjee, said that the Company is leading towards loss. He has no direct knowledge of accounts but said that they did not receive salaries at a time but they receive it in instalments. This, according to him, is the evidence of bad financial position of the Company. The Company has, no doubt, produced its balance-sheets for the four years ending 31st March 1957, and this action was taken by the Company within a month of the end of the financial year 1956-57. Both the years 1956 and 1957 show losses in Bharatbarsha Printing Works and Gurudas Press belonging to Messrs. Gurudas Chatterjee & Sons. The overall loss in these two organisations came up to Rs. 7,736-0-6p. A feeble endeavour was made on the side of the Union to show by its own evidence that the income from Sailen Press and Bharatbarsha Magazine was not stated in the balance-sheet, although Sailen Press was as good a press belonging to Messrs. Gurudas Chatterjee & Sons as the two others are. Shri Chatterjee's evidence appears to be against the Union's pleadings and against all probabilities. He said that the composition work was done in Sailen Press, with the help of new recruits, but they were printed and published from Gurudas Press and Bharatbarsha Printing Works with the

help of new recruits. This was not the Union's case in its written statement, and it is not corroborated by any evidence of credit. Some retrenchment of staff was made at the time when the services of these workmen were terminated. Some of these men received payment of their dues and had left. The business position as disclosed in the balance-sheet in the last two years before the discharge of these workmen is not encouraging. But losses in the business do not necessarily mean reduction in work for the staff. Since the Management is not defending its action on the ground of retrenchment and since there is no evidence except what discussed above to decide the question satisfactorily, it is not necessary to go to other questions, viz., whether the principle of "last come, first go" was observed in discharging these men from service due to superannuation.

Shri Charan Maity of Bharatbarsa Printing Works is aged 66, and had put in more than 34 years of service. Shri Maity is above the age of retirement fixed under the Press Award, dated 1st March 1951. He has also completed more than 25 years of service when a workman has got the option, i.e., the freedom of choice to retire even if he had not completed 55th year of age. Shri Maity was, therefore, rightly retired from the service due to superannuation. He was paid his dues under the interim award. Only question is whether he was entitled to any gratuity under the Press Award. Provisions for payment of gratuity were made in the Press Award at page 500. It is clear that gratuity can only be claimed between the 11th May, 1948 and the date when the Contributory Provident Fund started. The Company had stated in its written statement, at paragraph 9, that it introduced the Provident Fund since June 1948. This was not denied on the Union's side. Therefore, Shri Maity is not entitled to any gratuity under the award for the period covered by the Provident Fund. As he was retired from service due to superannuation, he was not entitled to any statutory compensation payable in case of retrenchment of surplus staff.

The cases of other workmen stand on a different footing. Each one of them had completed 25 years of service but not completed 55th year of age. This position remains unassailed, at the hearing. Shri Mukherjee's contention is that under paragraph 14(1) of the Standing Orders under the Press Award of 1951, at page 505, an employer can retire a workman on his completing 25 years of service though he may not have completed 55th year of age. I am unable to accept his reading of the text of the Standing Orders, paragraph 14(1), as correct. The option under the award is with the workman. He has the freedom of choice in this matter. He may retire on completing 25 years of service though ordinarily he is entitled to continue till the 55th year of age. A workman who retires on his completing the 55th year of age, has no option in the matter. He may get an extension of service not exceeding 3 years provided he is physically fit, and the right to grant any extension is with his employer. He cannot, as of right, claim an extension of service after completing the 55th year of his age. The employer has, however, no right to retire him from service when he has not completed 55th year of age simply because he has put in more than 25 years of service. The right to give up his service is with the workmen. In this particular case, the employer has, however, compelled all these workmen to retire from service on the ground that each one of them had completed 25 years of service. This is against the letter and spirit of the rules of retirement embodied in the Standing Orders under the Press Award, 1951. In their case, it cannot be said that superannuation was overdue, which alone would justify their retirement by way of *bona fide* retrenchment of staff. In my view, the services of these five men were wrongfully terminated by way of superannuation. All of them asked for reinstatement. Normal relief, in case of wrongful discharge, is reinstatement, and I find no

reasonable excuse on the side of the management to deny them this relief I, therefore, find that the termination of services of these four workmen of Gurudas Press, and one of Bharatbarsa Printing Works is unjustified, and these men are entitled to reinstatement in service. They were paid all their dues up to the day of termination of service.

Now, as to the claim for wages, for the period of unemployment, the workmen are not entitled to it. They should remain satisfied with what they had already received, i.e., one month's notice pay from the Management. Further, the Management should not be saddled with any liability for payment of wages when the workmen admittedly did not render any service to the Management during this period, and when there is no evidence on record that they remained idle without any employment whatsoever. These workmen should report to the Company's Head Office, where they were last employed, for duty, during office hours, within 7 days from the date of the publication of this award. In default, the Company would be under no obligation, under this award, to reinstate them in service.

(5) Tiffin Allowance.

(6) Gratuity.

AWARD

Decisions

The reference was first made in respect of Messrs. Sahu Jain Ltd. of 11 Clive Row, Calcutta. This reference was dated 2nd June 1958. By an addendum No. 2798-I.R./IR/11L-154/57, dated 5th July 1958, four other companies were added, viz.:—

(i) Messrs. Rohtas Industries Ltd.,

(ii) Messrs. Shri Krishna Gyanodaya Sugar Ltd.,

(iii) Messrs. Bharat Collieries Ltd. and

(iv) Messrs. New Central Jute Mills Co. Ltd.

All of them are companies which are managed by Messrs. Sahu Jain Ltd. as Managing Agents and the offices of all these companies, including that of Messrs. Sahu Jain Ltd., are situated at 11 Clive Row, Calcutta-1. The companies, in their written statements, pleaded that the reference was bad in law, in view of the fact that no dispute for the consideration of the four added companies was ever raised by their respective workmen before the date of the reference. It is also stated in the written statement of all these companies that as Messrs. Sahu Jain is the Managing Agents of the other four companies mentioned above, these companies generally follow the same wage structure and other conditions of service as prevalent in Messrs. Sahu Jain Limited for their employees who are employed at 11 Clive Row, Calcutta-1. In view of these pleadings in the companies' written statements, the following additional issue is framed:—

Issue No. 7

Is the addition of four companies, viz., (i) Messrs. Rohtas Industries Ltd., (ii) Messrs. Sri Krishna Gyanodaya Sugar Mills Ltd., (iii) Messrs. Bharat Collieries Ltd. and (iv) Messrs. New Central Jute Mills Co. Ltd. by the addendum No. 2798-I.R./IR/11L-154/57, dated 5th July 1958, competent?

Issue No. 7: The learned Advocate for the Company argued at the time of the hearing of the case that the addition of the four companies by the addendum, dated 5th July 1958, has been incompetent in law, because these companies were not establishments of a similar nature between themselves or to Messrs. Sahu Jain Ltd. Messrs. Rohtas Industries Ltd. dealt with cement, papers, chemicals, sugar, etc., Messrs. Sri Krishna Gyanodaya Sugar Mills Ltd. dealt with Sugar, Messrs. Bharat Collieries Ltd. involved five collieries and Messrs. New Central Jute Mills Co. Ltd. was a mill manufacturing jute textiles. These details of the companies will be found from Ext. 4, a diary of 1956, published by Messrs. Sahu Jain Ltd. It is admitted by both sides that all these four companies are managed by Messrs. Sahu Jain Ltd. as Managing

Agents, and it is also admitted by both sides that Messrs. Sri Krishna Gyanadoya Sugar Mills Ltd. have no employees at 11 Clive Row, Calcutta-1, and the Union did not press for any adjudication in respect of this Company. This award shall not, therefore, affect Messrs. Sri Krishna Gyanadoya Sugar Mills Ltd., and the name of this Company shall be deemed to have been deleted from the present proceedings. In respect of the other three companies, viz., Messrs. Rohtas Industries Ltd., Messrs. Bharat Collieries Ltd. and Messrs. New Central Jute Mills Co. Ltd., it is the admitted case of both the sides that they maintain an office at 11 Clive Row, Calcutta, and these companies follow the same wage structure and other conditions of service in respect of these employees as are prevalent for the employees of Messrs. Sahu Jain Ltd. employed in its office at 11 Clive Row, Calcutta. There is, therefore, no doubt that the establishments of these three companies situated at 11 Clive Row, Calcutta, are of a similar nature between themselves and also to that of Messrs. Sahu Jain Ltd. situated at 11 Clive Row, Calcutta. That being so, section 10(5) of the Industrial Disputes Art authorises inclusion of the establishments of the three companies as mentioned in the addendum No. 2798-I.R./IR/11L-1954/57, dated 5th July 1958, when making the reference of the dispute between Messrs. Sahu Jain Ltd. and its employees in respect of the issues mentioned in the order of reference, if the appropriate Government is of opinion that these establishments which are of a similar nature, are likely to be interested in, or affected by, the dispute between Messrs. Sahu Jain Ltd. and their employees. The charter of demands, Ext. 3, was submitted by the Union for all the employees under the Managing Agency of Messrs. Sahu Jain Ltd. and its associate firms within the State of West Bengal. There can be no doubt that in these circumstances, the inclusion of the added companies by addendum No. 2798-I.R./IR/11L-154/57, dated 5th July 1958, in the order of reference has been competent, in view of the section 10(5) of the Industrial Disputes Act.

This issue is accordingly answered.

Issue Nos. 1 and 2: The Union, in its written statement, states that Messrs. Sahu Jain Ltd. and Messrs. New Central Jute Mills Co. Ltd. have their registered offices at 11 Clive Row, Calcutta, and the other companies have at the said premises their principal offices wherefrom the business of the concerns are directed and carried on. Messrs. Sahu Jain Ltd., along with its aforesaid associate companies, hold a unique position in the industrial world carrying on business in the Dalhousie Square area of Calcutta. It is stated that terms of employment and other conditions of service of these workmen of these companies are inferior to those prevailing in the other reputed mercantile concerns in Dalhousie Square area. The workmen submitted a charter of demands on 22nd January 1958 to Messrs. Sahu Jain Ltd. for themselves, as also as the Managing Agents of the various associate companies. During the conciliation proceedings, the Management of the abovenamed companies wanted to discuss with the Union on the issues involved. Such discussions took place in March 1958 and the Union furnished them with figures of emoluments and facilities enjoyed by the workmen of other commercial establishments of similar repute. Thereafter, the Management failed and neglected to take any action in the matter and the dispute has been referred to the Tribunal. The Union prays for an award directing the companies to introduce from 1958, the following wage scales:—

(i) Assistants—Rs. 300—25—600.

(ii) Senior Clerks and Stenographers—Rs. 180—10—200—15—380—20—400.

(iii) Telephone Operators and Comptists—Rs. 110—8—150—10—200—12½—250—15—285.

(iv) Junior Clerks and Typists—Rs. 85—8—125—10—195—15—285.

(v) Draughtsman—Rs. 150—10—200—12½—250—15—400.

(vi) Chemist—Rs. 200—15—380—20—400.

(vii) Drivers and Head Jamadars—Rs. 80—3—110—4—150.

(viii) Bearers, Peons, Liftmen, Duftry, Durwans and Khansamas—Rs. 50—2½—60—3—90.

(ix) Sweepers—Rs. 40—2—50—2½—60.

The Union also claims for an award directing the companies to pay a dearness allowance to the workmen according to the Bengal Chamber of Commerce scheme of dearness allowance. In the charter of demands, this claim is mentioned as follows:—

130 per cent. for the first Rs. 100.

65 per cent. for the second Rs. 100.

30 per cent. for the remainder.

Maximum payable—Rs. 225.

Minimum payable—Rs. 60.

The companies, in their written statements, state on these issues as follows:—

It is true that a conciliation proceeding was started and direct negotiations with the Union were also followed, but owing to the unhelpful attitude of the representative of the workmen in insisting upon implementation of the Bengal Chamber of Commerce rates, no amicable settlement could be arrived at. The Company was, however, willing to consider the cases of the lower paid subordinate staff. While the matter was still under the scrutiny of the Company, the dispute was referred to the Tribunal, giving no opportunity to the Company to finalise the same.

The Company pays dearness allowance as follows:—

80 per cent. on the first Rs. 100.

50 per cent. on the second Rs. 100.

25 per cent. on the third Rs. 100.

This scale of dearness allowance is practically based upon the Indian Chamber of Commerce scheme, and the Company submits that the same is fair and proper, requiring no revision at all.

Evidence was adduced by both parties. P.W. 1 Shri Nihar Chatterjee, Secretary of the Sahu Jain Employees' Union, deposed for the Union. Documents Ext. 1 to Ext. 4 were marked for the Union. O.P.W. 1 Shri G. K. Jain, Personnel Officer of Messrs. Sahu Jain Ltd., was examined for the companies. Documents Ext. A to Ext. G(3) were marked for the Company.

The existing basic pay scales of pay will appear from Ext. 3(a). They are as follows:—

In-Charges—Rs. 200—20—400.

Assistants—Rs. 125—12½—250.

Stenographers, Comptists and Draughtsman—Rs. 100—10—200.

Jnior Clerks and Typists—Rs. 80—8—160. Rs. 65—6½—130. Rs. 50—5—100.

Subordinate staff—Fixed salaries ranging from Rs. 26 in the case of Cooly to Rs. 42 in the case of a Cook or Durwan, and Rs. 84 in the case of a Driver.

It appears from Exts. A series and Exts. B series filed by the Company that employees including Stenographers are employed in various scales, as mentioned in Ext. 3(a) and stated above. As for example, Ext. B(1) shows that in Messrs. Sahu Jain Ltd., Stenographers are appointed in all the three scales starting from Rs. 100 or Rs. 80 or Rs. 65 per month, as mentioned above, according to the efficiency of the incumbent and the requirements of the Company. The question is if these scales require modification and reconstruction into the scales as claimed by the Union in the charter of demands, Ext. 3, and also in its written statement. These basic scales of salary should be considered in the context of the dearness allowance available to the workmen, which are at 80 per cent. for the first Rs. 100, 50 per cent. for the second Rs. 100 and 25 per cent. for the third Rs. 100. The Union filed a statement showing the basic scales of wages of some mercantile establishments in the Dalhousie Square area and for two of the Oil Companies, viz., Burmah-Shell and Caltex. The financial capacity of the petrol products distributing companies operating in West Bengal are recognised as the highest of all mercantile firms and they cannot be taken as models while considering the wage scales for employees in other concerns and this fact has been recognised by Tribunals sitting as wage fixing machinery. In the case of Messrs. Karamchand Thappar and Bros. vs. their clerical and other employees (1953 L.A.C., 1952, at page 165), the learned Judges fixed the lowest grade of clerks at Rs. 70—3—85—4—105—E.B.—5—170 and the next grade at Rs. 70—4—90—5—110—E.B.—7—215. The scales of salaries mentioned in the statement, Ext. 2, filed by the Union, are much higher than these scales for Messrs. Karamchand Thappar and Bros. As stated above, these companies include two oil distributing companies and, again, the genuineness of this statement was rightly doubted by the learned Advocate for the Company. P.W. 1 stated that these statements were obtained from the Unions of the respective companies. The Union officials who supplied these scales of salaries have not been examined before the Tribunal. It is, therefore, difficult to accept the statement in Ext. 2 without a proper enquiry. The Mercantile Tribunal in 1949 fixed the wage scales of employees of more than 200 mercantile firms in Calcutta, who are members of the Bengal Chamber of Commerce, virtually on the same basis and on the model of the award of the Bengal Chamber of Commerce case. This award shows the grade scales of the clerical staff fixed as follows:—

Special Grade: Rs. 260 and upwards.

Grade A: Rs. 160—10—260.

Grade B: Rs. 110—7—180.

Grade C: Rs. 70—4—134.

Grade D: Rs. 70—3—130.

Typists: Rs. 80—8—160—E.B.—10—260.

The scales fixed by the Hon'ble Labour Appellate Tribunal of India for Messrs. Karamchand Thappar & Bros. in their award, published in 1953 L.A.C., 152, do not appear to suffer by comparison with the scales allowed by the Major Mercantile Tribunal for the clerical staff of the Bengal Chamber of Commerce. The scales of salaries awarded by the present Company are as follows:—

In-Charges—Rs. 200—20—400.

Assistants—Rs. 125—12½—250.

Stenographers, Comptists and Draughtsman—Rs. 100—10—200.

Junior Clerks, Typists and Stenographers—Rs. 80—8—160 and Rs. 65—6½—130.

Junior Clerks and Typists—Rs. 50—5—100.

It will appear from the scales of basic salaries allowed by the present Company that except the lowest scale of Rs. 50—5—100, all the other scales of salaries are almost as good as the scales of salaries fixed by Messrs. Karamchand Thappar & Bros., or for the Bengal Chamber of Commerce mentioned above. In the scales offered by this Company, the quantum of annual increment is a little better than that for the corresponding scale for the Bengal Chamber of Commerce, or for Messrs. Karamchand Thappar & Bros. The dearness allowance as fixed by the Hon'ble Labour Appellate Tribunal for Messrs. Karamchand Thappar & Bros. appears to be 60 per cent. for the first Rs. 100 of the basic wages, and 30 per cent. on the second Rs. 100 and 15 per cent. on the rest. The dearness allowance offered by this Company, being 80 per cent. for the first Rs. 100, 50 per cent. for the second Rs. 100 and 25 per cent. for the third Rs. 100 will offer a much better advantage to the employees than that allowed by the Hon'ble Labour Appellate Tribunal in the case of Messrs. Karamchand Thappar & Bros. O.P.W. 1 Shri G. K. Jain states in his evidence that Messrs. Karamchand Thappar is a Company which he considers to be almost similar to that of Messrs. Sahu Jain Ltd.

The Company filed Exts. G to G(3) being the last balance-sheets of Messrs. Rohtas Industries Ltd., Messrs. New Central Jute Mills Co. Ltd. and Messrs. Bharat Collieries Ltd. and Messrs. Sahu Jain Ltd. Exhibit G for Messrs. Rohtas Industries Ltd. represents the balance-sheet for 17 months ended 31st March 1958, Ext. G(1) for New Central Jute Mills Co. Ltd. is the balance-sheet for 15 months ended 31st March 1958, Exhibit G(2) for Messrs. Bharat Collieries Ltd. shows the balance-sheet for the year ended 30th June 1957 and Ext. G(3) for Messrs. Sahu Jain Ltd. shows the balance-sheet for the year ended 31st August 1957. All these companies show profits, the largest profit having been earned by the Rohtas Industries Ltd. All the companies also show substantial amount of loans. In the case of Messrs. Rohtas Industries Ltd., the profit is Rs. 199 lakhs for 17 months, but the borrowings amount to about Rs. 7 crores, and the dividend of 20 per cent. for the 17 months' period works out to 14 per cent. on an annual basis. In the case of Messrs. New Central Jute Mills, the profit for 15 months was Rs. 47.88 lakhs. The borrowings amount to about Rs. 3 crores and the Company had to pay Rs. 17.61 lakhs as interest for the year in question. Messrs. Bharat Collieries Ltd. earned a profit of Rs. 11.80 lakhs and after payment of salaries and wages, etc., as per award of the Hon'ble Labour Appellate Tribunal, the resulting profit was only Rs. 5.75 lakhs. After providing for depreciation and Wealth Tax, the profit was only Rs. 1.64 lakhs and it had to draw Rs. 2.75 lakhs out of its reserve fund to pay a dividend of 6 per cent. on ordinary shares. Messrs. Sahu Jain Ltd. suffered a loss of Rs. 5.55 lakhs in the year in question, but the profit and loss account for the year includes only a small portion of the managing agency commission receivable. Therefore, it cannot be taken that it has really suffered a loss. It also appears that the Company has advanced large amounts to the managed companies.

Considering all the circumstances, it appears to me that the companies are financially sound, though not extraordinarily prosperous, as was sought to be suggested by the learned Advocate for the Union. Giving my most anxious consideration to the question of basic wage scale of the employees

of this Company, I find that a major alteration in the scales of salaries of the clerical staff of this Company is uncalled for. I shall, however, make slight alterations in the scales and abolish altogether the lowest scales of Rs. 50-5—100.

In the case of Messrs. Burn & Co., reported in 1956 L.A.C., 799, the Hon'ble Supreme Court made Rs. 65 as the starting salary of junior clerks and typists. I, therefore, consider that notwithstanding the starting salary of Rs. 70 fixed by the Hon'ble Labour Appellate Tribunal in the case of Messrs. Karamchand Thappar & Bros. starting salary of Rs. 65 for a clerk or a typist is quite justified for the employees of the present Company, specially in view of the fact that the annual increment is Rs. 6½ in the scale starting with Rs. 65 which will be awarded as the lowest scale for this Company by this award. This lowest scale shall also be extended up to Rs. 170 to provide for relief for the employees in the lowest scale. The maxima of the other scales shall be extended by two increments. I award the scales as follows:—

In-charges: Rs. 200—20—440.

Assistants: Rs. 125—12½—275.

Stenographers, Comptists and Draughtsman: Rs. 100—10—220.

Stenographers, Clerks and Typists: Rs. 80—8—176.

Junior Clerks: Rs. 65—6½—130—E.B.—8—170.

The employees who are on the lowest scale of Rs. 50—5—100 shall be fitted into the corresponding stage in the scale starting with Rs. 65 after giving them an increment of Rs. 5. If there is no corresponding stage, they shall be fixed at the next higher stage. This fitting will not, however, affect the normal increments that they are entitled to in the next annivarsary of their increments. In the same way, every employee in the other grade scales shall be given one increment in their scale without disturbing the next increment that is due to them in the normal course of their service. An employee who will be considered fit to carry on his work, should be normally allowed to cross the efficiency bar. Detention at the efficiency bar will always be considered as a punishment to be awarded after giving the employee a chance to explain his impugned conduct.

The subordinate staff, as has been mentioned above, have no fixed scales of salary. The following grade scales are fixed for them:—

Rs. 30—1—40—E.B.—1—50.

This is the scale which was fixed for many of the mercantile firms in the Dalhousie Square area in respect of their subordinate staff by the Major Mercantile Tribunal. It cannot be doubted that this is a very satisfactory scale. All the subordinate staff shall be given an increment of Re. 1 and fitted into the scale as mentioned above. They shall get the same scale of dearness allowance as mentioned above, but shall have a minimum D.A. of Rs. 35.

The Driver and the Electric Mistri get a minimum basic pay of more than Rs. 80 per month. They shall have an increase of Rs. 5 in their salary. I do not fix any incremental scale for the Driver or the Electric Mistri, as their number appears to be very small.

The dearness allowance for all the employees shall be as it exists in the Company, viz., at 80 per cent. for the first Rs. 100, 50 per cent. for the second Rs. 100 and 25 per cent. for the third Rs. 100, but subject to a minimum of Rs. 35 per month.

These issues are accordingly answered.

Issue No. 3: The Union claims for an award directing the Companies to pay for overtime work on a working day at one and one half times the ordinary rate of basic salary and for overtime work on Sundays and holidays at double the ordinary rate of overtime paid on working days.

The companies state that the question of payment of overtime allowance for work done over and above the normal period of work is fixed. According to the existing practice, the workmen are required to complete their work entrusted to them in course of the day. Normally the office opens for the day's work at 9-30 a.m. and closes at 5 p.m. on the week days and at 1-30 p.m. on Saturdays. But it is understood that if the exigencies of business would require, the clerks should stay a few hours more to complete work. The question of payment of overtime does not and cannot arise, inasmuch as the condition of the service is to complete the work of the Company in the course of the day. If the workers demand fixing of the rate of the overtime allowance, the Company submits that the normal working hours should be fixed, and that should not be less than 48 hours per week. If the workers are willing to fix 48 hours per week, the companies would be ready to consider the payment of overtime for the work done beyond 48 hours.

The normal working hours in the week is 39 hours. The learned Advocate for the Company stated that under section 10 of the Bengal Shops and Establishments Act, 1940, a worker may be made to work for 10 hours in any day. Section 10, however, does not apply to a commercial establishment, but applies only to establishments for public entertainment or amusement. Section 7 lays down the hours of work for an establishment. The Act does not prescribe any hours of work for a commercial establishment. Section 13 prescribes wages for overtime work for a person employed in a shop or establishment for public entertainment or amusement. There is no provision in the Act for wages for overtime work in a commercial establishment, which the present employers are.

It appears from Ext. C that the clerical staff is paid proportionate wage on the basis of hours worked on holidays and Sundays. The subordinate staff are paid proportionate wage on the basis of hours worked on holidays and Sundays and also some payments by way of *jalpan* on week days and Saturdays when they stay for some time after the conclusion of the office hours.

Considering all the circumstances, it is awarded as follows:

Rate of payment for extra work to clerical staff

They shall work without allowance for half an hour more after the conclusion of the office hours on any day, if the exigencies of service requires their presence for such time. If they have to stay for more than half an hour, they shall get overtime payment at 1¼ times their wage including dearness allowance on the basis of hours worked. Any broken period for more than half an hour, shall count as one hour. For work on holidays and Sundays, they shall get overtime payment at the same rate as mentioned above.

Rate of payment for extra work for the subordinate staff

The subordinate staff shall continue to receive *jalpan* allowance at varying rates, but each of the present rates shall be increased by 25 nP. For work on Sundays and holidays, they shall get 1¼ times their wages on the basis of hours worked. Cooks and kitchen bearers shall get the same rate for going to bungalow as they are getting now.

Issue No. 4: The Union prays for an award directing the abovenamed companies to allow the following leave:—

(i) Privilege leave—30 days per year with full pay cumulative up to 90 days.

(ii) Casual leave—14 days per year with full pay non-cumulative, and not to exceed 3 days at a time.

(iii) Sick leave—30 days per year cumulative up to 90 days with full pay, after exhaustion of the accumulated leave, further 60 days with half pay, and thereafter without pay for three years.

The companies state in their written statements that they are already granting leave much in excess of what is provided in the Shops and Establishments Act. There is no reason to alter the existing facilities provided to the workmen.

Exhibit E shows the leave facilities granted by the companies. It shows that privilege leave is allowed at the rate of one month of each completed year of service. The learned Advocate for the Union stated this privilege leave was cumulative for three years, and he admitted that there was no dispute in regard to privilege leave. It appears that the companies allow 6 days' casual leave and 6 days' sick leave with pay in a calendar year. Section 12 of the Shops and Establishments Act provide that a person employed in a commercial establishment shall be entitled after every 12 months' continuous employment to privilege leave with full pay for 14 days, which will be cumulative up to 28 days, to sick leave on half pay for 14 days on medical certificate cumulative up to 56 days and casual leave on full pay for 10 days non-cumulative. It, therefore, appears that the companies are allowing much more privilege leave than are provided for by the Bengal Shops and Establishments Act, 1940. Six days' sick leave on full pay may be taken to be an equivalent to 12 days' sick leave on half pay. Considering the provisions of the Shops and Establishments Act and other circumstances on record, it is awarded that the companies shall allow 10 days' casual leave on full pay in a year non-cumulative. The companies shall also allow 7 days' sick leave on full pay in the year on medical certificate obtained from a registered medical practitioner.

This issue is accordingly answered.

Issue No. 5: The Union claims that the Tribunal should direct the companies to pay a tiffin subsidy at 12 annas per head per day to the canteen, who will supply tiffin to the staff free. This claim is opposed by the companies in their written statements.

On a consideration of the matter, it appears to me that a tiffin allowance of the kind as claimed by the Union cannot be saddled by the Tribunal on the companies. It is, however, awarded that the companies should allow a cup of tea every day to all the employees at lunch time free of cost.

This issue is accordingly answered.

Issue No. 6: The Union, in its written statement, claims for an award directing the companies to pay retiral gratuity in the following manner:—

(i) One month's gross salary on the basis of wages last drawn for each completed year of service in case of employees with 10 years of service and over.

(ii) Fifteen days' gross salary on the basis of wages last drawn for each completed year of service in case of employees with service up to 10 years.

The companies state that they have established a provident fund for the workers as a retiral benefit. They opposed this demand of an additional retiral benefit in the form of gratuity over and above provident fund.

The learned Advocate for the Union pressed the claim for this additional retiral benefit on the ground that the companies are very prosperous and could afford such an extra retiral benefit in view of their financial capacity. The companies allow provident fund as mentioned in Ext. F Provident fund contribution is 8 1/3 per cent. of the basic wage in Messrs. Sahu Jain Ltd. and Messrs. Rohtas Industries Ltd. and 6¼ per cent. of the total wage in the New Central Jute Mills Ltd. and Bharat Collieries Ltd. The learned Advocate for the companies opposed the claim for introduction of gratuity as an additional retiral benefit, in view of the fact that the financial condition of the companies does not justify the introduction of a scheme of gratuity for the workmen and it was also pressed before me that if any gratuity schemes for the small number of office workers at 11 Clive Row, Calcutta, were allowed by this Tribunal, there would be similar demand for introduction of gratuity for the enormously large number of workers in the factories of these companies, which would be beyond the capacity of these industries to pay and will create industrial disputes where there was none. It has been laid down by the Hon'ble Labour Appellate Tribunal of India in the case of Arthur Butler & Co., reported in 1952 (II) L.L.J., 29, "before a scheme for gratuity can be sanctioned, the financial condition of the Company must be considered in its broad aspect, and that its profit-earning capacity, the profits earned in the past, its reserves and the possibility of replenishing the reserves, if occasion arises, and the claims of capital to a fair share of the profits in the shape of dividend, having regard to the risk of investment, must be considered as material factors, and that the general financial stability of the concern must be taken into consideration before a long-term scheme, like a scheme for gratuity is sanctioned". This view has been approved by the same Tribunal in the case of Boots Pure Drug Co., reported in 1956 L.A.C., at page 76.

The financial position of the companies has been discussed above in issue Nos. 1 and 2. The companies are earning profits, but they are carrying heavy loads of secured and unsecured loans. The basic wages have been increased by this award. Other amenities by way of overtime allowance and leave facilities have also been revised. As it is, it appears to me that the financial condition of the companies considered in this particular aspect is such that a long-term burden in the form of gratuity over and above the existing provident fund should not be saddled upon the companies. That being so, the claim for an additional retiral benefit in the form of gratuity, as made by the Union, is rejected.

This issue is accordingly answered.

Judge, First Industrial Tribunal.

The 16th February 1959.

And whereas the said Fifth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Indian Iron & Steel Co., Ltd., and the Indian Standard Wagon Co., Ltd., Burnpur, Asansol, and their workers mentioned in the lists 'A' and 'B' (given in the Appendix) attached to the order of reference, represented by Burn Mazdoor Union, 59B Chowringhee Road, Calcutta-20.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI G. PALIT, *Judge, Fifth Industrial Tribunal.*

Present for the Company: Shri S. C. Sen, Advocate of Messrs. Orr Dignam & Co., solicitors, instructed by Shri S. K. Kanwar, Senior Personnel Officer of the Companies.

Present for the Union: Shri D. L. Sen Gupta, Advocate and Shri Madan Mohan Saha, Advocate, instructed by Shri Chandra Sekhar Mukherji, Secretary of the Union.

By Government order No. 541Dis./D/10L-26(A)/54, dated the 8th February 1955, the aforesaid dispute was referred to the Fifth Industrial Tribunal, presided over by me, for adjudication, under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947). The said Fifth Industrial Tribunal was constituted under Government notification No. 3581Lab., dated the 9th June 1951.

2. The reference was received here on 14th February 1955. After usual notices the Union filed written statement on 27th April 1955. The Company filed written statement on 5th July 1955. Thereafter the case was stayed at the instance of the parties pending decision by the Hon'ble Supreme Court in a connected matter. The prayer for interim relief by the Union was rejected on 14th August 1957. Ultimately the case was taken up for hearing on 10th December 1958, and it continued till 18th December 1958 when the evidence was concluded. The argument was heard on 14th January 1959 and 15th January 1959, and the award was reserved.

3. The only issue which arose for adjudication under the Government order of reference is as follows:—

Whether the discharge of the workers mentioned in the lists 'A' and 'B' attached herewith is justified? To what relief are the workers entitled? (The two lists in question have been reproduced in the Appendix to this award.)

During the hearing, out of the lists 'A' and 'B', the cases of the following persons were only pressed for adjudication. The other persons were either taken in employment or did not move for relief:—

In the List 'A'.—(1) S. N. Chatterjee, (2) Vikhan, (3) J. Buch, (4) Iswari, (5) Larick, (6) Ali Hossain, (7) Jagannath Prosad, (8) Lala, (9) Ganesh, (10) Maugroo Bhagat, (11) Ghora and (12) Nanghai.

In the List 'B'.—(1) Sarafin, (2) Juman Mia, (3) Magar Singh, (4) Ramsurat Dubay, (5) Ahadi Bepari, (6) Raghunath Singh, (7) Mohammad Abdul and (8) Abani Banerji.

AWARD

4. I take up the cases of workmen in the two lists one after another. First I take up the cases of workmen of the Indian Iron & Steel, Co., Ltd., in the list 'A'.

List 'A' (1) S. N. Chatterji, T. No. 221/371.—Rolling Mills: He was hauled up under two charge-sheets as per the Exts. C3, dated the 21st March 1953 and C4, dated 23rd March 1953. Under the first charge-sheet he was found not doing his work in the shear cabin at 8 a.m. on 21st March 1953. This resulted in jamming on the rack. The foreman had to cut two bars at a time for this. Again he was found absent at about 11-20 a.m. There were two bars waiting on the rack which had to be cut together with the first saw. Shri R. C. Das, the saw-man, complained to the foreman against him. Again he left the cabin at about 11-38 a.m. while one bar was being cut. There being no man in the cabin to control the next bar delivered by the mill behind it, this bar hit the bar on the process of being cut and caused the saw blade to be smashed eventually resulting in the breakage of the saw machine.

By the second charge-sheet he was hauled up for having absconded from duty from 12-30 p.m. on 23rd March 1953. His first explanation is given on the body of the charge-sheet. He says that he left for drinking water. Before leaving the shear cabin he had asked A. K. Chatterjee, the relieving hand, to work in his place. Regarding his leaving the shear cabin at 11-20 a.m. his defence is that he was going out on leave from Monday following, and that he went to take payment before 1 p.m. He requested the foreman to spare him. On the third occasion he left the cabin and requested H. L. Chatterji to work in his place for a few minutes. On return he found the machine already broken. Regarding the second charge his defence is that he was very much depressed by the incident of the 21st March 1953, and was afraid of losing his job. He was so mentally worried that he left the works without taking his leave payment.

Now, turning to the evidence on record, I find that this man was wanting in his sense of responsibility. On the 21st March he was found guilty in three specific instances. It appears that he was more eager to have his leave payment than to look after the job in his hand. To ask anybody to look after his job in his absence does not absolve one from the responsibility in respect of the said job undertaken by him. He should have asked for permission of the foreman if he wanted to leave, so that the work might be entrusted to some other man by the foreman. In case of a machine in operation, to leave the machine unattended by anybody entails serious consequences. That the machine was damaged was entirely due to his fault. The plea that he was mentally worried does not even extenuate his guilt in the least. So I think that the Company was justified in dismissing him as it did.

(2) Nanghai, T. No. 192 257: The charge against him is as per the Ext. D. He is said to have been found asleep on an iron sheet by the side of BK Line under a 'sishu' tree on 16th February 1954 at 1-30 hours by one Answari. He was awakened by the crane-fireman Ramprosad in presence of one Ibrahim and two others, namely, Sahidan and Rafique. His defence is that on the night of the occurrence as he came down from the crane, Ibrahim gave him a snubbing telling that he had been sleeping. Answari and his party told him to pay them Rs. 3 for sweetmeat under a threat of a charge-sheet against him. He paid them Rs. 3 out of fear. They ate the sweetmeats but reported falsely. There was an enquiry into the matter by Mr. Dow on 1st March 1954. He was found guilty and the charge was established against him. His defence seems to be palpably absurd. If he had fed Answari and his party with sweets to avoid a got-up charge against him, why should they haul him up in spite of that in return? In case of his refusal in feeding them with sweets demanded by them, there might be some sense in the story. Such a story of giving sweets to purchase exoneration from a got-up charge could not impress me. No enmity has been alleged against Answari and the other persons concerned. Ramprosad, the crane fireman woke him up, and Rafique, the crane incharge, was also there. I can never persuade myself to believe that all these persons colluded against him and brought a false charge against him. In my opinion he was rightly found guilty and was rightly dismissed.

(3) Bhikan, T. No. 4816 M.E.: The charge-sheet against Bhikan is dated 17th October 1953. On 15th October 1953, according to the Company, due to his gross negligence by not attending to his duty at No. 2 Reservoir Pump House, the Steel Section overhead tank lost all the water, and if not given timely warning by a man from the Steel Section, considerable damage would have been done to the Melting Shop Furnaces. All the mills were brought to a stand still due to lack of water-supply. His explanation was given on the body of the charge-sheet. He submitted that at 12-15 p.m. he started checking machines Nos. 2, 3 and 4 as usual. At that time his helper was taking his meal. As he was noting a report after his checking, a Rigger of the Pump Section informed him that the Steel Section reservoir was running short of water. At once he attended there, and found the machine No. 3 out of order. He started the machine No. 4 first, and then the machine No. 3, when he found Pritham Singh with his men working at it. Mr. Gobia, O.P.W. 6, who is the mechanical engineer having 25 years' experience, says that Bhikan was a pump tindal. If any pump fails he is required to put it in order. He does not require doing any repair of the pump. He is required to start the pump or pumps. Mr. Gobia made enquiries about Bhikan's guilt. Reservoir tanks were there for storage of water. Lal Mahammad was in charge of seeing the water level in the over-head tank. He was given a charge-sheet and was discharged for his negligence. It is argued that both Lal Mahammad and Bhikan were held jointly liable for the going down of water level in the reservoir tank. The position is that Bhikan looked after the working of the pumps on the ground and Lal Mahammad was on the over-head to watch the water level in the overhead tank. There was a graph sketch to see the water pressure in the reservoir tank. Mr. Gobia admits that it was all the duty of Lal Mahammad to see the water pressure in the reservoir. If he found that the water level was not properly kept, he ought t have immediately informed the Pump Tindal. If the Pump Tindal is informed that the water level has dropped down, it would be then his duty to see that the pumps were working. In case of failure of any pump he should start another. Mr. Gobia says "The purpose of placing Lal

Mahammad there was to watch the water level and to see that it was properly maintained." So, from this it is clear that if anybody was responsible for the water level going down in the overhead reservoir tank meant for the steel section, then it was Lal Mohammad alone, or, at all events, it was primarily Lal Mahammad, and secondarily Bhikan. Bhikan could have been made liable if he had not been at his post, or if he did not start the pump in spite of receipt of information about the sinking of water level. But that is not even the case of the Company. The moment Md. Soleman came running and informed Bhikan, he tried to start the pump which had stopped. Mr. Gobia, to maintain the case of joint responsibility, says that Bhikan should have kept the pumps running for all hours. But he admits that the capacity of the reservoir was limited. So there would be an over-flow of water if the pumps were kept running all the time. Mr. Gobia says that there was a contrivance to let out the surplus water. But is that not an untenable position? Was the water required to be pumped up only to be wasted by an over-flow? So I think that the Company was not justified in dismissing Bhikan on the ground of this particular incident. It is admitted that such an incident did not happen before at any time. But because of negligence on the part of Lal Mahammad that it came to happen, and not of Bhikan. Bhikan could not be shown to have been negligent.

Considering the question of relief to be given to Bhikan, I award that the dismissal order by the Company against him should be set aside. I grant him no compensation for this period of unemployment because he ought to have noticed that the pump No. 3 was not working, and he could have gone out to see whether the water level was dropping down as a consequence. In short, he should have been more alert than what he was. Though it may be stretched to border on negligence, it is no negligence in itself or, at any rate, it is not such negligence which can be visited with the punishment of dismissal. So, for this contributory part only he is denied any compensation. His period of unemployment should be treated as leave without pay. He should be reinstated within one month of the award coming into operation.

(4) J. Buch (Jibach), T. No. 195/108: The charge-sheet against him is Ext. F. It is dated 16th December 1953. He was charged for having refused to carry out the order of his chargehand to work on the 'B' Foe. tap-hole in the A shift on 12th December 1953. He was also found instigating others to work slow. His defence, as given on the body of the charge-sheet, is that he was taken from the C shift to the B shift furnace tap-hole. He was given no order which could be said to have been refused by him. The question of instigating other people to go slow is not probable because at the relevant time production was going on in full swing.

Turning to the evidence, I find that Sukdeo, the shift-in-charge, O.P.W. 8, has deposed against him. He says "On 12th December 1953 I gave orders to J. Buch to do certain things. I asked him to cut the tap-hole. He asked the other five men who were working with him to work slowly. I asked him the reason for this. He said that he would not listen to me. I gave a report.....There was an enquiry held by Nihar Dutta". Nihar Dutta has not been examined. Neither has the enquiry proceeding been produced before me. The enquiry proceeding that has been placed and marked as Ext. F relates to a different charge-sheet, dated 8th January 1953. That cannot be invoked in the present case. It appears that at the relevant time J. Buch was working in the 'B' furnace tap-hole. So there is no question of his refusal to leave the C shift and to come to the 'B' tap-hole in the A shift. He had a grievance on the score that his

shift was changed before due time. But it appears that he obeyed the order. He definitely says that no order was given to him which could be said to have been not complied with by him. Sukdeo, O.P.W. 8, is vague on this point. None of the five co-workers who were said to have been instigated by J. Buch to go slow has been examined. So the charge has not been brought home to J. Buch. His past record of service might have been bad, but that cannot let him down unless he is found guilty of the present charge. What appears to have occurred is that J. Buch was removed from the C shift to the B shift furnace tap-hole in A shift a few days before the usual time. He seemed to have thought that his association with the Action Committee against the management must have accounted for this. So he was smarting under a sense of injustice. But he did not disobey. He with his co-workers might have gone slow in the matter of execution of the work in hand. But there is no evidence, let alone dependable evidence, that J. Buch persuaded his co-workers to go slow or that he had flouted any orders of the chargehand. So I set aside the order of dismissal against J. Buch. He must be reinstated within one month of the award coming into operation in his previous post or an equivalent post with identical pay and prospects. I grant him no back wages as compensation as he is found to be responsible to a certain extent for the punishment meted out to him. He is found not totally above criticism. This period of unemployment should be treated as leave without pay.

(5-8) Iswari (T. No. 51), Larick (T. No. 286), Jagannath Prosad (T. No. 2785) and Chora (T. No. 6600): These workmen were all taken into police custody from the factory in question. From the jail custody they addressed applications to the Company praying for leave till their release. But the Company, acting under clause 9 of the Standing Orders, dismissed them on the ground of absence for 14 consecutive days. They were dismissed on different dates. The Hon'ble Supreme Court of India in its decision in the case of Indian Iron and Steel Company Ltd., and another, and their workmen, reported in the L.L.J. March, 1958, at page 260 (relevant page 268) in pursuance of another decision of the said Court in the case of Messrs. Burn & Co., Calcutta, and their employees, reported in 1957 L.L.J., Vol. I, page 226, held that in such cases the matter of granting leave or its refusal should be left to the discretion of the employer. That will be in the interest of harmony between labour and capital, and also in the interest of normal flow of production. But if the workmen are arrested at the instance of the Company for the purpose of victimisation and in order to get rid of them on the ostensible pretext of continued absence, the position will be different. It will then be a colourable or *mala-fide* exercise of power under the relevant Standing Order. In view of this decision, unless it can be established that the Company was guilty of *mala fides*, the dismissal order passed under the Standing Order No. 9 cannot be disturbed. But in this case there is no evidence to show that it was the Company who had caused arrests of these workmen, and that just to get rid of them it applied the aforesaid Standing Order. In the original case before this Tribunal relating to the present Companies and their workmen out of which the aforesaid decision of the Hon'ble Supreme Court was given in appeal, it was held by this Tribunal that leave to the credit of such workmen taken into police custody should first of all be allowed to exhaust itself before dismissal when the arrest was to the knowledge of the companies concerned. After that, leave might have been refused by the employer because leave cannot be claimed as a matter of right. But when there is a mass arrest of workers, as in this case, the Company, to ensure production, must discharge the absent employees and appoint substitutes in their places. Though in this case there is no evidence that substitutes

were taken in the vacancies caused by their absence, still in the absence of *mala fides* on the part of the Company I refrain from disturbing the said order of dismissal in respect of this group of four workmen. So their dismissal is upheld.

(9) Ali Hossain, T. No. 554: It is his contention that on 1st October 1953 he offered to join his duty after the lock-out was lifted. But he was not taken by the Company. About one month after that he had a fracture in his knee, and he wanted leave He was asked to put in an application for the purpose. He did that. He got himself admitted in the Hospital. Later on he was discharged from the service. From the correspondence, Ext. G series, it appears that the Company waited for him, and even wrote to him on the 22nd February 1954 asking him to join on the 4th March following. On that date he was asked to report to the Chief Medical Officer. Exhibit G1 shows that he was in the Bankura Medical School Hospital, and the doctor there advised him rest for one month more. The Company as per the Ext. G2 gave out definitely that the job could not be kept vacant for an indefinite period. However, another 14 days' extension was given to his leave with the direction to report to the Chief Medical Officer of the Company meanwhile. But Ali Hossain did neither report to the Chief Medical Officer nor did report himself for duty. So the Company discharged him. So, on the evidence on record I find no *mala fides* on the part of the Company in discharging Ali Hossain from service. In the circumstances I uphold the order of discharge passed by the Company in respect of Ali Hossain and decline to interfere with this decision of the management.

(10) Lala, T. No. 195/48: He was given a charge-sheet on 5th December 1953 as per the Ext. H to show cause why he had assaulted another bricklayer Rameswar by name in the Bottom House at about 9-30 p.m. on 3rd December 1953 in presence of the chargehand. His defence is that the chargehand compelled him to work with Rameswar who was addicted to drinking. He found Rameswar to have fitted one bring-ring loose. When Rameswar was called by the chargehand, he abused Lala, and he (Lala) gave Rameswar a push. The Company held an enquiry and found that Lala was guilty of assulting his co-worker without provocation. He was discharged on 11th December 1953. Lala tendered an apology and gave assurance of good behaviour in future on 24th December 1953 which was, however, not accepted by the management.

On the evidence on record I find that there was no *mala fides* on the part of the management. It was a disciplinary action which the management could take in the circumstances revealed. So I puhold the dismissal order of the Company against Lala.

(11) Ganesh, T. No. 7780: Exhibit I(5) is the charge-sheet against him. He was hauled up for having slept while on duty in the south yard Iron Section at about 1-45 a.m. on 7th November 1953. He was awakened by Shri Dubey, the yard foreman. He was also charged for having been insolent and insubordinate to Shri Dubey when the latter asked him to put water to the ash wagon. He refused to carry out that order and said "আজকাল তুম লোগ বহুৎ জুলুম করতে হ্যায়"। When the wagon examiner Harimohan took exception to such behaviour, he was also abused and threatened. There was an enquiry held by the Company and Ganesh was found guilty. He confessed that he was guilty, and wanted to be excused. So it is clear from the evidence that Ganesh was rightly found guilty by the management. Punishment that is meted out to him cannot be said to have been unmerited. There is no motive

other than a sense of discipline in this disciplinary action against Ganesh. I uphold the said dismissal order accordingly.

(12) Mangroo Bhakat, T. No. 242: He was an employee in the Watch and Ward Department, and he had put in 8 years' service there. He was on duty during the lock-out period in August 1953. Exhibit J1 is his discharge letter. It appears that he was on work up to the 11th September 1953. He was discharged for unauthorised absence for 14 consecutive days. Unless this was a fact there could be no reason why he would not be taken while everybody also in the department was admittedly taken back. It is more so because, having been present during the lock-out period he must have been in the good book of the management. So I am disposed to accept the Company's version that he was not taken because he was absent without permission for more than two weeks. I find absolutely no *mala fides* involved in the matter. So I uphold the order of dismissal against him by the Company and decline to interfere with the said decision.

List 'B' (Workers of the Indian Standard Wagon Co., Ltd.)—(1) Sarafin Francis, T. No. 2001, N.M.S.: The charge-sheet against him is Ext. K. That shows that the charge against him was that he was inciting the workers to resort to a general slow down in the Santa Works. That is, of course, denied in the reply given by him embodied in the charge-sheet. But during the enquiry he was confronted with a definite charge that on 14th August 1953 at 4-30 p.m. he asked the Steam Crane Driver Imanuddin to stop driving the wagon, as required under the orders of the Company. Shri P. Banerji, Mr. Bearder and Mr. Victor came to the spot, but could not persuade the driver to further drive the wagon in the face of prohibitory order of Mr. Sarafin Francis. Mr. Francis admits that he had been there. He says that he went there to answer the call of nature in the urinal near by. He denies having had any talk with the Steam Crane Driver. He admits that Shri Banerji was there and that he called him. But he refused to go to him, and left the place. The Personnal Officer who held the enquiry found that Mr. Sarafin Francis had no business there at the relevant time. That somebody asked the crane driver not to move is clear enough. He had brought a 'bogie' right up to the line from a distance. Then, why should he stop unless forbidden by somebody? The oral evidence against Mr. Francis is preponderating in this case. The enquiring officer rightly believed it, and came to the conclusion which is warranted by the facts. So I uphold the order of dismissal against Mr. Sarafin Francis.

(2) to (5) Magar Singh, T. No. 439/MAINT, Raghunath, T. No. 516/PRO(W), Mohammad Abdul, T. No. 441/MAINT, Abani Banerji, T. No. 887/PRO(W): The charge-sheet against Raghunath is Ext. L. There was an enquiry as per the Ext. L1. Though in the charge-sheet there was a general allegation, in the enquiry proceeding they were confronted with specific participation in an incident subversive of discipline. It is alleged that on 19th August 1953 at 1 p.m. some contractors' men were stacking materials in the yard. Raghunath and Abani came up and asked the contractors' men to stop stacking. Thereafter Md. Abdul came to the spot and asked the contractors' men why they were stacking materials in the face of his forbiddance in the morning. Bhuidhar and Badri remonstrated with these men. At this Magar Singh shouted "maro salako". During the enquiry Raghunath admitted that he had stopped the contractors' men from stacking materials in the yard. Abani admitted that he had been to the yard at the relevant time with Raghunath as he had no work at that time. Abani Banerji tried to shift the time of the incident to 9 a.m. Abdul admitted that he had asked Bhuidhar why he

was stacking materials when this was forbidden in the morning. He says that he had been there to carry plates meant for the manufacture of tipping tubs. But the evidence of Mr. Bearder shows that these plates had been removed long before that date. So, Magar Singh's version also likewise for being to the spot to remove plates for manufacture of tipping tubs cannot be believed. Magar Singh admits that Abdul and Badri were abusing each other. From this evidence one clear fact emerges that these men who had absolutely no business to have been there at that time had collected there. They were also interfering with the work of contractors' men and, as such, the Company's work was being disturbed. In such circumstances, the enquiring officer rightly found them guilty. The decision of the management against these persons appears to have been merited and deserved. I uphold the order of dismissal against them.

(6) Ramsurat Dubey, T. No. 363WLD: The charge-sheet against this man is Ext. M. He was hauled up for having incited the workmen to resort to a general slow down in the Santa Works. In his defence he has emphatically denied the charge and laid the blame on the Company's door. There was an enquiry as per the Ext. M1. In that enquiry Ramsurat was definitely charged for having stopped the Steam Crane Driver in pushing a wagon to the Panel Shop Line. When the wagon was being pushed, one Raghunandan stopped it. Shri Banerji tried to persuade the Steam Crane driver to push the wagon. At that time Ramsurat and F. C. Kar turned up and started abusing Shri Banerji. On the instruction of F. C. Kar and Ramsurat the Steam Crane driver took away the wagon. Ramsurat in his statement stated that he had never been to the yard on 13th August 1953. This has been totally falsified by the oral evidence of eye witnesses. Of course, F. C. Kar was reinstated because of vagueness of the charge against him. That was the order of this Tribunal in the previous case. But here I find that there is a specific charge against Ramsurat. The evidence brings the charge home to the accused. If he stopped the crane driver and abused Shri Banerji, an officer of the Company, who was asking the crane driver to drive his wagon, certainly Ramsurat cannot be absolved. His plea of alibi has fallen to the ground. So I uphold the order of dismissal passed by the management against Ramsurat Dubey.

(7) Anadi Bepari, T. No. 508/O: He is said to have been absent for more than 14 consecutive days without any permission. So under the Standing Order 9 he was discharged by the Company. In his evidence before me he says that he stood near the gate when the police tried to take him in. Being frightened he left. He also did not call on the Company for employment. Thus it is clear that for his absence he cannot blame anybody, but himself. In such circumstances, if the management invoked clause 9 of the Standing Orders against him, in the absence of any *mala fides* I cannot disturb the said order of the management. *Mala fides* on the part of the Company remains to be proved here. So I do not interfere with the order of dismissal against him.

(8) Suman Mia, T. No. 171/PSS-A: In his evidence before me he says that on the 2nd October 1953 when the Company lifted the lock-out, he offered for duty, but the Company did not take him. He had worked during the lock-out period. He, however, admits that he did not write to the Company why he was not taken. The Sahib asked him to put in an application, and he did so alleging illness of his wife. This is marked as Ext. J. It appears from the evidence that this man kept at his home for all the time, and it might be due to his wife's illness. He never offered himself for duty. He might have been under an impression that the Company would call him. So he was discharged when he did not turn up for

duty, under the Standing Orders of the Company. The management could not have harboured any ill feeling against him so as to chuck him out, particularly, when he had rendered service during the crisis period of lock-out. So there is no *bona fides* wanting in the present case on the part of the Company. If anybody was to be blamed for his discharge, it was he himself. So I do not disturb the said order of the management discharging Juman Mia from its service.

2. **Brief description of the scheme:—**

(i) Generation of electricity by building up a 375 kVA hydro-electric power station on the stream Laringkhola near Bijanbari in the district of Darjeeling. A small diversion weir shall be built across Laringkhola at an elevation of 3,540 ft. so as to divert the flow of the stream along a 5,800-ft. long, 2-ft. × 2-ft. galvanised steel water conductor to a R.C.C. reservoir at an elevation of 3,490 ft. The diversion of flow of the stream to the water conductor shall be about 4 cusecs which is the minimum dry period discharge of the stream. From the R.C.C. reservoir water will flow through a 3,400-ft. long pipe line and then flowing through the power house turbine (elevation : 2,651 ft.) will be discharged to the Laringkhola near its confluence with the river Little Ranjit.

(ii) Construction of a single circuit 6.6 kV transmission line from the proposed power station to Darjeeling and to Pulbazar *via* Bijanbari.

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. C. BANERJI, *District Judge (Retd.), Judge, First Industrial Tribunal.*

For the Association: Shri M. K. Menon himself, and Shri R. Bose, Secretary.

For the Company: Shri Sambhu Nath Mukherjee, Staff Accounts Clerk

INTERIM AWARD

This proceeding is based on an order of reference (No. 4060-I.R./IR/-10L-112/58, dated 25th September 1958), relating to an industrial dispute between Messrs. Krudd Industries Ltd., 22 Ferry Fund Road, Panihati, 24-Parganas, and their workmen represented by Krudd Industries Staff Association, 32/C Sankari Para Road, Calcutta-25, relating to issues specified in a schedule to the order of reference. The issues are as follows:—

Issues

(1) Is the denial of employment of Shri M. K. Menon justified? What relief by way of reinstatement and/or compensation is he entitled to?

(2) Is the retrenchment of the following workmen justified What relief by way of reinstatement and/or compensation are they entitled to?

(1) Shri Goroknath Gond.
(2) Shri Shyamchandra Upadhaya.
(3) Shri Jadunath Singh.
(4) Shri Kantilal Mehta.
(5) Shri K. S. Nair.
(6) Shri U. K. Nair.
(7) Shri Sarbanand Ojha.
(8) Shri Ranadhir Bose.
(9) Shri Kamal Bose.
(10) Shri P. M. Menon.
(11) Shri Golokvehari Polley.
(12) Shri P. K. Baral.
(13) Shri Murali Mandal.

Notices were issued on both parties, who filed written statements setting forth their respective cases.

The Association, in its written statement, claimed for restoration of job of Shri M. K. Menon with back wages, arrears, leave pay and compensation for loss and for defamation and for payment of relief to the extent of Rs. 14,843.75 nP., being the total of claims relating to various items for Shri M. K. Menon as mentioned in the written statement.

The Company, in its written statement, opposed the claim of the Association on all items and maintained that Shri M. K. Menon was not a workman. The Company also resisted the claim of reinstatement or grant of any relief to Shri M. K. Menon and also the claim of reinstatement of the 13 retrenched workmen.

On 5th December 1958 the Association filed a petition praying for interim relief for Shri M. K. Menon and claimed that the Company should pay Shri M. K. Menon a subsistence allowance of Rs. 200 per month with effect from 1st June 1958, subject to adjustment.

The Company filed a written objection on 28th January 1959 and opposed the claim for the interim relief as made by the Association on behalf of Shri M. K. Menon. It states that interim relief allowing wages or allowance should not be granted where there is risk of the money paid on the basis of interim award being not recoverable if the termination of service be upheld in the final award. The Company also referred to its written statement and stated that no interim relief should be granted, as prayed for.

Shri M. K. Menon himself pressed the application on behalf of the Association on the date of hearing. The Company was represented by Shri Sambhu Nath Mukherjee, an employee of the Company. Shri M. K. Menon referred to the case of Messrs. A. T. Deb Ltd., reported in 1956 L.A.C., 185, in support of his claim. In this case, the Hon'ble Labour Appellate Tribunal ruled that the grant of subsistence allowance is made only to enable the workmen to survive till the justifiability of his suspension is considered and decided upon as a matter of interim social justice, in view of the poverty of the workman. There is a jurisdiction in the Tribunal to make provision for subsistence on humanitarian grounds and the Tribunal cannot be confined to the four corners of the Standing Orders in cases of such emergency. It further states that interim award will be without jurisdiction only if relief granted under it is such as can under no circumstances be granted in the final award. It is clear that in this case the Hon'ble Tribunal considered the case of grant of subsistence allowance to a workman during the period of his suspension. This decision of the Hon'ble Labour Appellate Tribunal was made on 22nd December 1955.

The decision of the Hon'ble Labour Appellate Tribunal in the case of Jayasree Tea Gardens Ltd., reported in 1957 L.A.C., 199, however, lays down that ordinarily where the dispute relates to determination of service

of employees an interim award allowing them wages or emoluments should not be made especially when there is the risk of the money paid on the basis of the interim award being not recoverable, if the termination of the service be upheld in the final award, but special cases cannot be overlooked. This observation was made by the Hon'ble Labour Appellate Tribunal in the case of Punjab National Bank Ltd., reported in 1952(I) L.L.J., 791, and this observation was followed by the Hon'ble Tribunal in the case reported in 1957 L.A.C., 199, and the interim award made by the original Tribunal, directing the Management to pay the petitioner a lump sum of Rs. 225 and a monthly allowance of Rs. 75 was set aside, on the ground that it was unjustified and that there was no special case where any extraordinary relief by way of interim relief was open. This decision was made on 25th April 1956. The Hon'ble Labour Appellate Tribunal in another case decided on 20th February 1956, reported in 1957 L.A.C., 45 (the case of employers represented by Shertalai Coir Cottage Industries Association, Shertalai, Travancore-Cochin State) lays down that in a fit case an Industrial Tribunal has got power to grant relief by way of interim award, but such a power has to be sparingly exercised in really fit cases where the unavoidable delay in the proceedings would cause hardship to workmen and they have a *prima facie* case at least for some minimum interim relief The Hon'ble High Court of Kerala in the case of Burmah Shell Oil Storage and Distributing Co., reported in 1957 (II) L.L.J., 51, lays down that an interim relief, if any could be granted only if a *prima facie* case regarding the subject-matter of the dispute is made out.

Considering all these decisions as detailed above, it is clear that the present case is not one of suspension of a workman and the subsistence allowance as prayed for by the Association is not one payable during a period of suspension of a workman, as was the case reported in 1956 L.A.C., page 85. Shri M. K. Menon has been discharged by the Company and he wants reinstatement. His reinstatement is opposed by the Company on various grounds. No *prima facie* case also has been made out on behalf of Shri M. K. Menon to justify the claim that he is entitled to some minimum interim relief. There can be no doubt that if Shri Menon were allowed Rs. 200 per month with effect from June 1958 till the date of the award, and the termination of service be upheld in the final award, there is a risk of the money paid on the basis of the interim award being not recoverable from Shri Menon. I do not also find that there is a special case where an extraordinary relief by way of an interim relief was open That being so, the application of the Association for an interim relief of subsistence allowance of Rs. 200 per month for Shri M. K. Menon as made is rejected.

ORDER

No. 907-I.R./IR/4L-43/58.—9th March 1959.—Whereas under the Government of West Bengal, Labour Department, order No. 2099-I.R./IR/4L-13/58, dated the 27th May 1958, read with its corrigendum No. 2693-I.R./IR/4L-13/58, dated the 1st July 1958, the industrial dispute

between the Joint Steamer Companies, namely, Messrs. I. G. N. & Rly. Co. Ltd. and Messrs. R. S. N. Co. Ltd., 4 Fairlie Place, Calcutta-1, and two of their employees represented by the Inland Steam Navigation Workers' Union, 16/17 College Street, Calcutta-12, regarding the issue mentioned in the said order being a matter specified in the third schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Industrial Tribunal,

And whereas the said First Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between the Joint Steamer Companies, namely, Messrs I. G. N. & Rly. Co. Ltd. and Messrs. R. S. N. Co. Ltd., 4 Fairlie Place, Calcutta-1, and two of their employees represented by the Inland Steam Navigation Workers' Union, 16/17 College Street, Calcutta-12. (Case No. VIII-99/58.)

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. C. BANERJI, *District Judge (Retd.), Judge, First Industrial Tribunal.*

The Government of West Bengal, in the Department of Labour, by order No. 2099-I.R./IR/4L-13/58, dated 27th May 1958, referred, under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the industrial dispute between the Joint Steamer Companies, namely, Messrs. I. G. N. & Rly. Co. Ltd. and Messrs. R. S. N. Co. Ltd., 4 Fairlie Place, Calcutta-1. and two of their employees represented by the Inland Steam Navigation Workers' Union, 16/17 College Street, Calcutta-12, regarding the matters specified in the following issue to this Tribunal for adjudication.

Issue

Is the retrenchment of Shri Lal Mohan Chakravorty, Sub-Agent, Lalgola, and Shri Jnan Ranjan Bose, Sub-Agent Palashgachi, justified? To what relief are they entitled?

[The name of Shri Jnan Ranjan Bose was described as Jiban Ranjan Ghose. By a subsequent corrigendum No. 2693-I.R./IR/4L-13/58, dated 1st July 1958, it was directed that the name should be read as "Jnan Ranjan Bose" in place of "Jiban Ranjan Ghose".]

Notices were issued on both parties, who filed written statements setting forth their respective cases.

The issue that was framed for the decision of this case is the same as that mentioned in the order of reference and is as follows:—

Issue

Is the retrenchment of Shri Lal Mohan Chakravorty, Sub-Agent, Lalgola, and Shri Jnan Ranjan Bose, Sub-Agent, Palashgachi, justified? To what relief are they entitled?

On the date of hearing on 20th February 1959, the representatives of the employers as well as of the Union appeared and filed a joint petition stating that they have settled the dispute on the terms mentioned in the petition. The joint petition of compromise appears as Appendix A to this award. According to the terms of the Compromise petition in Appendix A, the Company will pay a sum of Rs. 2,837.62 nP. to Shri Lal Mohan Chakravorty and Rs. 1,976.77 nP. to Shri Jnan Ranjan Bose as per details shown in the petition. It is further stated that the two ex-employees will be kept in the Waiting List for future employment as and when occasion arises. On a perusal of the compromise petition in Appendix A, it appears to me that the terms are quite fair and reasonable. The compromise petition in Appendix A is accordingly accepted, and an award is made on the basis of its terms. The compromise petition in Appendix A shall form a part of this award.

I would, however, recommend that the cases of the two employees, Shri Lal Mohan Chakravorty and Shri Jnan Ranjan Bose should be given due preference by the Management in the event of any future recruitment of staff in the territory of West Bengal.

M. C. BANERJI,

Judge, First Industrial Tribunal.

The 25th February 1959.

No. 893-I.R./IR/11L-649/58.—9th March 1959.—Whereas under the Government of West Bengal, Labour Department, order No. 182-I.R./IR/11L-649/58, dated the 17th January 1959, the industrial dispute between Messrs. K. C. Dey & Sons, 161/1 Mahatma Gandhi Road, Calcutta-7,

and their workmen represented by Shop Assistants' Association of Bengal, 7 Padmapukar Road, Calcutta-20, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Second Labour Court;

ANNEXURE

In the matter of an industrial dispute existing between Messrs. K. C. Dey & Sons, 161/1 Mahatma Gandhi Road, Calcutta-7, and their workmen represented by Shop Assistants' Association of Bengal, 7 Padmapukur Road, Calcutta-20. (Case No. VIII-C-37/59.)

BEFORE THE SECOND LABOUR COURT, WEST BENGAL

PRESENT:

SHRI PROBODH CHANDRA MAITRA, M.A.B.L., *Presiding Officer, Second Labour Court.*

Government of West Bengal, Labour Department, by its order No. 182-I.R./IR/11L-649/58, dated Calcutta, the 17th January 1959, referred to me an industrial dispute existing between Messrs. K. C. Dey & Sons and their workmen represented by Shop Assistants' Association of Bengal, for adjudication.

Issue formulated in the order of reference is as follows:—

Whether the dismissal of Shri Hari Sadhan Adhikari is justified. To what relief is he entitled?

FINDINGS

Notices were thereupon issued on both the parties to appear on 17th Faburuary 1959 and the Union was further asked to submit their statement. On the day fixed for submitting their written statement the Union sent a letter praying for time to submit the same. The workman concerned Shri Hari Sadhan Adhikari appeared before me and he was identified by Advocate P. Majumder. The workman concerned submitted a petition stating that he does not want to proceed with the case and that he has no connexion with Shop Assistants' Association of Bengal nor he has paid any subscription for the same, and he prayed that the proceedings be dropped in the matter. It appears then that the workman concerned does not want to proceed with the case and he has no grievance against the employer concerned. In view of the fact that he has disowned his connexion with the Union, viz., Shop Assistants' Association of Bengal, his case becomes a case of individual dispute and. as such, does not come under the purview of the Industrial Disputes Act as has been held earlier in numerous decisions. When the worker is unwilling to pursue the case

and wants to drop the case, the Union can no longer represent his interest and prolong the litigation. The case is therefore allowed to be withdrawn and I should give a "no-dispute" award in the matter.

Taken at my dictation and cerrected by me.

Presiding Officer.

SHRI PROBODH CHANDRA MAITRA, M.A., B.L., *Presiding Officer, Second Labour Court.*

By order No. 4204-I.R./IR/11L-504/58, dated Calcutta, the 4th October 1958, Government of West Bengal, Labour Department, referred to me an industrial dispute existing between Messrs. How Shan Tannery and their workmen, represented by the All Bengal Tannery Mazdoor Union, for adjudication.

Issues formulated in the order of referrence are as follows:

(1) Pay for the period of lock-out from 24th June 1958 to 13th July 1958.

(2) Whether the discharge of Shri Lachmiram was justified. To what relief in the way of reinstatement and/or compensation is he entitled?

FINDINGS

On receipt of the reference, notices were issued on both the parties and both sides submitted their written statement. On 20th February 1959, both the parties appeared before me and filed a joint petition stating that the dispute has been compromised out of Court and there is no need to proceed further into the matter and that a "no-dispute" award may be given on the subject. In view of the fact that the parties have come to an amicable settlement and the workman has obtained satisfaction, I would give a "no-dispute" award in the matter.

Presiding Officer, Second Labour Court.

Calcutta, and one of their workmen Shri Hari Singh Bindra represented by West Bengal Hospital Workers' Union, 7B Rani Rashmoni Road, Calcutta-13, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Labour Court;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Shree Vishudananda Saraswati Marwari Hospital, 118 Amherst Street, Calcutta, and one of their workmen Shri Hari Singh Bindra represented by West Bengal Hospital Workers' Union, 7B Rani Rashmoni Road, Calcutta-13, referred under G.O. No. 795-I.R./IR/11L-89/58, dated the 4th March 1958. (Case No. VIII-C-55 of 1958.)

BEFORE THE FIRST LABOUR COURT, WEST BENGAL

PRESENT:

SHRI N. C. CHATTERJEE, *Judge*.

The Government of West Bengal, in the Department of Labour, by order No. 795-I.R./IR/11L-89/58, dated the 4th March 1958, referred under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), an industrial dispute between Shree Vishudananda Saraswati Marwari Hospital, 118 Amherst Street, Calcutta, and one of their workmen Shri Hari Singh Bindra represented by West Bengal Hospital Workers' Union, 7B Rani Rashmoni Road, Calcutta-13, regarding matters specified in the second schedule of the Act, to this Court for adjudication.

Schedule

Whether the termination of service of Dr. Hari Singh Bindra is justified. What reliefs is he entitled to?

This is a case arising out of an alleged illegal and unjustified termination of service of Dr. Hari Singh Bindra by Shree Vishudananda Saraswati Marwari Hospital, 118 Amherst Street, Calcutta, hereinafter referred to as the hospital for the sake of brevity.

The Union's case in short is that Shri Hari Singh Bindra was a very popular doctor attached to this hospital for a long time. But as he was the General Secretary of S.V.S. Marwari Hospital Staff Association and he placed the charter of demands regarding privilege leave, casual leave, and medical leave, etc., for the employees, the hospital was enraged and unjustly suspended him and then discharged him without any enquiry or assigning any reason whatsoever and nothing of the kind. Thus the discharge is thoroughly illegal and unjustified.

The hospital on the other hand contends that the discharge of Shree Hari Singh Bindra is fully justified as the hospital received complaint from one Shri Sitaram Begani about deriliction of duties on the part of the

doctor and therefore the Executive Committee of the hospital appointed a Sub-Committee consisting of (1) Shri Ramnath Bajoria, (2) Shri Rangalal Bagaria and (3) Shri Kedar Nath Poddar which, on proper enquiry, found the doctor guilty of the charges and thus discharged him.

FINDINGS

The 18th February 1959 was fixed for hearing this reference. The doctor workman concerned in this case put in a petition stating that the matter has been amicably settled out of Court and accordingly prayed for a "no-dispute award". The doctor was heard who stated that the matter has been compromised. Accordingly a "no-dispute award" is made in this case. The reference is thus disposed of.

Decision

Messrs. India General Navigation and Railway Company, Ltd. (hereafter called the company) has Head Office at 4 Fairlie Place and a Dockyard known as Rajabagan Dockyard in Rajabagan. The company has also a dispensary in the said Dockyard for the workmen employed therein. According to the company the clerical staff in connection with work in the dockyard had originally been attached to the Head Office and doing work from there and subsequently in 1947 such clerical staff were transferred to the dockyard for facility of work. Besides the said clerical staff there are operatives employed in the dockyard.

I.G.N.R. Employees' Union (hereafter called Employees' Union) was formed in 1946. This was the only registered and recognised union until 1954. In March 1955 Dock Engineering Mazdoor Sabha (hereafter called the Mazdoor Sabha) was formed and this was registered on 15th July 1955. It did not, however, initially receive recognition from the company. Subsequently there was an agreement between the Mazdoor Sabha and the company on 11th March 1958 whereunder the Mazdoor Sabha was recognised while recognition from Employees' Union was withdrawn by the company.

The operatives in the dockyard have working hours from 8 a.m. to 5-06 p.m., while the clerks have all along working hours from 10 a.m. to 5 p.m. with half an hour recess from Monday to Friday and from 10 a.m. to 1 p.m. without recess on Saturday. For bringing in uniformity in the working hours between those of the clerks and the operatives for the purpose of more smooth work, the company proposed to raise the working hours in respect of the clerical staff by requiring them to attend from 8 a.m. in place of 10 a.m. The company conveyed its proposed change in working hours to the employees' union which was not agreeable to accept it. The Mazdoor Sabha also made a representation to the Assistant Labour Commissioner opposing said duty hours of the clerical staff. It then submitted charter of demands on 31st October 1956 to the Assistant Labour Commissioner (*vide* Annexure to Ext. J). The said charter of demands, dated 31st October 1956, was sent by the Assistant Labour Commissioner to the company on 7th November 1956 for comments (Ext. J). Then as no settlement was possible between the company on one hand and the Mazdoor Sabha and Employees' Union on the other in course of conciliation proceedings, the disputes were referred to this tribunal for adjudication.

Let us now consider the issues separately.

Issue 1: This relates, after amendment of the list, to 99 employees. It is the Mazdoor Sabha which raised the dispute in this respect. In the written statement filed before the Tribunal, it limited the claim for 39 employees including Shri N. K. Mondal as mentioned in their Annexure A to the written statement. Out of the said 39, case of Shri N. K. Mondal was also separately referred to in issue No. 3, whereunder his case would be considered. So adjudication under this issue is called for only in respect of remaining 38 employees mentioned in Annexure A.

Before entering into the controversy it is necessary to state certain facts about which there is no dispute between the parties. These are as follows:—

In 1946 the company effected a revision of emoluments in all categories of grade then in existence. At that time the grades in existence were the special grade, Grade A, Grade B, Grade C, Grade D and Grade E.

In 1949 by agreement with the employees' Union the company abolished Grade E for clerical staff proper and all members of then existing clerical

staff who were in Grade E were upgraded to Grade D. So far as the dispensary staff were concerned consisting of 2 dispensers and 2 dressers, separate grades were introduced with the agreement of the employees' Union being the grades of compounders and dressers.

In 1953 the company which then had a total of 109 clerks in Grade D, upgraded 107 to Grade C. Subsequently the remaining two persons in Grade D were also upgraded into Grade C and since 1956 the company has not any clerk in Grade D.

The company's Grade C is Rs. 70—4—134—E.B.—4—182. The company as a result of agreement with the Employees' Union has since 1957 adopted the principle of upgrading all Grade C employees into Grade B upon their completing 10 years of service, by giving them the necessary increment to bring their basic pay up to Rs. 110 per month and thereafter giving them increments of Rs. 7 annually. The grades after abolition of grades E and D as above stand as follows:—

Special Grade: (1) Rs. 260—15—and upward.
(2) Rs. 260—20—and upward.
(3) Rs. 260—25—and upward.

'A' Grade Rs. 160—10—260.

'B' Grade Rs. 110—7—180—E.B.—7—201.

'C' Grade Rs. 70—4—134—E.B.—4—180.

Technical Grade: Rs. 80—8—160—E.B.—10—260.

Steno: Rs. 160—E.B.—15—300.

Now regarding the dispute it has already been noted that the Mazdoor Sabha raised the dispute on 31st October 1956 (Ext. J). Complaint was made in general terms that upgrading and promotion were granted by the company without regard to seniority, experience and merit, but on the basis of union affiliations of the employees. It was said that those who belonged to employees' Union though had not the necessary qualifications were upgraded while those who belonged to Mazdoor Sabha though fulfilled the aforesaid requirements were denied upgrading (*vide* Ext. J).

In the written statement filed before this tribunal the Mazdoor Sabha did not cite specific instances but remained content in generalisation as before. It alleged that the Employees' Union was a puppet union which the company boosted up in various ways. The members of the clerical staff who refused to become members of the said union were refused upgrading and/or promotion though by virtue of their education, experience and calibre they were entitled to the same. Besides, the company did not hesitate to confer Grade A or even Special Grade to a number of Officers and leading members of the Employees' Union who were not only junior but were far less inferior academically, in experience and efficiency than those belonging to Mazdoor Sabha. The workmen mentioned in Annexure A to its written statement were those who deserved upgrading having regard to their efficiency, experience and length of service. The Mazdoor Sabha accordingly prayed that each of those workmen mentioned in Annexure A should be upgraded to the respective grades as shown therein against their names.

The company opposed the claim. It denied charge of having taken into consideration union affiliations of the workmen in the matter of upgrading or promotion and pleaded that the matter was decided solely upon a consideration of the abilities of the individual employee. If further denied that any one of the list to the order of reference or Annexure A to the

written statement of Mazdoor Sabha deserved any further upgrading than those they had received and pleaded that the transfer of clerks or any employee from one grade to another was a management function and was solely for the company to decide upon a consideration of the abilities of the individual. It was said that the company was in fact exceedingly liberal in upgrading clerks and granting them increments and seniority within the grades as the previous history of the matter would show. The relative position of the employees in the different grades compared to the total complement would appear from Annexure A to its written statement. Besides, the company maintained that the dispute as raised in the issue was not capable of forming the subject matter of industrial dispute within the meaning of Industrial Disputes Act and the reference in so far as it appertained to this issue was invalid, void and of no effect and the tribunal had no jurisdiction to adjudicate it.

During hearing the company filed its statement (Ext. A) showing the position of each of the 39 workmen as mentioned in Annexure A to the written statement of the Mazdoor Sabha with date of appointment, basic pay and grade—past and present from 1945 to 1958. The Mazdoor Sabha has not challenged the said statement (Ext. A) as incorrect in any respect. Annexure A to company's written statement shows number of employees in each of the grades in the years 1954, 1955, 1956, 1957 and 1958.

Promotion as such, I agree, is not an industrial dispute. It is only where there are certain rules in this respect, non-observance of them may lead to an industrial dispute. It is now well-settled that the matter of promotion to a higher grade is entirely management function and that the tribunal will not interfere unless there is *mala fide* in the matter or unless there has been non-observance of any rule in this respect. The management are the sole judges of conduct and aptitude of the employees for promotion, unless actuated by malice or by motives of victimisation or unfair labour practice. It is not for an outside authority like the tribunal to go into the relative merits of the individuals upgraded and those not upgraded with them. In the present case the Mazdoor Sabha has nothing satisfactory to show that the company passed over the case of the workmen under reference from a motive to victimise or from an indirect motive of unfair labour practice nor has it alleged or proved breach of any rule in this respect. There would be so no basis for interference by the tribunal.

Promotion to a higher grade cannot be claimed as a matter of right. It has to be deserved by application to duty, good conduct and by aptitude and qualifications for discharging the duties of the higher post. The statement (Ext. A) shows that all of the 38 employees for whom upgrading has been claimed during hearing got different promotions in the past. The statement further reveals that they were promoted to their existing grades not long ago and that none has reached maximum of their existing grade. These do not *prima facie* go in support of their claim for upgrading. Promotion to a higher grade can only be made when there are requirements and vacancies. It is for the management to fix the number of posts in the several grades. So, all individuals of equal merit and service cannot be upgraded simultaneously if there are no posts available in the higher grade.

The evidence on the side of the company, on the contrary shows that in the matter of promotion to higher grade nomination is first made by the heads of different sections and then these go to departmental Managers and these are ultimately considered by a Board consisting of the General Manager of the workshop, Departmental Managers and Senior Labour and Welfare Officer. The procedure as aforesaid, *prima facie*, goes to ensure fair play. Annexure A to the written statement of the company shows that promotions

to different grades were not restricted but were progressively fair. The General Manager of the workshop D.W. 1 Mr. Earnest Gordon Fortes deposed that it any complaint was received in this respect, the matter received his personal attention. He denied that in giving acting appointment to one Aswini Paul in 1958 they were in any way actuated by the fact that he was the Vice-President of the Employees' Union. According to the company it reviews the case of each individual member of the clerical staff at the beginning of each year taking into consideration all factors such as, discipline, attendance, merit and execution as well as any individual or collective representations on the subject. The action taken by the company from 1946 till 1956 in the matter of improving the grades and upgrading the employees as already referred to would belie the allegations of the Mazdoor Sabha that the union affiliation had been the criterion in the matter of upgrading. D.W. 1, of course, admitted that Sections-in-charge were generally in Grade A but it does not follow from it that all Sections-in-charge should be in Grade A, when there is no evidence to show that all have to perform same duties. Merely because they are similarly designated it does not necessarily follow that their duties are identical and they have same amount of responsibility and trust. The evidence of D.W. 1 is that a Section-in-charge is not necessarily given Grade A. This would show that the duties of all Sections-in-charge are not similar or their responsibilities equal. So, on the materials placed before the tribunal, the claim of the Mazdoor Sabha for upgrading of any of the workmen under reference cannot be sustained and is rejected.

The issue is answered accordingly.

Issue 2: The issue as it stands, according to all concerned, does not raise the real dispute between the parties. The clerical staff have admittedly working hours from 10 a.m. to 5 p.m. with half an hour recess from Monday to Friday and from 10 a.m. to 1 p.m. without recess on Saturday. It is agreed on all hands that the company proposed to raise the working hours of the clerical staff of the dockyard from 8 a.m. in place of 10 a.m., while both Employees' Union and Mazdoor Sabha were opposed to it. So the real dispute is whether the clerical staff are liable to work from 8 a.m. and not, whether they should be compensated for extra working hours from 8 a.m. The issue, as it is, is therefore not in order, and no adjudication is accordingly called for.

Issue 3: The dispute in this respect has been raised by Mazdoor Sabha. It alleged that Shri N. K. Mondal was promoted from his position of dresser to that of clerk in 1949 but unfortunately as at that time no dresser was available he was asked to continue in the job for a while which he did in good faith. Since then all attempts on his part to get the promotion effective were thwarted. The Mazdoor Sabha accordingly prayed that Shri N. K. Mondal be treated as a clerk with effect from the date of his promotion and be given all increments with retrospective effect and also the amount due to him, for 2 hours' overtime daily since 1949.

The company resisted the claims. It denied that Shri N. K. Mondal was promoted from the position of dresser to that of clerk and was asked to continue to the job for a while and pleaded as follows: Shri N. K. Mondal was appointed on 14th January 1946 as a dresser and he has still been a dresser in the company's dispensary at Rajabagan Dockyard. At the time of his appointment his basic pay was Rs. 25 per month but in the general revision in the year 1946 it was revised to Rs. 40 per month. In the year 1948 on or about 8th October 1948 his pay was again revised to Rs. 55 per month with effect from 1st January 1948 and his grade was Grade E being Rs. 55—2½—70

In the year 1949 on or about 14th July the company concluded its discussions with the Employees' Union relating to upgrading and increment of clerical staff, as a result whereof the said Grade E was abolished and all clerical staff proper in Grade E were upgraded into Grade D. At the said time, however, the cases of the two dressers and the two dispensers were expressly reserved for further discussion and agreement.

Accordingly on 15th July 1949 the company's Chief Engineer sent to the Dockyard Manager at Rajabagan under a covering letter the finally agreed rates for regrading of E Grade clerks at the Dockyard expressly mentioning that the cases of dressers remained outstanding as well as the dispensers and Canteen Manager (Annexure C to the written statement). Thereafter further discussions were held between the company and the Employees' Union and agreed scales were arrived at for compounders (dispensers) and dressers, the grade for dressers being Rs. 60—2—90 (Annexure D to the written statement).

In the meanwhile letters were being sent to all the clerks previously in Grade E who had been upgraded into Grade D and along with such letters a letter, dated 19/26th July 1949, was by mistake sent to Shri N. K. Mondal confirming him in his previous Grade E with one year's seniority in that grade. As already stated Grade E was being abolished and the letter was plainly an administrative mistake caused by the matter being dealt with in a routine manner in accordance with the practice of the previous years when persons who were not upgraded received letters confirming them in their existing grades.

Such letter was never acted upon either by the company or by said N. K. Mondal and he continued to draw the pay of the dressers' grade newly fixed, namely, Rs. 60—2—90 with one year's seniority therein by starting at Rs. 62. The said terms and emoluments of the said dressers' grade were better than those of Grade E mentioned in the said letter.

Shri Mondal made numerous applications for leave, etc., which he signed as a Dresser and has without objection received letters addressing him as a Dresser and has never at any time been treated as a clerk nor claimed to be so treated until the present claim was made in the adjudication proceedings or shortly before.

Shri Mondal has also at all times observed the working hours of Dressers and not the working hours hitherto observed by the clerks. Shri Mondal has enjoyed the benefit of the Dressers' grade which was superior to Grade E mentioned in the letter, dated 19th/26th July 1949, and is estopped from contending that he ought to be treated as a clerk on the basis of the said letter.

In support of the case Mazdoor Sabha examined Shri Mondal (P.W. 1) besides proving the letter, dated 19th/26th July 1949 (Ext. 1), the copy of his letter, dated 8th October 1956, to the General Manager (Ext. 2) and the reply, dated 6th November 1956, of the General Manager *Ext. 2(a)].

The company, on the other hand, examined the General Manager (D.W. 1), the Labour Welfare Officer (D.W. 2) and Medical Officer (D.W. 3) besides proving documents (Exts. B, C to C2, D to D2, E to E6, F, G, H to H11, I and J).

On giving careful consideration to the evidence and circumstances I accept the case of the company. The letter of appointment, Ext. F, shows that Shri N. K. Mondal was appointed as a Dresser in the Dockyard dispensary on and from 14th January 1946 on a salary of Rs. 25 per month

plus usual allowance as then existed. In the latter part of 1946 company effected a revision of emoluments of all categories of workmen. According to company Shri Mondal's salary was then raised to Rs. 40 and in October 1948 his salary was again raised to Rs. 55 per month with effect from 1st January 1948. The Dressers had admittedly no Grade or Pay Scale of their own. The Grade E which was for the clerks was from Rs. 55—2½—70. Shri Mondal whose salary was raised to Rs. 55 per month from 1st January 1948 was thus allowed to draw salary in accordance with Grade E of the clerical staff.

On 15th July 1949 E Grade was abolished and all the clerks in E Grade were upgraded to Grade D (*vide* Ext. B) which had pay scale of Rs. 60—2—90. While forwarding the agreed rates of the employees who were being upgraded from Grade E to Grade D, the Chief Engineer specifically made mention that the cases of 2 Dressers, 2 Dispensers and Canteen Manager would remain outstanding and would be settled very shortly (*vide* Ext. B). In the list of the clerks who were then being upgraded from E Grade into Grade D, the name of Shri N. K. Mondal did not appear. On the contrary, it was specifically mentioned that the two Dressers D. K. Adhikari and N. K. Mondal who were at the time drawing salary of E Grade would be bracketted with compounders and separately graded as Dressers. This would show that N. K. Mondal was not till then appointed or in any way treated as a clerk but remained Dresser as he had originally been appointed.

On 8th August 1949 the company wrote to the President of the Employees' Union embodying the agreed conclusions regarding the outstanding points (Ext. 1). In the said letter for the first time separate grade for the Dressers was laid down, the grade being Rs. 60—2—90 exactly in line with the existing D Grade of clerks which was Rs. 60—2—90 (*vide* Ext. H). Unlike company's letter, dated 19/26th July 1949, addressed to Shri N. K. Mondal (Ext. 1) which is the foundation of the claim, the company's letter, dated 8th August 1949, laying down, among others, grade for the dressers, made the said grade operative with retrospective effect from 1st January 1949 and Shri N. K. Mondal's salary was fixed at Rs. 62. Shri N. K. Mondal admitted in cross-examination that separate Dresser's Grade with Rs. 60—2—90 was introduced in August 1949 and his salary was fixed at Rs. 62 and he got the said salary with retrospective effect from 1st January 1949. This would give go by to the letter Ext. 1 upon which he based his claim and would show that he knowingly continued as a Dresser and accepted the grade as introduced for Dressers in August 1949. The letter Ext. 1 upon which claim has been laid did not provide for any retrospective operation. The fact that Shri N. K. Mondal admittedly received salary with retrospective effect from 1st January 1949 leaves no room for doubt that it was on the basis of the new Dressers' Grade as introduced by the letter, dated 8th August 1949 (Ext. I). Grade D of the clerks, it may be noted, had been in existence from 1946, while grade for compounders was introduced for the first time on 8th August 1949 although both Grade D of the clerks and compounders' grade so subsequently introduced had same pay scale of Rs. 60—2—90. Though the clerks proper on E Grade were upgraded into Grade D of Rs. 60—2—90 for the clerks on 15th July 1949, they were not given any retrospective operation and their pay on promotion to Grade D was however in no case below Rs. 70 (*vide* Annexure to Ext. B). The difference in salary at the start for Shri N. K. Mondal and of those upgraded from E Grade to D Grade would also negative the claim of Shri N. K. Mondal that he was promoted as a clerk in 1949.

Shri N. K. Mondal admittedly functioned and has been functioning as a Dresser since his apointment on 14th October 1946. He described himself

throughout as a Dresser in his dealings with the company even after the date of the letter Ext. 1 (*vide* Exts. C and D series). The company also in its official dealing with him in making temporary transfer described him throughout as a Dresser (Ext. E series) even after the date of the letter Ext. 1. The story of Shri N. K. Mondal in his deposition trying to explain it away is unconvincing and unreliable. The conduct as above would support company's case that the letter Ext. 1 was never acted upon either by Shri Mondal or by the company.

Now regarding the company's letter, dated 19th/26th July 1949, addressed to Shri N. K. Mondal (Ext. 1) which is the foundation of the claim, it appears that the most important portions containing his basic salary mentioned in it at the time as also the scale of Grade E were purposely blurred, the former portion as it apparently ran counter to the present case. Be that as it may, the terms therein do not also support the case of Shri N. K. Mondal. The letter recites excluding the portion so blurred as follows:

> "Further to your appointment, dated 14th January 1946, we have much pleasure in confirming you in your employment as clerk on a basic salary of per mensem in Grade E with one year's seniority in that grade."

His appointment on 14th January 1946, it has already been noted, was as a Dresser. So there was no scope for confirming him as a clerk. The letter was, therefore, in the nature of routine as the company contended. The practice pleaded in this respect by the company has been borne out by Ext. H series. It appears that similar letters bearing date 19th/26th July 1949 were issued to different clerks confirming them in their respective grades in which they were at the time. Be that as it may, the letter Ext. 1 does not in any case support the case as pleaded in the written statement of the company before this tribunal that Shri N. K. Mondal was promoted as clerk in 1949 by that letter. There was no such appointment as clerk by that letter (Ext. 1). The Mazdoor Sabha, it appears, having become conscious that the recitals in Ext. 1 did not speak of appointment but of confirmation introduced the story in the charter of demands presented on 26th October 1956 that Shri N. K. Mondal was promoted as a clerk later on in 1946 evidently to fit in with the recitals. For in the charter of demands it was stated: "Shri N. K. Mondal was appointed at first as a Dresser in the Dockyard dispensary. Later on in 1946 he was promoted as a clerk". This was apparently to give conform to the words "confirming you in your employment as clerk" in the letter, Ext. 1. It was however lost sight of that the appointment, dated 14th October 1946, referred to in Ext. 1 was as dresser and not as clerk. In the subsequent written statement filed before this tribunal the said case of appointment as clerk in 1946 was also lost sight of and it was alleged that Shri N. K. Mondal was promoted as clerk in 1949 by that letter, Ext. 1. The letter (Ext. 1), it has already been noted, did not do so. Had that letter, Ext. 1, been received contemporaneously through a messenger in 1949 as deposed to by P.W. 1, this would not create any right whatsoever. The letter was apparently a mistake. There would be no meaning to confirm one in Grade E on 19th/26th July 1949 when the said Grade E was abolished by the letter, dated 15th July 1949.

Now as to when the letter, Ext. 1, was received, claim of Shri N. K. Mondal during hearing that he received it through messenger in 1949 is unreliable. His inaction prior to 8th October 1956 does not support such

claim. It was on the contrary stated in the charter of demands, dated 26th October 1956 (Annexure to Ext. J), as follows:—

> "Shree N. K. Mandal was appointed at first as a Dresser in the Dockyard dispensary. Later on in 1946 he was promoted as a clerk. But the Company kept his promotion letter suppressed for all these years. About a month ago Shree Mondal found that letter in which the Managing Agents of the Company directed the Rajabagan authority to treat Shree Mandal as a clerk fix his pay accordingly. Shree Mandal approached the General Manager with that letter of the Managing Agents and demanded promotion. He also gave a written representation to him and a copy of that letter in which his case has been stated in detail has been sent you for your information. We hope you will please take up the case and do justice to the gentleman."

So the letter (Ext. 1) according to the charter of demands was received some time in latter part of September 1956 and not before. This is also in conformity with the written demand which was made for the first time by Shri N. K. Mondal on 8th October 1956 (Ext. 2). On that day Shri N. K. Mondal wrote to the company *for the first time* as the letter, Ext. 2, itself recited making claim on the basis of the letter, Ext. 1, with copy to the Labour Commissioner and Mazdoor Sabha. On 6th November 1956 company replied that the matter was receiving attention [Ext. 2(a)]. It was a *mamuli* reply and would not convey anything beyond what it stated. The recitals in the letter, Ext. 2, that there had been earlier verbal demands, are not reliable. The witnesses on the side of the company gave denial that there was claim previously. After that letter on 8th October 1956 (Ext. 2), the Mazdoor Sabha, it has already been seen, placed charter of demands including claim of Shri N. K. Mondal to the Assistant Labour Commissioner on 26th October 1956 (Ext. J). The Assistant Labour Commissioner on receipt of the said charter of demands forwarded the copy of the charter of demands to the company on 7th November 1956 for comments (Ext. J). These would clearly negative the claim of Shri N. K. Mondal.

So, on the materials placed before this tribunal, I find that Shri N. K. Mondal had never been appointed a clerk nor had he been treated as such. Merely because on occasions few and far between he made some entries as required of a clerk in the registers in the absence of regular clerk on leave in addition to his duties as a Dresser, this would not make him a clerk. He remained a Dresser and continued as such. The claim of Shri N. K. Mondal must accordingly fail. The issue is answered accordingly.

This is my award.

SHRI PROBODH CHANDRA MAITRA, M.A., B.L., *Presiding Officer, Second Labour Court.*

Government of West Bengal, Labour Department, by its order No. 5498-I.R./IR/13L-48/58, dated Calcutta, the 24th December 1958, and subsequent corrigendum No. 497-I.R./IR/13L-48/58, dated 10th February 1959, referred to me an industrial dispute existing between Messrs. Takat Singh and Bros. and their workmen represented by West Bengal Card Board & Printing Mazdoor Union, for adjudication.

The only issue formulated in the order of reference is in the following term:

Issue

Whether the dismissal of Shri Ajit Kumar Bhanja is justified. To what relief is he entitled?

DECISION

On receipt of the reference, usual notices were issued on both the parties but the General Secretary of the Union prayed for time to file their written statement. Time was allowed till 25th February 1959. On 25th February 1959, both the parties appeared before me and filed a joint petition of compromise stating that the workman Shri Ajit Kumar Bhanja has been paid Rs. 85 in full and final settlement of all his claims and he withdraws the claim for reinstatement, as he is serving elsewhere at a higher rate. In view of the fact that the workman has obtained satisfaction and the

terms of compromise are reasonable and fair, I would give a compromise award in this case and the compromise petition will form a part of my award as annexure.

PRESENT:

(1) SHRI PROBODH CHANDRA MAITRA, *Presiding Officer, Second Labour Court.*

(2) SHRI N. R. SIRCAR, *Ex-Assistant Secretary, Labour Department.*

By an order No. 5356-I.R./IR/10L-152/58, dated Calcutta, the 16th December 1958, Government of West Bengal, Labour Department, approved

the agreement of the aforesaid employer and the Union in selecting us to act as arbitrators under sub-section 1 of section 10A of the Industrial Disputes Act, over the matters specified in the agreement made by Messrs. Jay Engineering Works and Jay Engineering Workers' Union on 10th March 1958.

The terms of reference are in the following lines:

"What should be the basis of calculation of average production bonus in the light of interpretation of—

By earnings is meant actual earnings per year including production bonus, divided by the number of days, actually worked,

mentioned in sub-clause E of clause 1 of the agreement made by Messrs. Jay Engineering Works Ltd., and Jay Engineering Workers' Union on 10th March 1958?"

On receipt of the order, notices were issued on both the sides for appearance and the Union was further asked to submit their written statement, if any. On 17th February 1959, both the parties appeared before us stating that the dispute in question has been settled amicably between the parties and prayed for passing an award on the basis of their agreement, a copy of which was also attached to their joint petition. From the enclosed agreement and the decision arrived at between the Management and the Union held on 1st December 1958, 31st December 1958 and 6th January 1959, it would appear that both the parties have amicably settled the dispute amongst them. We have gone through the agreement and the interpretation thereof, and we consider it to be fair and reasonable. We would therefore give our arbitration award on the basis of the agreement arrived at between the company and the Union and the agreement will form a part of arbitration award.

AVERAGE EARNINGS

Decision.

For computation of average production bonus, the year will be divided into two parts, January-June first period and July-December second period. The average of the first period will be applied to the second period and the average of second period will be applied in the next first period of the subsequent year.

The average production bonus earning will be calculated by dividing the total production bonus earned during the six months excluding the

amount of compensation paid by the total number of days present excluding the days on which compensation was paid or idle due to clause 7 of the agreement.

The worker will be paid compensation on monthly basis calculated at the average rate multiplied by the days present, less the days he was idle due to reasons in clause 7 of the agreement.

It is also agreed that in case a worker does not earn the average production bonus per month calculated on the basis of actual production bonus earned days, then his case will be considered for compensation.

Decisions

Messrs. Damodar Press, in its written statement, states that there was no industrial dispute existing between the employer of the said Press and any workman at any time and that the present reference so far as it relates to Damodar Press is illegal and void. Messrs. Kamala Press and their employees also filed a joint statement stating that they had no industrial dispute between themselves and they need not appear in the case. The question that arises is whether the reference in respect of Kamala Press and Damodar Press is competent. Issue No. 10 is, therefore, framed on this question.

Issue No. 10: Is the present reference in respect of Messrs. Damodar Press and Messrs. Kamala Press competent?

The employers and employees of Messrs. Kamala Press filed a joint statement on 31st July 1958, stating that there was no industrial dispute between the employers and the employees. Messrs. Damodar Press, in its written statement, stated that there was no industrial dispute between the employers of that Press and their employees. The question is whether the

reference of the issues Nos. 1 to 9 on the order of reference is competent in respect of these two Presses. Section 10(5) of the Industrial Disputes Act lays down that where a dispute concerning any establishment or establishments has been or is to be referred to a Tribunal, and the appropriate Government is of opinion that the dispute is of such a nature that any other establishment or a similar nature is likely to be interested in or affected by such dispute, the appropriate Government may at the time of making the reference include in that reference such establishment, group or class of establishments whether or not at the time of such inclusion any dispute exists or is apprehended in that establishment, group or class of establishments. This clause clearly shows that the inclusion of Kamala Press and Damodar Press in the present order of reference although there is no dispute between the employers and employees in those establishments, is competent on the part of the appropriate Government. The Tribunal is, therefore, obliged to adjudicate on the dispute as referred to it by the appropriate Government under section 10 of the Act.

This issue is accordingly answered.

Issue No. 1:—Classification of workmen: The Union states that there is no proper classification of workmen. Generally there are three categories of workmen, viz., Compositor, Machineman and Binder, but all of them are required to do the job of others. The Union claims that occupational nomenclature of the workmen should be determined, and the workmen should be classified mainly in two groups—senior and junior. Workers serving consecutively for more than 5 years should be treated as senior grade workers and those working for less than 5 years as junior grade workers.

The Burdwan District Printers' Association, representing twelve Presses as mentioned hereinbefore, states in its written statement that the demands preferred by the Opposite Party Union are not tenable.

Evidence was adduced by both sides. P.W. 1 Shri Shib Nath Mohanto, a workman of Sarbamangala Printing Works, deposed for the Union. O.P.W. 1 Shri Subhas Chandra Chatterji, Manager of Bharati Press, deposed for the Presses.

On a careful consideration of the matter, it is awarded that the workmen in the Presses shall be classified into three categories as follows:—

(1) Compositer,

(2) Machineman, and

(3) Binder.

It will be open to the Presses to use the same person for a combination of duties, but in that case, the worker shall be entitled to get the wage for the most highly paid job in the combination. The classification of workers of the same category into senior and junior grades is not allowed as being unnecessary in the circumstances of the case.

This issue is accordingly answered.

Issues Nos. 2 and 3.—Pay Scales and dearness allowance: The Union claims that the monthly basic pay of the senior grade workers should be raised to Rs. 100 and that of the junior grade workers to Rs. 75. The initial pay in no case shall be less than Rs. 60 per month. The annual increment for the junior grade should be at Rs. 3 and that for the senior grade should be Rs. 5. Promotion from junior grade to senior grade would be automatic. The Union filed a statement in Annexure A to its

written statement showing the total number of Compositers, Machinemen and Binders, their salaries and the total duty hours in all the Presses mentioned in the order of reference. It appears that the number of workmen in the Presses vary from 1 to 8. There are two Presses with only one worker and three with only three workers. The establishments involved in this reference are, therefore, of very small size. The evidence of P.W. 1 shows that the lowest pay of a workman in the Sarbamangala Printing Press, where he works, is Rs. 36 per month, and in the Burdwan Press, it is Rs. 30 per month. The witness states by guess that there are about 25 men in the 14 Presses who are paid the minimum wage of Rs. 30 per month. They are to work overtime at single rate and are paid 4 annas as *jalpan* for 7 hours' overtime work and 2 annas for 3½ hours' overtime work. One Press pays 7 annas as tiffin allowance in place of 4 annas, in addition to overtime wage at single rate. In cross-examination, it was suggested to the witness by the learned spokesman for the Association that the learners in the Presses get a monthly wage of Rs. 30 and other workers are paid the minimum wage of Rs. 40 per month. O.P.W. 1 Shri Subhas Chandra Chatterji, states that the minimum pay in his Press is Rs. 40 per month and that is paid to a Compositor. O.P.W. 1 further states that Bharati Press, Naba Bharat Press and Burdwan Press are the best profit-earning Presses of Burdwan, and the maximum annual profit of these Presses would be Rs 4,000 a year. It was stated by the learned spokesman for the Association that the other Presses mentioned in the order of reference earned very meagre income to the tune of Rs. 1,000 or so in the year. The statements as to annual income, as mentioned in Annexure A to the Union's written statement, shows that the Presses have a net income varying between Rs. 4,000 and Rs. 18,000 in the year. No audited account for the Presses were filed in proceedings. P.W. 1 states in evidence that the statement as to profit in Annexure A has been given by him on reference to the quantum of work put in by the workmen.

Considering the facts and circumstances of the case, I do not consider that the 14 Presses of Burdwan that are involved in this proceeding are in a very prosperous condition.

The Union also claims dearness allowance at Rs. 32 per month. Till now the wages paid by the Presses at .Burdwan were consolidated. I consider that consolidated wages should also be fixed by this Tribunal and there is no necessity for separating the dearness allowance from the basic pay.

Considering the financial condition of the Presses, it appears to me that a major alteration of the wage structure would be inappropriate for the present case and may hit the Presses in question too hard, which may ultimately cause unemployment. Giving my best consideration, I award as follows:—

Rupees 50 shall be the minimum wage of a Compositor and a Machineman and Rs. 45 shall be the minimum wage for Book-binders. All workmen shall be given an increment of Rs. 5 per month, subject to the condition that a Machineman and a Compositor shall get the minimum total wage of Rs. 50 per month and a Book-binder the minimum total wage of Rs. 45 per month. No separate dearness allowance will be paid to any worker, and the wage as mentioned above shall be considered to be consolidated wage inclusive of dearness allowance. For a learner, the consolidated wage shall be Rs. 35 per month. A worker shall be kept as a learner for a maximum period of one year and not more.

Period of work shall be 7 hours a day and 42 hours in the week, as at present. Wages for overtime work beyond 42 hours in the week shall be paid at 1¼ times the normal single rate.

These two issues are accordingly answered.

Issue No. 4.—Meal allowance: The Union claims that if the workmen are required to work for 5 hours after the scheduled 7 hours' work, they should be paid a meal allowance at the rate of Re. 1 per day, besides the overtime wages. The Association opposed this claim.

It appears that worker gets annas 4 as *jalpan* for 7 hours' overtime work and annas 2 for 3½ hours' overtime work, over and above the overtime wages, while one Press pays annas 7 as *jalpan*.

On a consideration of the matter, it is awarded that all the Presses should pay annas 7 as *jalpan* for more than 5 hours' overtime work and annas 3 as *jalpan* for more than 3 hours' overtime work. This will be in addition to the overtime allowance.

This issue is accordingly answered.

Issue No. 5. Half holiday on Saturday: The Union claims that all the Presses should grant half holiday on Saturdays. In view of the hours of work as mentioned in Issues Nos. 1 and 2, the workers in the Presses should have 7 hours' work on Saturdays as on other working days. The claim for half holiday on Saturday is, therefore, rejected.

Issue No. 6.—Puja or annual bonus: The Union claims that the workmen should be given one month's pay as Puja bonus every year immediately before the Pujas and in addition to the Puja bonus, two months' wages should be paid to the workmen as annual bonus for the year 1957-58. There is no evidence to justify this claim. The claim for one month's Puja bonus as a condition of service is unworthy of support and is rejected. There is nothing on record to show that the workmen are entitled to two months' wages as annual bonus for the year 1957-58. This claim is rejected.

This issue is accordingly answered.

Issue No. 7.—Leave and holidays: The Union claims the following categories of leave and holidays:—

(a) Privilege leave	...	30 days with full pay in a year, cumulative for 3 years.
(b) Casual leave	...	14 days with full pay in a year.
(c) Medical leave	...	12 days with full pay in a year.

The Union also claims that the workmen should be allowed all the holidays that are available to the offices of the Government of West Bengal. The Presses state that the workmen in the Presses are allowed 33 days' holiday in the year and it is not possible for the Presses to grant any further holiday. Exhibit A is a list of holidays. This shows that various periods of holidays are granted throughout the year, totalling 33 days in the year. The Union claims for privilege leave, casual leave and medical leave and also for a few days' festival holidays in preference to the 33 days' listed holidays as available at present.

On a consideration of the matter, the following leave and holidays are allowed:—

(1) Casual leave	...	5 days in the year with full pay.
(2) Sick leave	...	10 days in the year on half pay on production of a certificate from a registered medical practitioner.
(3) Privilege leave	...	14 days in a year cumulative for 3 years.
(4) Festival holidays	...	12 days on full pay in the year to be fixed by the Presses in consultation with the Union.

This issue is accordingly answered.

Issue No. 8.—Gratuity: The Union claims that the workmen should be paid gratuity at the rate of one month's wages for every completed year of service at the time of retirement, or otherwise termination of service. The claim was opposed by the Association on grounds of financial incapacity.

On a consideration of the matter, I do not find that the Presses are financially able to undertake the burden of paying gratuity to the workmen as claimed.

This claim is rejected. This issue is accordingly answered.

Issue No. 9.—Service conditions: The Union claims that rules relating to security of service and termination of service should be framed and that the Union will deal with this matter in detail at the time of the hearing.

On hearing both the parties, the following rules for security of service are framed:—

(1) At the time of appointment, every employee shall be given an appointment letter.

(2) No one should be dismissed for a misconduct without a proper enquiry by the authority concerned. Every employee against whom an enquiry is held should be furnished with the charges that are brought against him. He shall also be given an opportunity of defending himself at the enquiry. In such defence, he may take the help of another employee, who may be a member of the Union.

(3) Any workman who wants to avail of a period of leave should submit an application to the Management praying for such leave. If for any reason beyond his control, he is unable to apply for leave before availing of the leave, he must submit the application for such leave within two days of the commencement of the period of such leave.

(4) Any workman who will remain absent without leave from his job for 10 days at a stretch, shall lose his lien on his appointment, and shall be liable to be discharged.

This issue is accordingly answered.

Saddique & Sons, 53 Middle Road (Entally), Calcutta-14, and one of their employees Shri Abdul Gaffer, represented by the Hindusthan Drivers' Union, 3/1 Mangoe Lane, Calcutta-1, regarding the issues mentioned in the said order being matters specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Labour Court;

And whereas the said First Labour Court has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute exising between Messrs. M. Saddique & Sons, 53 Middle Road (Entally), Calcutta-14, and one of their employees Shri Abdul Gaffer, represented by the Hindusthan Drivers' Union, 3/1, Mangeo Lane, Calcutta-1, referred under G. O. No. 440-I.R./IR/4L-3/58, dated 6th February 1958, and as per corrigendum No. 1368-I.R., dated 1st April 1958. (Case No. VIII—C—23/58.)

BEFORE THE FIRST LABOUR COURT, WEST BENGAL

PRESENT:

SHRI N. C. CHATTERJEE, *Judge*.

The Government of West Bengal, in the Department of Labour, by order No. 440-I.R./IR/4L-3/58, dated 5th February 1958 and as per corrigendum No. 1368-I.R., dated 1st April 1958, referred under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), an industrial dispute between Messrs. M. Saddique & Sons, 53 Middle Road, Entally, Calcutta-14, and one of their employees Shri Abdul Gaffer, represented by the Hindusthan Drivers' Union, 3/1 Mangoe Lane, Calcutta-1, regarding matters specified in the second schedule of the Act, to this Court for adjudication.

Schedule

(1) Is the dismissal of Shri Abdul Gaffer justified?

(2) To what relief is he entitled?

This is a case arising out of alleged illegal and unjustified dismissal of one Shri Abdul Gaffer previously employed as a Driver under Messrs. M. Saddique & Sons of 53 Middle Road, Entally, Calcutta-14, hereinafter described as the company for the sake of brevity. This reference was received here on 12th February 1958. After service of notices the Union put in its written statement on 28th February 1958. In the meantime Union sought a corrigendum of the address of the company and 7th May 1958 was fixed for the written statement for the company. The company refused to accept a subsequent notice and did not attend Court on any

date. After several adjournments granted due to absence of the workman concerned on ground of alleged illness, 20th February 1959 was fixed for *ex-parte* hearing. On 18th February 1959 the Union put in a petition stating that the workman is physically unable to return to Calcutta and prays that the proceedings in this case be dropped. Presumably the dispute no longer exists. Thus a "no-dispute award" is made in this case.

Dictated and corrected by me.

Judge.

LABOUR DEPARTMENT

ORDER

No. 965-I.R./IR/111-438/57.—13th March 1959.—Whereas under the Government of West Bengal, Labour Department, order No. 90-I.R./IR/111-438/57, dated the 7th January 1958, the industrial dispute between Messrs Karco Restaurant, New Market, Calcutta-13, and their employees represented by Karco Workers' Union, 4C Kalighat Road. Calcutta, regarding the issues mentioned in the said order being matters specified in the second and the third schedules to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Fourth Industrial Tribunal;

And whereas the said Fourth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs Karco Restaurant, New Market, Calcutta-13, and their employees represented by Karco Workers' Union, 4C Kalighat Road, Calcutta. (Case No. VIII 6/58.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the Union: Shri Suprabhat Mukherjee, Advocate.

For the Company: Shri K. K. Moitra, Advocate.

This industrial dispute between Messrs Karco Restaurant (hereinafter referred to as the company). New Market, Calcutta-13, and their employees represented by Karco Workers' Union, 4C Kalighat Road, Calcutta, in respect of the following issues was refered to this Tribunal for adjudication, by the Government of West Bengal, Labour Department, order No. 90-I.R./IR/111-438/57, dated the 7th January 1958.

Issues

(1) Bonus for 1956-57.

(2) Is the dismissal of Shri Sudhir Dey (Boy No. 11) justified? What relief is he entitled to?

Both parties filed written statements, adduced evidence, oral and documentary, and advanced arguments in the case.

AWARD

Issue No. 2. Shri Sudhir Dey (Boy No. 11) was dismissed from service on a charge of misconduct by a letter, dated 25th November 1957. Shri Dey denied the charges, and the Union, of which he was a member, took up his cause and negotiated for a settlement. The Union's case is that

his dismissal was arbitrary and an act of victimisation and unfair labour practice and, accordingly, Shri Dey is entitled to reinstatement. The company contests. Its case is that Shri Dey was a temporary hand, and his work was unsatisfactory for which he was warned on several occasions. On a complaint of tampering with the attendance register, by drawing bogus pictures on it, Shri Dey was charge-sheeted on 11th November 1957, to which he submitted a written explanation. Meanwhile, the page with the objectionale drawing on it was torn from the attendence register. After an elaborate enquiry on 22nd November 1957, which Shri Dey attended, he was dismissed by a letter, dated 25th November 1957. P. W. 1 is Shri Sudhir Ch. Dey. He deposed in support of his case. O. P. W. 1., Shri Nirode Chowdhury and O. P. W. 2., Shri Nirode Sen, proved that there was an enquiry into the charges made against Shri Dey, and that Shri Dey was guilty of it. Exhibit 1 is the charge-sheet, and Exhibit 1(a) is the reply. Exhibit 2 is the letter of dismissal. Exhibit C is the attendance register. Exhibit E is the enquiry proceedings. I have considered the evidence. There is no evidence to show that Shri Dey was victimised for his Union activities. O. P. W. 1, Shri Chowdhury, held an elaborate enquiry in the presence of Shri Dey, and allowed him sufficient opportunity of stating his case and of adducing his evidence and to cross-examine the witnesses on the Management side. Shri Dey after having refused to avail of that opportunity cannot now turn round and say that the principles of natural justice were denied to him in this case. I am satisfied from the evidence that there was no denial of natural justice to Shri Dey, and that his dismissal from service was not actuated by any ulterior motive. The dismissal of Shri Dey, in the circumstances of this case, appears justified. He is not entitled to any relief in this case.

Issue No. 1: It relates to a claim for bonus at the rate of one month's wages, including allowances, for the year 1956-57. The company contests this claim and contends that it earned a very small profit in the year in question, and suffered losses in the two previous years. The next profit does not justify any payment of bonus. The company has no available surplus under the Full Bench Formula of the Labour Appellate Tribunal in the case of Bombay Mill Owners' Association. P. W. 2, Shri Saroj Chatterjee, on behalf of the Union and O. P. W. 3, Shri Arun Kumar Dey, on behalf of the Company deposed on this issue. The audited balance-sheet and profit and loss accounts, a consolidated one, for the three years ending March, 1955, 1956 and 1957 have been marked Exhibit K, and the calculation of the available surplus under the Full Bench formula filed by the company is Exhibit K(1). The profit and loss account for the year under reference shows a net profit of Rs. 975-5-3 only. The Union contends that the balance-sheets and the profit and loss accounts were drawn up only to defeat the workmen's claim for bonus and do not represent the correct financial position of the company. It is in evidence of Shri Arun Dey, Accountant, that the proprietor of this Company (it is a proprietorship concern) invested Rs. 13,000 only as capital in the year 1950 when he started this business. It was in the last year that there was some expansion of the business. This capital was not shown in the company's accounts, and on the advice of the income-tax authorities it was shown in the year under reference and the corresponding capital expenditure under thde heading "Furniture" of Rs. 14,598-7 was also shown in that year as a part of the assets of the business. The Union contests that this was highly irregular and was done to defeat the present claim after refusal to submit proper accounts to the Commercial Accountant of the Labour Directorate in the conciliation proceedings. The dispute over bonus was settled in the conciliation proceedings before the Conciliation Officer on 19th September 1957. It was settled that the economic position of this company would be

examined by the Commercial Accountant of the said Directorate when final decision of the matter would be taken. Meanwhile 15 days' pay was advanced to the employees against the claim of bonus. Admittely, the company did not produce its accounts before the Commercial Accountant in terms of the settlement. The excuse put forward by the company is that the Accountant and the Proprietor were both ill at the time. The fact of the matter is that the accounts were not placed before the Labour Directorate in terms of the settlement. It is, accordingly, suggested on behalf of the Union that the whole accounts, on the basis of which the balance-sheets and the profit and loss accounts were drawn up, were false and highly exagkerated. It also pointed out that certain entries in the balance-sheets and profit and loss accounts are suspicious. It is difficult to construct a balance-sheet from a profit and loss account on the ground of mere suspicion, although room of suspicion cannot be entirely ruled out. Capital of Rs. 13,000 was shown in the year 1956-57. The capital expenditure for Rs. 14,598-7 for furniture was shown against that in the same year. The Accountant says that this furniture was purchased in 1950, and was shown in this year's account on the advice of the income-tax authorities. Income-tax assessment order was not produced. It is difficult to find out what advice or action, if any, for reconstruction of the accounts was offered by the income-tax authorities. This must have been done at the time of assessment of income-tax. There may not be any gross irregularity in showing that in the accounts against the employment of capital of the business but then, there is hardly any justification of charging Rs. 4,206-6-9 as repairs in that year, and Rs. 3,029-9-6 as repairing expenses in the previous year. There could not be any question of repairs to furniture before purchasing it. No question of repairs can arise in the year of purchase. The company should either forego the entire expenses under the heading "Repairing charges" in the year under reference or should spread it over the total repairing expenses in the three years. The consolidated accounts for the three years can be reconstructed by equitably spreading over the total expenses on this account in three years. This would come to Rs. 2,410 a year. This amount is allowed in the year under reference. The result is Rs. 1,796 should be added to the net profits shown in the profit and loss accounts. No income-tax was paid in 1956. The income-tax assessments for the year 1957 are not made as yet. Charging of Rs. 913-5 as income-tax in the year under reference is not, for our present purpose, proper. This amount should also be added to the profits. The total net profits should be calculated at Rs. 3,684-10-3. There were other objections to entries showing expenditure in the balance-sheet. In fact, there was increased expenditure by Rs. 30,000 over that of the year 1955-56. Now, as to the deduction of the prior charges under the Full Bench Formula, the total deduction claimed amounted to Rs. 3,313 only. There is no objection to deduction on account of return on paid-up capital at 6 per cent. Rs. 780 should on that account be deducted from the profits. There is no evidence on record that any capital was employed as working capital during the whole year under reference. Therefore, there should not be any deduction on this account. As to the other deductions, claimed as prior charges under the Formula, depreciation at 6 per cent. on the assets, and replacement reserve on 10 years' basis under the income-tax law, cannot be allowed in this particular case. Of all the assets, amounting to Rs. 21,927-9-9 in the year under reference, Rs. 14,598-7 represent furniture shown in the accounts as purchased in that year. About Rs. 498-10-6 represent the value of stock of food in hand. Balance is cash money. There can be no question of any deduction from profits, for depreciation and replacement, as there cannot be any depreciation on account of

money in hand, and no question of replacement of furniture shown as purchased in the year under reference can arise in this case. These deductions are, therefore, disallowed. Some amounts may be reasonably claimed on account of income-tax, which is a prior charge. That was not claimed in Exhibit K(1). The available surplus comes up to Rs. 2,904-10-3. The monthly salary payable to the staff is Rs. 2,600 to Rs. 2,700 roughly. As I said before, the company is entitled to a deduction under the Formula on account of income-tax. Such deductions would further reduce the available surplus but, at any rate, would leave sufficient margin for payment of a bonus out of profits to the staff. The conditions necessary for payment of bonus, out of profit, are not disputed. They are taken as fulfilled. I, accordingly, allow the employees, who have put in more thon 32 days' continuous service in the year in question, a bonus, out of profits, amounting to three weeks' basic wages only. Any advance already paid on this account may be deducted from this. All payments should be made under this award within one month from the date of its publication.

This is my award.

M. N. GAN,
Judge, Fourth Industrial Tribunal.

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Ferrazzini's Private Ltd., 21 Lindsay Street, Calcutta, and their workmen represented by Calcutta Lower Grade Employees' Union, 249 Bowbazar Street, Calcutta-12. (Case No. VIII 237/57.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the Union: Shri Suprabhat Mukherjee, Advocate.

For the Company: Shri P. R. Mukherjee.

This industrial dispute in respect of the following eight issues, between Messrs. Ferrazzini's Private Ltd. (hereinafter referred to as the company),

21 Lindsay Street, Calcutta, and their workmen represented by Calcutta Lower Grade Employees' Union, 249 Bowbazar Street, Calcutta-12, was referred to this Tribunal for adjudication by the Government of West Bengal, Department of Labour, order No. 4819-I.R./IR/11L-56/57, dated 10th December 1957.

Issues

(1) Annual increment;

(2) Leave and holidays;

(3) Overtime;

(4) Rest;

(5) Medical facilities;

(6) Free meal;

(7) Retiring benefits;

(8) Was the dismissal of Bhulote Mistry justified? What relief is he entitled to?

Both parties filed written statement, adduced evidence, oral and documentary, and advanced argument in this case.

Award

Issue No. 8: This issue is not pressed for adjudication as the workman concerned was already taken into the service.

As to the remaining seven issues, the company's contention is that the earlier award of 1950 decided all the issues, and the said award is still binding on the parties. This was not terminated by any notice as required by section 19(6) of the Industrial Disputes Act. Accordingly, the reference of the very same issues in this case is illegal and invalid. Further, no change of circumstances was either pleaded or proved in support of this case for fresh demand. The company contests that the issues are barred by the principles of *res-judicata*. Shri P. R. Mukherjee, appearing on behalf of the company, relied on a decision of Punjab High Court, in the Punjab Distilling Industries, Ltd. and Industrial Tribunal, Punjab and others, reported in 1858, L. L. J. II, p. 109, and contended that if the disputes referred for adjudication were subject-matter of the prior award in force between the parties, them the reference of the same dispute would be illegal. He also relied on a decision of the Hon'ble Supreme Court in Burn & Co. Ltd. and their employees reported in 1957, L. L. J. I, p. 226, and pointed out that since the Union had not endeavoured to plead or prove any change in circumstances since the last award, the findings of that award operated as *res-judicata* in the present case. Shri Suprabhat Mukherjee for the Union refuted the arguments by saying that the charter of demands, Ext. 1, submitted to the Management on the 20th May 1957, amounted to a notice, in writing, terminating the previous award, and since this reference was made more than two months from that date, the previous award must be taken to be of no legal effect. In my opinion, this contention is fallacious, and cannot be accepted. The charter of demands contains a list of claims made on behalf of the employees upon the Management for improved conditions of service and higher wages, etc. This can never be treated as notice contemplated in section 19(6) of the Industrial Disputes Act. Such notice should be in writing and must clearly indicate the intention of the party to terminate the award. I am afraid, I am to hold that this reference relating to issues covered by the previous award of 1950 between the parties is illegal and invalid. Accordingly, this Tribunal is not competent to adjudicate upon those issues.

The issues contained in the award of 1950 were published in the *Calcutta Gazette*, dated 22nd November 1950. Section 19 of the Industrial Disputes Act was amended by Act 48 of 1950 on the 20th May 1950. The amended section came into operation when the said award was still in force. The applicability of section 19(6) to that award cannot be challenged. That award contained 11 issues including scales of pay, gratuity, provident fund, leave and holidays and restoration of Khoraki. Though slightly differently worded in places the issues of annual increment, retiring benefits, leave and holidays and free meal appear to be the same as in the award of 1950. Only issues of overtime, rest, and medical benefits are not directly covered by the old award. Before I take up the consideration of these three issues in the present case, I would like to place on record that the financial position of this company, as stated in the evidence of its Manager, O. P. W. 1, Mr. Martin, is not at all satisfactory. It is said to be running at a loss year after year. The last year's balance-sheet is not yet ready but then Mr. Martin said that it would also be a year of loss. The earlier award of 1950 shows that the company was also running at a loss at that time. Shri Mukherjee, therefore, contends that there has not been any change in the circumstances on which the previous award was based since the date of that award. Therefore, in any case, the reopening of the issue does not arise. The parties must remain satisfied under that award.

Overtime (Issue No. 3): Overtime was claimed at double the rate of ordinary wages. P. W. 2, Shri Baijnath, a mistry in the service of this company, said that overtime was being paid since the case was started at double the ordinary rates. O. P. W. 1, Mr. Martin, admitted that position. I find that since the date of reference of this dispute, overtime is being paid at double the ordinary rate of wages as in the demand. This will continue to be paid at that rate.

Medical facilities (Issue No. 5): O. P. W. 1, Mr. Martin, said that the company offered medical facilities to employees who were seriously ill. He concluded his deposition here by saying that if really the employees were ill, he would certainly offer medical facilities to them. In Ext. 1, the Union asked for medical facilities, e.g., cost of medicine. The company agrees. The company will grant medical facilities to its employees falling sick, including cost of medicine.

Rest (Issue No. 4): The demand is for half-an-hour rest for the workers during the duty hours from 6-30 a.m. to 2 p.m. There is no evidence before this Tribunal to show that the workers have to do work continuously without any break for more than six hours at a stretch. I cannot assume that all the workers work under heavy pressure and do not get any time for rest. I believe that the Management would not grudge the workers short rest if they do not get it at present.

This is my award.

The Government of West Bengal, in the Department of Labour, by order No. 5111-I.R./IR/11L-643/57, dated 27th December 1957, referred under sections, 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), an industrial dispute between Messrs. Gokulchand Gajadhar, 38 Cotton Street, Calcutta-7, and one of their workmen Shri Niranjan Saha, represented by Barabazar Jamadar Sangh, 90 Lower Chitpur Road, Calcutta-7, regarding the matter specified in the second schedule of the Act, to this Court for adjudication.

Schedule

Whether the Management was justified in dismissing Shri Niranjan Saha.

To what relief is he entitled?

AWARD

This is a case arising out of alleged illegal and unjustified dismissal of one Shri Niranjan Saha, previously employed in Messrs. Gokulchand Gajadhar, 38 Cotton Street, Calcutta-7, hereinafter described as the company for the sake of brevity.

The case of the Union is that the aforesaid workman served this company for the last 13 years and had an unblemished record of service. The age of the workman is 66 and as such the Management terminated the service with effect from 20th June 1957 without any previous notice or notice pay or gratuity or retirement benefit. The Company, therefore, ignored all principles of natural justice and dismissed him most illegally. The Union therefore seeks his reinstatement with compensation.

The Company, on the other hand, justifies the termination of service of this workman as he is aged about 70 years and he is physically unable to do any work. The workman was absent on and from 31st May 1957 and it was ascertained on enquiry that he was ill and could not work. The Union took up his cause and it was decided at a conference at the Labour Directorate that the workman would be reinstated. The workman, however, accordingly came to the company but did not join his work and gave out that he would be satisfied if he was paid Rs. 100 as retrenchment compensation as he could not work due to ill health. Accordingly, Shri Saha received an amount of Rs. 100 and accordingly a receipt was granted by him and this relinquished his further claim to reinstatement. The company therefore contends that there is an end of the Union's case.

Decision

Admittedly there was a memorandum of settlement through the Conciliation Officer. The memorandum of settlement is marked Ext. 3 and dated 17th August 1957. The terms of agreement are as follows: "It is agreed that the Management shall reinstate Shri Niranjan Saha in his service. He shall be paid 14 days' wages for the period he remained out of employment". If the terms of agreement were given effect to by the company there would have been an end of the matter. Now it is to be investigated why the terms of agreement were not given effect to and who is responsible for it. In this case I have had the advantage of closely observing the workman concerned who seemed to me to be nearing 70 and appeared to have had sparms of asthma while giving his deposition in Court. I therefore find that there is truth in the allegation of the company that the workman could not rejoin due to ill health in pursuance of the agreement. The company obviously, as it appears to me, took advantage of the illness and physical inability of the workman to resume work and tried to get rid of him by making some payment. It is the version of the company that Rs. 100 was paid on the basis of receipt Ext. A, dated 30th August 1957. The workman, on the other hand, denies to have received Rs. 100 as acknowledged in the receipt. The workman accordingly made a complaint Ext. 4, dated 30th Bhadra 1365 (16th September 1958). The evidence on the side of the company also as regards payment is materially discrepant. Shri Madhusudan Pal, O.P.W. 1, says that Rs. 80 was paid in ten rupee notes while the receipt was taken from the workman. O.P.W. 2, Shri Bholanath Tapadar, on the other hand, says that he saw the payment of Rs. 100 under the receipt. So the evidence regarding payment of Rs. 100 under the receipt is wholly unreliable and there is no consistent story in regard to payment. The sumtotal of the evidence however convinced the Court that the workman due to continued ill health agreed to relinquish his claim if he were paid Rs. 100 and this is consistent with the receipt he admittedly granted for Rs. 100.

Reinstatement is out of the question as he cannot physically work and the workman does not seem to press for it as he says that he would be driven out by the company again if he is reinstated. As the workman himself, I am convinced, agreed to accept Rs. 100 and give up his other claims

against the company, the sum of Rs. 100 may be paid by the company to the workman as agreed to by him. The termination of service of the workman is therefore found justified due to continued ill health and as such he is not entitled to retrenchment benefit under the Act (*vide* 1954 L.L.J., Vol. II, page 637, Imperial Tobacco Co. of India & Ethiraj's) and the company is directed to pay Rs. 100 to the workman as previously agreed to by him within a month of the publication of this award.

This is my award.

BEFORE THE SECOND LABOUR COURT, WEST BENGAL

PRESENT:

SHRI PROBODH CHANDRA MAITRA, M.A., B.L., *Presiding Officer, Second Labour Court.*

Acting under sections 7 and 10 of the Industrial Disputes Act, Government of West Bengal, Labour Department, by its order No. 2546-I.R./IR/-10L-123/57, dated Calcutta, the 18th June 1958, referred to me an industrial dispute existing between Messrs. India Industrial Works (P.) Ltd.

and their workmen represented by Engineering Mazdur Sabha, for adjudication.

The matter of dispute as stated in the schedule to the order of reference is as follows:—

Is the enforced idleness of the workers for five days in a week as per notice of the Management, dated 16th November 1957 justified? To what relief are the workers entitled?

FINDINGS

Usual notices were issued on the parties and both the parties submitted their written statement. On 18th February 1959, i.e., on the date of hearing, both the parties appeared before me and filed a joint petition of compromise stating that they have amicably settled the dispute in terms of the memorandum of settlement arrived at between the parties on 7th February 1959. I have gone through the petition of compromise and I would consider the terms of settlement to be reasonable and fair and they should be given effect to. I would therefore give a compromise award in terms of the memorandum of settlement which will form part of my award as an annexure.

AWARD

This is an application under section 33A of the Industrial Disputes Act against Messrs. Dutson Engineering Corporation Private Ltd., hereinafter described as the company for the sake of brevity.

The applicant states that he is a permanent employee of the company and the company suspended him from 31st March 1958 without any ground. The company did not pay him any wages. The applicant therefore prays for a direction that the company do reinstate him and pay him wages in full for the period of idleness.

The company put in a written statement contending, *inter alia*, that on 29th March 1958 the applicant workman assaulted his colleague Shri Rabindra Nath Kundu and on preliminary investigation he was placed under suspension as a measure of security and on due enquiry he was found guilty of the charge framed against him.

The company further contends that the workman is not connected with the dispute pending against 8 others workmen, nor is the subject-matter of that dispute in any way connected with the one forming the subject-matter of this application.

Twenty-third February 1959 was the date fixed for hearing of the application. On this date the applicant is absent nor was any step taken on his behalf. So it is presumed that no dispute is pending at the present moment. Besides that, it is represented to me by Shri Panchanan Bhattacharyya, President of the Union of the workmen of the company, that the applicant has since got a job elsewhere and will not proceed with the case. Thus a "no-dispute" award is passed in this case.

This is my award.

PRESENT:

Appearances

Present for the company: Shri S. K. Bhanja Chowdhury, LL.B., Labour Adviser.

Present for the workman: None.

AWARD

This is an application by Shri Dulal Chandra Das under section 33A of the Industrial Disputes Act against Messrs. Dutson Engineering Corporation Private Ltd., hereinafter described as the company for the sake of brevity.

The applicant states that he is a permanent employee of the company which suspended him without any ground or reason whatsoever with effect from 31st March 1958 and that he was later on informed on 9th July 1958 that he was dismissed retrospectively.

The applicant prays for a direction on the company to reinstate him with full wages for the entire period of his idleness.

The company in its written statement denies applicant's allegations and alleges that the applicant picked up a quarrel with his colleague Shri Rabindra Nath Kundu and abused him and struck him with a rod causing injury. On preliminary investigation the company suspended him and later on the applicant was found guilty of the charge framed against him and gave him an opportunity to offer apology of which he did not avail himself. It is further contended that the instant dispute has got no connection with the main dispute pending.

Twenty-third February 1959 was fixed for hearing this application. On this date the workman did not appear, nor take any steps. Presumably there is no dispute pending at the moment. Moreover, it is represented by Shri Panchanan Bhattacharjee, the President of the Union of the workmen of the company, that the applicant has since got a job elsewhere and will not proceed with the dispute.

So a "no-dispute" award is made in this case.

This is my award.

AWARD

Decisions

The order of reference relates to 34 workmen who are claimed by the Union to be doing clerical work. These 34 workmen are mentioned in a list attached to the order of reference. According to the Union, the workmen Nos. 1 to 20 in the list are doing clerical jobs and have been designated as clerks, but the other 14 workmen, being from Nos. 21 to 34, are doing clerical work, but have been designated as Helpers. It is the Union's case that workmen Nos. 1 to 20 of the list are not being given the clerical grades fixed by the First Omnibus Cotton Textile Tribunal, but are paid much less basic pay and their basic salaries were not fixed according to the award of the Tribunal in 1948, when the award of the Tribunal was published and enforced on the company. The union further states that workmen Nos. 21 to 34 are being paid as manual workers, although they are doing clerical jobs. In the written statement, the Union stated that, inasmuch as, the Company had revised the basic wages of 7 workmen, being Nos. 5 to 11 of the list, no relief was claimed by the Union on their behalf in this proceeding. At the time of the hearing, the Union adduced no evidence on behalf of workmen Nos. 1 to 4 and 12 to 20, although in the written statement, it detailed claims for fixation of their basic salary according to the First Omnibus Cotton Textile Award, and also made a claim for recovery of loss in wages incurred by them till the date of the filing of the written statement on account of the company's failure and negligence in fixing their basic salaries in accordance with the terms of the First Cotton Textile Tribunal Award. I learnt at the time of the hearing that the basic salaries of these workmen, being Nos. 1 to 4 and Nos. 12 to 20, have been adequately fixed and the Union had no claims to make for them in the present proceeding. It is, therefore, clear that in the present proceeding, no relief is pressed on behalf of the workmen Nos. 1 to 20, as their

claims have been satisfied amicably by the company partly before the filing of the written statement by the Union, and partly before the commencement of the hearing of the case.

The Tribunal is now concerned with the case of 14 workmen, being those from Nos. 21 to 34. It is also admitted by both the parties that out of these 14 workmen, No. 23 Shri Nirmal Chatterji, No. 28 Shri Panchu Gopal Roy, No. 30 Shri Gora Chand Saha and No. 32 Shri Bidhu Bhusan De had left the service of the company. No relief is, therefore, claimed by the Union on their behalf

The company, in its written statement, opposed the claim of the Union. It states as follows:

The First Cotton Textile Tribunal Award was passed in 1948, with a period of operation of one year from the date of enforcement of the award. The award expired after one year and the benefits flowing thereform were recoverable by a civil suit or under the Payment of Wages Act and not by a fresh order of reference. The Government of West Bengal, by an order of reference, dated 12th September 1956, referred certain industrial disputes to this Tribunal between the Cotton Textile Industry of West Bengal as employers, in which this employer and their workmen were included. The grades of clerical staff and scales of wages to be fixed for them and the method of fitting in the said scales were the subject-matter of adjudication before the said Tribunal. In view thereof, the present reference whether the employees should be fitted in the scales of wages prescribed by the First Cotton Textile Tribunal Award for the clerical staff is not maintainable. The reference is, therefore, not valid in law and is inoperative. The First Cotton Textile Tribunal Award of 1948 did not provide therein that the workmen mentioned in the list attached to the present order of reference were members of the clerical staff. The employees mentioned in the attached list had no rights conferred by the said award to be reckoned as clerks or to be entitled to the scales meant for clerks. In view thereof, no question of applicability of the scales of wages awarded for clerical staff, or payment of any difference between the awarded rates and the present rates of wages does arise. Employees mentioned in the attached list to the order of reference from Nos. 1 to 34 are all workmen doing manual work and all the workers who were in service in 1948, have been paid wages as prescribed by the First Cotton Textile Award, and on the expiry of the award after one year their wages were not reduced. The applicability of the award or implementation of the same in cases of employees who were employed after the expiry of the award is not contemplated under the law and their claim under the award is not maintainable. The workers mentioned in the list are all manual workers and belong to the categories of unskilled or semi-skilled labour. It is denied that they discharged any clerical duties or that they were recruited as members of the clerical staff. The workmen Nos. 31 and 32 are employees in the category of Helper Bearer in the Medical Department. The employer denies the liability for inclusion of the employees in the grade of clerical staff, or for application of the scales of wages meant for clerical staff to the said employees, or for payment of any difference between the rates of wages in the scales meant for clerical staff and the rates at which they are paid, and submits that the rights flowing from the award were alive only for one year in respect of those who were in employment prior to the award or subsequent thereto within the period of operation and have been extinguished on expiry thereof.

In view of the pleading of the company as to the maintainability of the present order of reference, the following issue is framed:—

Issue No. 2

Is the present reference maintainable?

This issue is considered below.

Issue No. 2: The plea of the company that the benefits conferred by the First Cotton Textile Tribunal Award, which was made in 1948, could not be availed of by the workmen after the expiry of the period of operation of that award was opposed by the learned Advocate for the Union. It appears that the First Cotton Textile Tribunal Award was published on 21st August 1948, and was made effective for one year from 1st August 1948. It was argued by the learned Advocate for the company that the period of operation of the First Cotton Textile Award expired on 31st July 1949, and the benefits conferred by that award could not be availed of by the workmen after that date. This claim is not supported by the decision of the Hon'ble Supreme Court in the case of Messrs. Burn & Co. Ltd., reported in 1956 L.A.C., 799. The Hon'ble Court decided that an adjudication did not lose its force when it was repudiated under section 19(6) of the Act and approved of the decision of the Hon'ble Labour Appellate Tribunal in the case of the Army & Navy Stores Ltd., Bombay, and their workmen, 1951 (II) L.L.J., 31, and Ford Motor Car Co. of India Ltd. and their workmen, 1951 (II) L.L.J., 231. In the cases of the Hon'ble Labour Appellate Tribunal mentioned above, it was decided that awards made in January 1948 and May 1948, were to continue to be effective even beyond the period of their operation, unless there was a change of circumstances on which they were based. The same is the opinion of the Hon'ble High Court at Bombay as enunciated in the case of Mangaldas Naraindas, reported in 1957 (II) L.L.J., 256, where it is stated that the termination of the award has not the effect of extinguishing the rights flowing therefrom. It is stated that the effect of termination of the award is only to prevent enforcement of the application under the award in the manner prescribed, but the rights and obligations which flow from the awards are not wiped out. The same is the opinion of the Hon'ble Kerala High Court as expressed in the case of Kumarswamy, reported in 1958 (II) L.L.J., 72. It is, therefore, clear that the termination of the First Cotton Textile Award by efflux of time did not wipe out the rights flowing therefrom. It appears that another Omnibus reference between the Cotton Textile Industry in West Bengal and their workmen, in which the present company and their workmen are parties, was pending before the First Industrial Tribunal on the date of the present reference and an award in the second Omnibus reference has been already published on 10th June 1958. It is argued by the learned Advocate for the Company that as the First Cotton Textile Tribunal Award has been superseded by the Second Cotton Textile Tribunal Award published on 10th June 1958, there can be no reference for fixation of the wages of any workmen of the company into the scales fixed by the first award, as the parties are bound by the second award at the present time. This question need not be answered, in view of the facts enumerated above, viz., that the company has already amicably settled the case of the clerical staff Nos. 1 to 20, who were alleged by the Union to have been designated as clerks, but were not given the wage scales awarded by the First Cotton Textile Tribunal Award. The issue has since been amended by the appropriate Government and it has been added as to whether the employees should be fitted into any other scale of wages considered suitable by the

Tribunal. This amendment was assailed by the learned Advocate for the Company on the ground that it was *ultra vires* of the Government to do so, in view of the decision of the Hon'ble Supreme Court in the case of State of Bihar *vs.* D. N. Ganguli and others, usually known as the Bata Shoe Co. Case, reported in 1958 (II) L.L.J., 634. This decision of the Hon'ble Court has no application in the present case. The decision only enunciates the doctrine that under section 21 of the General Clauses Act, the appropriate Government has no powers to rescind or cancel an order of reference. In the present case, the amendment of the issue of the order of reference has not the effect of rescinding or cancelling the order of reference. This amendment is made under section 21 of the General Clauses Act. The decision of the Hon'ble Supreme Court clearly states that in the present case, the Hon'ble Court was not considering the powers of the Government to amend or add to a reference made under section 10(1) of the Act. The Government has the clear jurisdiction under section 21 of the General Clauses Act to add to or amend a reference made by it under section 10(1) of the Act. That being so, the Tribunal is entitled to consider the fitting in of the wage of the employees under reference into any scales, whether of the First Cotton Textile Tribunal Award, or any other scales including that awarded by the Second Omnibus Cotton Textile Tribunal.

Under section 151 of the Civil Procedure Code the Civil Court is entitled to take notice of subsequent events, although it is not bound to do so and may decide the case on the facts existing on the date of the institution of the suit (*vide* A.I.R. 1951, Assam, 105). In the same way, in exercise of its inherent powers to do justice between the parties, the Tribunal can decide the case on the facts existing on the date of the reference. The Second Cotton Textile Award was made several months after the date of the reference.

In the present case, however, the only question that arises for decision will be whether the workers Nos. 21 to 34, who are alleged to be doing clerical duties, really do such duties and if they should be fitted into any scale of wages as awarded by the First Textile Tribunal or any other scales, as considered proper by the Tribunal. I do not consider that there is any incompetency in the order of reference, or that the company has succeeded in showing that the order of reference is not maintainable in law in any way. This issue is accordingly answered.

Issue No. 1: As stated above, cases of 14 workmen being those from Nos. 21 to 34 in the list attached to the order of reference only need be considered in the present case. The question is if these 14 workmen are doing clerical or manual duties, and if they should be fitted into any scale of wages for clerical staff as considered proper.

It appears from the evidence that No. 27 Shri Bijoy Basu Mullick and No. 24 Shri Achutananda Kundu, applied to the Management, stating that they were not members of the Union and they did not make any claim in the Tribunal regarding their wages. These letters are Exts. F and F(1). These two workmen, being No. 27 Shri Bijoy Basu Mullick and No. 24 Shri Achutananda Kundu, did not appear before the Tribunal and I do not consider the Tribunal is required to make any award on their behalf in this

proceeding. We are, therefore, left with 8 workmen, for whom the issue referred to the Tribunal has to be answered. They are as follows:—

Serial No. in the order of reference.		Name.
21	...	Shri Rabindra Banerji.
22	...	Shri Gurudas Bhattacharjee.
25	..	Shri Hari Mohan Banerji.
26	...	Shri Tarapada Pathak.
29	...	Shri Baidya Nath Saha.
31	...	Shri Bejoy Roy.
33	...	Shri Pashupati Adhikari.
34	...	Shri Kanai Sarkar.

I shall consider the nature of employment of the aforementioned workmen and decide if they are to be fitted into any clerical scale of wages.

Evidence was adduced by both the parties. P.W. 1 Shri Panchu Gopal Roy (serial No. 28), P.W. 2 Shri Pashupati Adhikari (secial No. 33), P.W. 3 Shri Bejoy Roy (serial No. 31), P.W. 4 Shri Baidya Nath Saha (serial No. 29), P.W. 5 Shri Gurudas Bhattacharjee (serial No. 22), P.W. 6 Shri Rabindra Banerji (serial No. 21), P.W. 7 Shri Hari Mohan Banerji (serial No. 25), P.W. 8 Shri Kanai Sarkar (serial No. 34) and P.W. 9 Shri Tarapada Pathak (serial No. 26), deposed for the Union. It will appear that P.W. 1 Shri Panchu Gopal Roy (serial No. 28), has since left the services of the Company. The other 8 persons are the workmen the nature of whose employment will have to be determined by the Tribunal. Documents Ext. 1 and Ext. 2 were marked for the Union. O.P.W. 1 Shri Amar Kumar Chatterji, Assistant Spinning Master, and O.P.W. 2 Shri Gour Bhusan Pramanik, Warehouse Supervisor, deposed for the company. Documents Exts A to F(1) were marked for the company.

The cases in regard to the 8 workmen in question are considered below.

No. 21 Shri Rabindra Banerji: He is P.W. 6. He states that he gets Rs. 55 including D.A. He did not do any manual work. He worked in the Rapping Office of the Spinning Department and wrote the following books:—

(1) Fly Frame Record Book;

(2) Drawing Book;

(3) Waste Book No. 2;

(4) Waste Book No. 1;

(5) Billet Consumption Book;

(6) Yarn Production Book; and

(7) Fly Frame Wages Book.

He also prepares the monthly statement. In cross-examination, he states that he is designated as a Helper, although he does the work of a clerk. It was suggested by the company in his cross-examination that he worked in the Blow Room. The suggestion was denied, and there is no evidence to justify this suggestion. He states that he never work on any machines. It was suggested in his cross-examination that he assisted the clerk in the Rapping Section. The suggestion was denied. The witness further states that when the clerk is on leave, he also does the clerk's quota of work. The evidence of O.P.W. 1 Shri Amar Kumar Chatterjee, Assistant Spinning

Master, shows that Rabindra Banerji notes the production of fly frames and he notes the production from the reports obtained from the departments, although the final report is made by the Clerk-in-charge. O.P W 1 also states that Sris Babu, Clerk, prepares the monthly statement and not Rabindra Banerji. In cross-examination, the witness states that there are books known as Fly or Speed Frame Rapping Book, Fly Frame Production Book and Fly Frame Wages Book, and these books are maintained by the clerks whose names appear in the order of reference. The evidence on record, therefore, shows that Rabindra Banerji, although he is getting an unskilled worker's wage, is performing clerical duties and maintaining books of production of the factory and does not do any manual work. It is decided that Shri Rabindra Banerji is doing the duties of a clerk, although he is called a Helper and should be paid the wages of a clerk.

No. 22 Shri Gurudas Bhattacharjee: He is P.W. 5. He states that he has been working in the mill for about 8 years. He states that he passed the Matriculation Examination in 1948. His total pay is Rs. 55 per month all along. He works in the ring frame and enters the production of the yarn from the ring frames. He maintains the following books:—

(1) Spinning to Winding Delivery Book;

(2) Cheese Winding Production Entry Book; and

(3) Reeling Production Entry Book.

If the worker in the A shift is absent, he has to submit the report of production of the previous day. In the acquittance roll, he has been designated as a Helper. It is not a fact that he works in the Blow Room. He worked in the Spinning Department. The evidence of P W. 6, Rabindra Banerji, shows that Gurudas Bhattacharjee works in the Ring Frame Section of the Spinning Department, and it is the work of a clerk. P W. 7 Shri Hari Mohan Banerjee, while explaining his own work and stating that he did clerical work, stated that he worked in the A shift and Gurudas Bhattacharjee did corresponding work in the B shift. O P.W. 1 Shri Amar Kumar Chatterjee, Assistant Spinning Master, states in his evidence that Gurudas Bhattacharjee gets the production of ring-frame weighed and notes down the poundage in the *khata*. He has to note the production of the Cheese Winding. He also states that Gurudas Bhattacharjee sees the weighment as found from the scales. In cross-examination also, he stated that Gurudas Babu and Hari Mohan Babu wrote the Daily Spinning Production Book. There are 66 spinning frames and the production of these frames have to be noted in these books and the two persons, being Gurudas Babu and Hari Mohan Babu, makes the noting. They have got to make the noting throughout the day for every hourly production. There are Winding Delivery Book, Weaving Delivery Book, Cheese Winding Production Book, Reeling Production Book and Dye House Delivery Book. All these books are written by Ranjit Sen, Gurudas Babu and Hari Mohan Babu.

The evidence on record shows that Gurudas Bhattacharjee, who is a Matriculate, never did any manual work and did the work of a clerk in the Spinning Department, although he is designated by the company as a Helper. He is paid the minimum wage payable to an unskilled worker. It is decided that he should be considered as doing clerical duties and should be paid the wages of a clerk

No. 25 Shri Hari Mohan Banerji: He is P.W. 7. He states that he is a clerk in the Spinning Department and has been working for the last 10 or 12 years. He writes the Daily Production Book, Weaving Delivery Book, Winding Delivery Book, Cheese Winding Book, Dye House Delivery Book and Reeling Book. He does not work on machines. Ten or 12 years

ago, he worked for some days on a machine and for the last 10 or 12 years, he has not been doing any manual work. His present total pay is Rs 60-8. In cross-examination, he says that he entered the company's service as a Blow Room Helper and worked on machine in reeling. He then learnt writing books and since then, he has been writing books of the company. He works in the A shift and Gurudas Babu works in the B shift for the corresponding duties. It was suggested by the company that his designation in the acquittance roll was a Helper. Winding Delivery Book, Ext. E, was produced by the company and the witness stated that it contains entries by him, as well as by clerk Ranjit Sen. The witness states that he notes the production of the Spinning Department and notes in the books the weights of the production of the Cheese Winding Department. Before August 1958, when he was transferred to the B shift, he wrote all along the Dye-House Delivery Book, although the report is sent by the Clerk-in-charge, Ranjit Sen. The evidence of O.P.W. 1 Shri Amar Kumar Chatterjee, Assistant Spinning Master, as has been stated above, clearly shows that this witness along with Gurudas Bhattacharjee, writes the Daily Spinning Production Book and makes notings throughout the day for every hourly production and he also maintains the Winding Delivery Book. Weaving Delivery Book, Cheese Winding Production Book, Reeling Production Book and Dye House Delivery Book. Exhibit E is the Winding Delivery Book. The evidence on record, therefore, substantiates the claim of Shri Hari Mohan Banerjee that he does the duties of a clerk in the Spinning Department and is not a manual worker. It is decided that Shri Hari Mohan Banerjee performs clerical duties and he should be paid the wages of a clerk and not an unskilled worker as at present.

No. 26 Shri Tarapada Pathak: This workman is P.W. 9. He is a Matriculate. He states that he maintains the Production Book of the Blow Room Department, the Waste Book, the Bonda Book and the Willow Book. He also maintains the Report Book for absence of clerks in the A shift. He also works for the absent clerks in the Spinning Department and in the Rapping Department. His total pay is Rs. 64 per month since the date of the enforcement of the last award. Before that date, his total pay was Rs. 54 per month. He passed the Matriculation in 1952. He states in cross-examination that to start with, he was a Cheese Winder and put bobbins in the machines. In spite of his being a Matriculate, he entered in the job of a manual worker and did such work for two or four months. After that, he has been doing the work of a clerk. He also states in cross-examination that after the institution of this case, the Mixing Khata is being written by the Supervisor of his department and before that, he also maintained that *khata*. The evidence of O.P.W. 1 Shri Amar Kumar Chatterjee, Assistant Spinning Master, shows that Carding and Roving Waste Book, Bonda Book, Willow Production Book, Mixing Book and Reeling Production Book are maintained by Tarapada Babu and Baidyanath Saha. The evidence on record clearly shows that Shri Tarapada Pathak has been doing the work of a clerk for more than two years, and that, he should be paid the wages of a clerk and not of a manual worker, as is being done and it is decided accordingly.

No. 29 Shri Baidya Nath Saha: This workman is P.W. 4. He says that he passed the Matriculation Examination in 1942 and does the work of a clerk in the Blow Room. His evidence shows that he notes the production of laps in the finisher machine. He records the waste cotton from the Carding Department. In the afternoon, he notes the weighment of droppings. He maintains Daily Production Book, Daily Production Report Book, Waste Book and Bonda Book and prepares the monthly report. He does not do any manual work. He also maintains the Mixing Book.

His total pay is Rs. 54 per month. In cross-examination, it was suggested that he did the work of a Cheese Winder. He denied the suggestion. He says that Tarapada Pathak, another workman in the B shift, does the same work as he did. The evidence of O.P.W. 1 Shri Amar Kumar Chatterjee, Assistant Spinning Master, also shows that Carding and Roving Waste Book, Bonda Book, Willow Production Book, Mixing Book and Reeling Production Book are written by Tarapada Pathak and Baidya Nath Saha. The evidence on record, therefore, clearly shows that Shri Baidya Nath Saha has been doing the work of a clerk for the last several years, and should be paid the wages of a clerk and not that of a manual worker, as is being done at present and it is decided accordingly.

The learned Advocate for the company described the above five workers as Blow Room Helpers and Cheese Winders. He grouped two workers, viz., No. 33 Shri Pashupati Adhikari and No. 34 Shri Kanai Sarkar as Checkers and No. 31 Shri Bejoy Roy as a Dispensary Bearer. The cases of workers characterised as Blow Room Helpers and Cheese Winders, have been discussed above. The cases of the Checker and the Dispensary Bearer will be discussed below.

No. 33 Shri Pashupati Adhikari: This workman is P.W. 2. He states that he has been working in this mill for the last 10 or 12 years. He says that he writes the production of 510 looms with reference to the Weight Register. He writes the Billet Book of Weavers. He has not to do any manual work. He has been drawing Rs. 64 as total wage for the last 4 years. In cross-examination, he states that about 8 years ago, he used to do the work of a Checker for about 3 years. He has to prepare records from Checkers' khatas. He states that he notes in book, Ext. A, which is maintained by Checkers in the case of absence of any Checker and is given overtime for that work. His designation in the Pay Book is that of a Checker and he writes the Weight Book and the Billet Book in the Weaving Shed. The Weight Book is not written by anybody else or by any Checker. The evidence of P.W. 8, Shri Kanai Chand Sarker, another workman designated as a Checker by the company and working in the warehouse, shows that Pashupati Adhikari does the work of checking of 25 looms and also makes note of checking by Checkers of the production of the Weaving Department in his *khata*. Checkers usually check production of 80 looms per day. O.P.W. 2 Shri Gour Bhusan Pramanik, Warehouse Supervisor, stated that Shri Pashupathi Adhikari and Shri Kanai Sarkar are Checkers. Regarding Shri Pashupati Adhikari, he says that he does the work of checking of 25 looms, and for the rest of the day, he notes the production of Checkers from their *khatas* in the Rough Production Book serially, and a Checker has got to do the work of checking of about 75 looms daily. The witness further states that Pashupati Adhikari checks the production of only 25 looms by arrangement with the other Checkers, and in lieu of checking the production of the other 50 looms, he makes notes serially of the Checkers' Production Book, which is the duty of the Checkers themselves. The case that while a Checker normally has to check the production of about 75 looms daily and Pashupati Adhikari checks the production of only 25 looms by arrangement with other Checkers and in lieu of checking 50 looms, he notes the production, was not suggested to Pashupati Adhikari or P.W. 8 Kanai Chand Sarker at the time of their cross-examination, and this evidence by O.P.W. 2 is unworthy of acceptance. O.P.W. 2 Shri Gour Bhusan Pramanik admitted in his cross-examination that Pashupati Adhikari noted the production figures in the Weaving Production Book. Pashupati Adhikari's evidence shows that he writes the Weight Book and the Billet Book of the Weaving Shed. Considering the evidence on record, it is decided that Shri Pashupati Adhikari does the

work of a Checker for a part of his time and the work of a clerk for the rest of the day. If he was a Checker only, he would have only to check the production of 75 to 80 looms a day. The company makes him check the production of 25 looms per day and for the rest of the period, makes him work as a clerk. In the circumstances, he should be paid the wages of a clerk, because there is, in this case, a combination of duties, being those of a Checker and a clerk, and the workman, in all fairness, should be paid the wages for the more highly paid job.

No. 34 Shri Kanai Sarkar: This workman is P.W. 8. He says that he is a clerk in the Finishing Department and has been working for the last 7 years. He states for one year in the beginning of his service, he did the work in the Finishing Department. At present, he notes the production of the Weaving Department and also notes the quality of the product of the Weaving Department. He writes the Production Book and the Cloth Rejection Book, and prepares the monthly report of the rejected goods. His total pay is Rs. 60.67 nP., being the minimum wage of an unskilled worker in the industry. He states that he does not do any manual work. In cross-examination, he states that he is designated by the company as a Warehouse Weighman. He states that he notes the weights of production loomwise. He notes the rejected articles in his *khata* and return the articles to the Weaving Department. O.P.W. 2 Shri Gour Bhusan Pramanik, states that Kanai Sarker notes and checks the defective clothes as are produced before him by the Checkers. In his cross-examination, the Union suggested that Kanai Sarkar also made the entries of loom numbers and shot numbers in his *khata*. The witness denied the suggestion and stated that Kanai Sarkar only wrote the weight of production. The witness agreed to produce books in support of this statement, if the company agreed, but no books were actually produced. It does not appear from the evidence of O.P.W. 2 that Kanai Sarker is one of the Checkers employed by the mill. Considering the evidence on record, it is decided that Kanai Sarker also does clerical work and should be given the wages of a clerk.

No. 31 Shri Bejoy Roy: He is P.W. 3. He states that he has been working in this mill since may 1950, as a Compounder, that he is a passed Compounder, having passed the Compoundership Examination in 1956. His duty hours are from 10 a.m. to 2-30 p.m. and then again from 6 p.m. to 9-30 p.m. Exhibit 1 was produced to show his duty hours. He stated that during the morning hours, he serves prescriptions. Then he prepares stock medicines, ointments, etc. Thereafter, he has to attend to dressing from 11 a.m. onwards. There is another Compounder, in whose absence he has to put in 16 hours' work. In the afternoon, he has to do the work of a Dresser and to prescribe medicines in the absence of the Doctor, who is a part-time employee. The Doctor comes for about half an hour from 9 a.m. He proved the certificate, Ext. 2, from the Labour Officer of the mill. This certificate shows that the witness has been working as a Compounder-Dresser for 8 years with satisfaction. This certificate is dated 3rd January 1958. His total pay is Rs. 50, and he has been drawing this sum for the last five years. He is designated as a Bearer Helper. He never did the work of a Bearer. In cross-examination the witness states that every day he makes notes in the Dispensary Register. When the Dispensary Register, Ext. C was shown to him, he stated that there were entries in his handwriting in this register every day. There are also entries in the handwriting of Nirmal Bose, another Compounder daily. On days when Nirmal Bose was on leave as, for example, on 3rd June 1957 and 4th June 1957, all the notings are in the handwriting of the witness. The witness states that he serves the prescriptions written by the Doctor, as well as by himself. Nirmal Babu gets the pay of about Rs. 150 per month, whereas this witness gets only

Rs. 50 per month. In his cross-examination, it was suggested to him that the certificate, Ext. 2, was secured by him from the Labour Officer, although he was really not a Compounder. The suggestion was denied, and it was stated that the Labour Officer knew that the witness was a Compounder and so gave him the certificate. The Labour Officer was not examined before the Tribunal. The evidence on record clearly shows that No. 31 Shri Bejoy Roy is working as a Compounder, although he has been designated as a Dispensary Bearer, as was suggested by the learned Advocate for the company. It is decided that Shri Bejoy Roy shall get the wages for a Compounder, which is the same as those given to a clerk.

The question that arises next is what should be the scale of wages in which the eight employees mentioned above should be fitted in. It appears that these employees do simple and unimportant jobs of routine nature in the factory as, for example, weighing, marking, tallying, billet measuring and that of a Compounder. The wage scales for clerical staff as awarded by the First Cotton Textile Tribunal and also confirmed by the Second Cotton Textile Tribunal, are as follows:—

For non-Matriculates—

Rs. 60—2—80—(E.B.)—3—110—(E.B.)—4—130.

For Matriculates—

Rs. 70—4—100—(E.B.)—6—170—(E.B.)—8—210.

I consider that these scales need not be given to the 8 workmen whose cases are considered here. These 8 workmen are of the nature of routine clerks or semi-clerks. I consider that the following scale should be prescribed for these categories of workers in the interest of justice to both the parties:—

Rs. 55—2—75—(E.B.)—3—105.

They will get the same dearness allowance as is allowed to other clerical staff, viz., Rs. 35 per month. In view of the fact that all the 8 workmen mentioned above are doing duties of a clerk for more than one year, they shall be fitted into the new scale with one increment, i.e., at Rs. 57 at the date of the commencement of the operation of this award.

As to the application of the efficiency bar in the grade scale of basic pay as prescribed above, it is directed that an employee who will be considered fit to carry on his work, should be normally allowed to cross the efficiency bar. Detention at the efficiency bar will always be considered as a punishment to be awarded after giving the employee a chance to explain his impugned conduct.

It now remains to be considered if the abovementioned 8 workmen should be paid any amount on account of the difference between the awarded rates and their present rates of wages. These workmen were not recruited as members of the clerical staff and the company never agreed to pay them the wages of the clerical staff. The dispute between the parties is as to whether they should be considered as doing clerical work and should be given the wages of a clerk. It has been decided that they should be given the wages of a clerk in the scale as prescribed above. I do not find that any question of payment of any amount on account of the difference between the awarded rates and the present rates of wages does really arise, and no such claim was made at any stage of this proceeding on behalf of these 8 workmen, as was made for the workmen Nos. 1 to 4 and Nos. 12 to 20 of the list attached to the order of reference, in the written statement of the Union.

It is decided that these 8 workmen are not entitled to any amount by way of difference between the awarded rates and the present rates of wages.

This issue is accordingly answered.

REGIONAL AWARDS

(d) President's Silver Medal for the best feature film in each Indian language and Certificates of Merit for the two next best feature films in each such language.

Explanation

The terms "producer" and "director" used herein will be construed as referring to the producer or the director, as the case may be, as given in the credit titles of the film duly certified by the Central Board of Film Censors.

3. The Awards will be made annually on a date to be fixed by Government.

4. All Indian feature, documentary and children's films certified for public exhibition by the Central Board of Film Censors in the preceding calendar year will be eligible for entry, which may be made by the producer or any other duly authorised person in the Form contained in the Schedule hereto annexed. The term 'documentary film' includes a scientific film or a film intended for educational purposes.

5. In addition, Regional Officers of the Central Board of Film Censors may recommend any feature, documentary or children's films for entry for the Awards.

6. No entry fee will be charged, but the entrant will be required to submit at his cost a print of the film together with an English rendering of the script/synopsis if the film is in a language other than Hindi or English, and publicity material, to such Regional Officer of the Central Board of Film Censors, as may be specified. The entry should be accompanied by particulars of the film such as title of the film, gauge, language, length, name of the producer, name of the director, number and date of the certificate of censorship and date of release, etc. as in the Form referred to in rule 4.

7. The decision of the Government of India whether any film is a feature film, documentary film or children's film for the purpose of the Awards will be final. Government may prescribe the maximum length of a children's film for the purpose of entry for the Awards.

8. Ordinarily, a film which is a dubbed version, a retake or an adaptation of another film will not be eligible for consideration for the Awards. Government may, however, in any particular instance, where it is satisfied that the adapted version or the retake represents a fresh contribution towards the interpretation of the story, allow the entry of such a film for the Awards. The producer of a film made in more than one language versions, may enter only one of the versions of that film. Films based on classics or mythology shall not, by reason of the subject, be deemed to be adaptations.

9. Entries for the Awards will be invited by Government during a period to be notified, relaxable in exceptional cases at the discretion of Government.

10. All transport costs on the consignment and return of the film and publicity material will be payable by the entrant.

11. All films will be submitted at owner's risk and while the Government will take every reasonable care of the films submitted, it cannot accept responsibility for loss or damage to the film while in its possession.

12. Three Regional Committees appointed by Government will initially examine feature films entered for the Awards in the languages indicated below:—

(i) Regional Committee at Bombay—Hindi (including Urdu and Hindusthani), Marathi, Punjabi, Gujarati and English.

(ii) Regional Committee at Calcutta—Bengali, Assamese and Oriya.

(iii) Regional Committee at Madras—Tamil, Telugu, Kannada and Malayalam.

13. Each Regional Committee will be composed of:

(a) A Chairman nominated by Government.

(b) Not more than four distinguished persons of culture, art or literature nominated by the Government of India in consultation with the State Government concerned with the language. (Care will be taken to ensure that all the languages of the region are represented in the selection of these four persons.)

(c) Persons, not exceeding three, qualified to judge technical standard, presentation, direction and treatment values of films, nominated by Government from a panel of names representing the industry.

14. The Regional Committees will recommend in order of merit a list of three feature films in each language for consideration by the Central Committee.

15. The documentary films entered for the Awards will be initially examined by a Documentary Committee appointed by Government with a membership not exceeding five. This Committee will recommend in order of merit six documentary films for consideration by the Central Committee.

16. The Central Committee will be composed of:—

(a) A Chairman nominated by Government.

(b) Chairmen of the three Regional Committees. Where a Chairman is not available to sit on the Central Committee, Government may nominate a member of the Regional Committee concerned on the Central Committee.

(c) Not more than four distinguished persons of culture, art or literature nominated by Government.

(d) Persons, not exceeding three, qualified to judge technical standard, presentation, direction and treatment values of films, nominated by Government from a panel of names representing the industry.

(e) One number of the Central Board of Film Censors nominated by Government.

17. Nothing contained in rules 13, 15 and 16 will preclude the co-option of an additional member to assist the Central, Documentary or a Regional Committee, as the case may be, in examining films in any particular language and the member so co-opted will have all the rights of an ordinary member.

18. Membership of the Central, Documentary and Regional Committees will be honorary, but the members may be allowed such travelling and conveyance allowances as may be sanctioned by Government from time to time.

19. The Central Committee will consider the recommendations of the Regional Committees and the Documentary Committee. The Central Committee may, for reasons to be recorded in writing, call for the records of a Regional Committee or the Documentary Committee and may also examine any film entered for the Awards but not recommended by a Regional Committee or the Documentary Committee. The Central Committee will recommend in order of merit:

(1) Three best feature films for the All-India Awards.

(2) Three best documentary films for the All-India Awards.

(3) Three best feature films in each language other than English for Regional Awards.

20. The Central Committee, or if the Government so directs, a Special Committee constituted for this purpose, will examine the children's films entered for the Awards and recommend the best three films in order of merit. Where the recommendations have been made by the Special Committee, the recommendations shall be subject to the approval of the Central Committee.

21. The Regional Committees, the Documentary Committee and the Central Committee may determine their own procedure for the examination of films.

22. The quorum of a Regional Committee will be four and that of the Documentary and the Central Committee three and six respectively. The decisions of the Central Documentary and Regional Committees will be by a majority of the members present.

23. Nothing contained herein shall be construed as restricting the discretion of a Regional Committee, the Documentary Committee or the Central Committee from making a recommendation that none of the films in a particular language or category is of a standard adequate for an Award.

24. The recommendations of the Central Committee will be submitted to Government for approval.

25. A film will be eligible for an Award only in one of the three categories, *viz.*, feature, documentary or children's film. A film may, however, be given an All-India as well as a Regional Award in the same category.

26. The Regional Committees, the Documentary Committee and the Central Committee will examine films at such place and time as may be considered feasible.

27. Government shall be entitled to retain, without payment of cost, the print entered for the Awards of a film which receives an Award in the form of a medal and/or cash.

28. The function for the presentation of the Awards will be held at such place and on such date as Government may, determine.

(TWO OF THE JUDGES OF THIS COURT)

Appeal from Original Decrees Nos. 278 of 1958, 279 of 1958 and 282 of 1958 (Election Appeals).

Appeals against the decree of Shri Bijayesh Mukherjee, Election Tribunal, Calcutta (West Bengal), in Election Petition No. 439 of 1957, dated the 27th August 1958.

In No. 278—Brojagopal Das—Appellant;
In No. 279—Nirmal Chandra Das—Appellant;
In No. 282- Biren Roy- Appellant;

versus

In Nos. 278 and 279—Kalipada Banerjee and ors., respondents and 282.

Mr. Jitendra Kumar Sen Gupta, and
Mr. Asoke Kumar Sen Gupta in 278;
Mr. Prafulla Kumar Roy and
Mr. Manash Nath Roy, in 279; and
Mr. S. K. Achariya, and
Mr. Manindra Chandra Chakravarty, in 282—for appellants;
Mr. S. M. Bose, Advocate-General,
Mr. A. C. Mitter,
Mr. Mahadev Hazra,
Mr. Birendra Nath Banerjee,
Mr. Dipankar Gupta, and
Mr. Dwijen Lahiri, in all the three appeals—for respondents.

P. N. MOOKERJEE J: These three appeals are directed against the declaration granted by an Election Tribunal, that a certain parliamentary election is void. The respective appellants are Shri Brojo Gopal Das, and Shri Nirmal Chandra Das, two of the persons who were substituted under section 116 of the Representation of the People Act, 1951, in place of the original contesting respondent before the Tribunal, namely, Shri Biren Roy, who was the successful candidate at the above election, upon the latters' retirement from contest, and the said Biren Roy himself is the appellant in the third or the other appeal.

The proceedings had had a chequered career before the Tribunal and they were lively and interesting and the questions that arose for consideration had also their own peculiar difficulties and interest.

The election in question was the last General Election of the Calcutta South West Parliamentary Constituency, held in March 1957, in which Shri Biren Roy was elected from the said constituency to the Lok Sabha or the House of the People. There were three candidates (one) Biren Roy, (two) Asim Krishna Dutta, and (three) Rajani Mukerjee. They, respectively, polled 94,944, 82,406 and 11,297 votes at the polling which took place on two dates, namely, the 4th and the 14th March 1957 and Roy was declared elected on March 20, 1957, when the results of the voting were announced.

On May 3, 1957, the first two respondents of the present appeal, namely, Kalipada Banerjee and Anil Kumar Sadhukhan who "at all material times were citizens of India and residents of Calcutta" within the above constituency and "were electors of the same and entitled to vote" at the above election, applied before the Election Commission, New Delhi, for a declaration that the above election, namely, of Shri Roy was void on certain grounds, of which the relevant ones will be duly noticed and referred to in the course of this judgment. The application (petition) in which originally all the three candidates, the successful Roy as well as the two defeated candidates Dutta and Mukerjee, were made parties as respondents, was registered as Election Petition No. 439 of 1957 and after the necessary preliminaries, it was forwarded by the Chief Election Commissioner and sent for Trial to Shri Bijoyesh Mukerjee, Additional District Judge, 24-Parganas, who had meanwhile been constituted the Tribunal for the purpose under section 86 of the Representation of the People Act, 1951. That was in June, 1957, and the first date of appearance of the parties before the Tribunal was fixed as July 18, 1957. On or before that date, the first two respondents, Roy and Dutt, duly appeared before the Tribunal and, on the 25th following the Tribunal, by its order of that date, held that, in view of the fact that the only prayer of the petitioners in their instant election petition was for a declaration that the above election, namely, of Biren Roy was void, Roy and none else was the necessary and proper respondent and directed that the names of Shri Dutta and Shri Mukerjee should be struck off. The Tribunal also overruled and the technical objection of respondent Roy to the maintainability of the instant election petition on account of deposit of the security for costs (Rs. 1,000) in the name of the Election Commission, New Delhi, instead of in the name of the Secretary to that Commission in literal compliance with section 117 of the Act, holding *inter alia*, that there was substantial compliance with the said provision and such substantial compliance was sufficient under the law. The proceedings then continued against the sole respondent Biren Roy and after the preliminary steps had been taken by the parties, the hearing actually commenced on April 25, 1958. Between that date and May 9, 1958, nine witnesses P.W.s Nos. 1 to 9 were examined by the petitioners of whom two (P.W.s Nos. 4 and 9) were examined in part during

the said period. In the meantime, the Tribunal's order, regarding the validity and sufficiency of the deposit, had been upheld by this court in a proceeding under Art. 226 of the Constitution and the respondent Roy had applied before the Election Commission for transfer of the instant case to some other Tribunal.

On and from May 10, 1958, certain events of importance happened in quick succession. At the first sitting of the Tribunal on that date the respondent Roy applied for a stay of the proceedings till the disposal of his transfer application by the Election Commission and, that prayer having been refused by the Tribunal and a prayer for a short adjournment of one hour having also been refused, Roy's Advocates retired from the case. Thereafter the proceedings continued *ex-parte* from the 10th to the 17th May 1958, during which period evidence of P.W.s Nos. 4 and 9 was concluded and the evidence of P.W.s Nos. 10, 11 and 12 was also taken and P.W. No. 6 was recalled and further examined and then arguments on behalf of the petitioners were heard. The Tribunal, however, had to reserve judgment as meanwhile this court (Sinha J) had issued a Rule, injuncting him from delivering judgment until the said Rule was disposed of or until the disposal of Roy's transfer application by the Election Commission, whichever is earlier, and, accordingly, the Tribunal directed the records to be put up on May 24, 1958.

On May 23, 1958, two applications were moved, one by the appellant Nirmal Chandra Das and the other by another person Santosh Kumar Banerjee, praying *inter alia* for appropriate action under section 116 of the Representation of the People Act, 1951, and the said applications were eventually fixed for hearing on the 28th by the Tribunals' order of May 24, 1958. On that very day, however, namely, the 24th, Roy himself filed an application before the Tribunal intimating to it that he had withdrawn and/or retired from the case of May 10, 1958 and intimating further that he would not oppose the instant Election Petition. All the above three applications were heard by the Tribunal on May 28, 1958 and by its order, dated June 2, 1958, the Tribunal came to the conclusion that the provisions of section 116 of the Act should be set in motion and he directed necessary steps to be taken in terms of that section. The relevant notification under the section was thereafter published in the *Gazette of India, Extraordinary*, on June 16, 1958 and, within the statutory period of 14 days, several persons including the two appellants in the first two appeals before us, applied under section 116 for, *inter alia*, substitution in place of the original respondent Shri Biren Roy and permission to oppose the Election Petition and continue the proceedings on such terms as the Tribunal might think fit and proper.

On July 3, 1958, the Tribunal allowed the said applications upon two terms, viz., (i) "The applicant or the applicants of each application do deposit by July 10, 1958, a sum of Rs. 1,000 (Rupees one thousand only) either in a Government Treasury or in the Reserve Bank of India in favour of the Secretary, Election Commission, New Delhi, as security for costs. The relevant receipt must be filed before this Tribunal on or before that date, viz., July 10, 1958. Should this direction be not complied with, the applicant or the applicants concerned shall not be substituted in place of the sole respondent Biren Roy and shall not be entitled to continue the proceedings."

and (ii) "The hearing shall continue from the stage at which it was at 10.30 a.m. on May 10, 1958."

and issued certain other directives which were recorded as follows:—

"1. Written statements, if any, must be filed by July 14, 1958;

2. Documents, if any, must be filed by July 16, 1958;

3. July 18, 1958, is set down for fixation of new issues, if any; and

4. July 21, 1958, is set down for completion of all steps including citation of witnesses and for setting a date of peremtory hearing. I give an intimation in advance that the election petition shall be set down for peremptory hearing again on or about August 5, 1958."

The deposit was duly made by three sets of applicants including the above two appellants and they also filed written statements. No documents, however, were filed by any party and on July 18, 1958, "the matter of fixation of new issues" was heard by the Tribunal. Eventually, however, the Tribunal did not frame any new issue and proceeded with the trial on the old or "existing" issues, of which all, except the first part of issue No. 3, which as finally recasts was in these terms:

"Is Shri Biren Roy disqualified for being chosen as a member of the Lok Sabha because of his connection with a firm under the name and style of Indo German Trade Centre?"

was given up by the petitioners. The Tribunal, however, by way of clarification, recorded its intention to discuss the above part of issue No. 3, under the following heads, viz.:

"(i) Did the Indo German Trade Centre enter into a contract with the Central Government for the installation of automatic vote recording equipment in the Lok Sabha and the Rajya Sabha?

(ii) Was the aforesaid contract subsisting on the date of the election of the returned candidate Shri Biren Roy to wit, on March 20, 1957?

(iii) Has the returned candidate, Shri Biren Roy, any share or interest in the aforesaid contract?"

and adjourned the case to August 5, 1958, for resumption of the interrupted peremptory hearing, directing the petitioners to bring "all their witnesses, examined on and from May 10, 1958" and directing further that the hearing would continue "*de die in diem*, Saturdays and holidays excepted". On August 5, 1958, P.W. No. 9 was cross-examined on behalf of the "added" or substituted respondents and discharged and, thereafter, P.W. No. 10, K. C. Ghose, was cross-examined in part by the said respondents. This cross-examination of K. C. Ghose, P.W. No. 10, continued up to the 7th when it concluded and, thereafter, he was recalled and further examined and also cross-examined again on the 8th when he was finally discharged and on the same date, P.W.s Nos. 11 and 12 were also cross-examined and discharged and, thereafter, the case was fixed for argument on the 16th and "added" (substituted) respondents having intimated to the Tribunal that they would not lead any oral evidence. On the 16th and the 18th, arguments were heard, and thereafter judgment was reserved by the Tribunal till the 27th when the Election Petition was allowed and the election of Shri Roy was declared void by the Tribunal. The present appeals are directed against this declaration, the first two appeals by the two "added" (substituted) respondents Brojo Gopal Das and Nirmal Chandra Das, and that third by the original respondent Biren Roy, the successful or the returned candidate at the said impugned election.

The controversy in the present case, as we have seen above, centres round the first part of issue No. 3, which we have quoted earlier as hereunder: "Is Shri Biren Roy disqualified for being chosen as a member of the Lok Sabha because of his connection with a firm under the name and style of Indo German Trade Centre?" The quoted issue requires a little explanation. In the light of the pleadings (*vide* paragraph 8B of the instant election petition) the relevant allegation is that the firm Indo German Trade Centre entered into a contract or contracts with the Government of India or the Central Government for installation of automatic vote recording equipments in the Lok Sabha and the Rajya Sabha which contract (or contracts) subsisted on the date of election and the respondent Shri Roy, at the said material time had share or interest in the aforesaid contract (or contracts) within the meaning of section 7(d) of the Representation of the People Act, 1951, and was as such disqualified to be chosen to be elected to the Lok Sabha under section 100(1)(a) of the said Act. That was the substance of the allegation on which Roy's election was challenged and on which the parties differed and upon which the fate of the instant election petition depended. The Tribunal, therefore, did the right thing in clearing up the matter before the resumed hearing by declaring that the relevant issue that is, the first part of issue No. 3, would be discussed under the three heads which have been set out hereinbefore. Indeed, the above approach of the Tribunal was not objected to by the appellants, but what they complained was, and that was one of their grievances in these appeals, that they were not allowed to place full materials before the Tribunal on the first and to some extent, on the third too, of the above three questions, we shall return to that aspect later on.

In the light of our above observations we shall deal with the controversy in the present case under the above three heads and we proceed to do so *seriatim*.

Upon the written statement of Roy himself (*vide* paragraphs 21 and 22) it is fairly clear that the disputed contract or contracts were made by the Indo German Trade Centre with the Central Government. Strictly speaking it was not open to the "added" (substituted) respondents who were really substituted in place of Roy under section 116 of the Representation of the People Act, 1951, to deviate from that pleading and make a new or different case on the point and as a matter of fact, in their applications for substitution, filed on June 24, 1958, the two "added" or substituted respondents who are appellants in the two appeals (F.A. Nos. 278 and 279 of 1958) expressly stated, *inter alia* that they wanted to adopt the written statement of respondent Biren Roy and prayed for permission to do the same and to cross-examine P.W.s Nos. 9, 10, 11 and 12 and file and call for documents, particularly from B. K. Mukherjee (*vide* paragraph 6 and the prayer portion of appellant Brojogopal Das's petition and paragraph 5 and prayer portion of the petition of appellant Nirmal Chandra Das). It is true that thereafter on July 14, 1958, they filed another set of written statements apparently under the relative directive of the Tribunal, dated July 3, 1958, and therein they sought to supplement Roy's written statement by certain additions, but, even there we do not find anything in effective denial or contradiction of the position, taken up by Roy on the

above point in paragraphs 21 and 22 of his above written statement, to which reference has been made by us. As a matter of fact, appellant Nirmal Chandra Das again expressly adopted Roy's written statement and appellant Brojo Gopal also alleged nothing to its contrary. The latter, no doubt in paragraph 11 of his said new written statement filed on July 14, 1958, stated *inter alia* that the aforesaid "Indo German Trade Centre has or had no share or profit or interest in the contract of automatic vote recording equipment referred to by the petitioners in their election petition." But that was hardly an effective denial of Indo German Trade Centre's being or having been the contracting party with the Central Government in the matter of the said contract or contracts. Even on the pleadings, therefore, apart from any evidence, the first of the above three questions should be answered in the affirmative. But there is evidence also which plainly supports the same (*vide* Exts. 4, 5, 6 and 7 and the oral evidence of P.W. No. 17 and also Ext. A) and indeed, as it appears from the Tribunal's judgment, the above position was practically conceded by Brojo Gopal's Advocate before the Tribunal. Reference may also be made in the above connection to the letters, Exts. 3 series and 8 series, which also lend support to our above conclusion. It will also be seen later on that the appellant's main grievance on this point that they were prejudiced by the Tribunal's refusal to allow certain cross-examination of P.W. 10 has no substance in the facts of this particular case.

On the second question too, we feel not the slightest hesitation in agreeing with the Tribunal. Apart from the evidence of P.W. No. 1 on the point, on which the Tribunal relied, we think that the position was admitted that full payment had not been made on the contracts in question till at least, April, 1957 [*vide* letter Ext. 3(48)] and in view of the Supreme Court's decision in the case of Chatturbhuj Vithaldas Jasani *vs.* Moreswar Parasharam and others (1954) S.C.A. 378 at pp. 387-8, S.C.A.I.R. 1954 S.C. 236 at p. 242 until such payment was made the contracts must be held to have been subsisting for purposes of section 7(d) of the Representation of the People Act, 1951. The answer to this question also must, therefore, be in the affirmative, as correctly given by the Tribunal. On this part of the case the appellant's argument was that the relevant date would be the date of election which, according to section 67A of the Act, would be the date of declaration of the result of election, that is, March 20, 1957 and on that date, the disputed contracts were not subsisting, they having been fully executed by that time and only some payment thereunder remaining outstanding. That March 20, 1957, would be the relevant date for the present purpose need not be disputed and, as a matter of fact, the question itself was framed or formulated on that footing, but in the view of the law, which we have given above, the answer to the above (second) question would be in the affirmative, even if the relevant date be the 20th March 1957 as on the facts of this case [*vide* sub-section 3(48)] to which reference has been made above and which cannot be disputed, payments under the above two contracts were still outstanding.

The English law on the point may be different [*vide* for Royse *vs.* Birley (1869) 4 C.P. 296] but even if it is so, in this country and our law the position is, as we have indicated above, in view of the Supreme Court's decision in Chatturbhuja's case, Supra. That being so, in the facts of this particular case, this question too should be accorded in the affirmative and, accordingly, we affirm the Tribunal's conclusion on this point.

We come now to the most difficult part of the case, that is, the third question formulated above, which runs as follows, viz.: "Has the returned candidate Shri Biren Roy any share or interest in the aforesaid contract?"

This indeed, a very serious matter and required very careful consideration particularly when Roy won the disputed election by the very comfortable margin of 12,538 votes. Such an election should not be lightly interefered with and should not be touched except on very strong and compelling grounds. That as it appears from the Tribunal's judgment was one of the things which the Tribunal had uppermost in its mind and that attitude of the Tribunal is fully justified by the authority of the Supreme Court (*vide* Jagan Nath *vs.* Jaswant Singh and others A.I.R. 1954 S.C. 210 at p. 212). It is to be remembered, however, that this by itself, would not be any ground for maintaining the impugned election if it really suffers from any material or fatal defect or infirmity if, for instance, to take this instant case, it ultimately runs out that the successful candidate Roy suffered from the alleged disqualification at the material date, the mere fact that he won the election or won at by a very comfortable margin, may be by overwhelming votes, would not justify the rejection of the instant election petition. It will be only in border line cases or where the ground for setting aside the election or for a declaration that it was void is not wholly or absolutely clear or free from doubt that the elected candidate, by reason of his election, the more so, where he won by a comfortable margin, may have a weightage in his favour and may get the benefit of doubt. In judging, again, the validity of the ground, the court and the Tribunal will undoubtedly be more careful and more circumspect and may demand clearer and more convincing proof of the same and of its basic allegations where the successful candidate was returned by a large majority of votes. We do not think that the elected or the returned candidate is entitled to any greater advantage

by reason of his election, be it by a comfortable margin or even if the election will have to be set aside or declared void, if any fatal or material disqualification or defect is made out. Substantially speaking that was also the view of the Supreme Court in Jagannath's case [*vide* A.I.R. 1954 S.C. 210 at p. 212, para. 7 (second part)]. Notwithstanding, therefore, the fact that Roy was returned with a comfortable majority, we have to examine though very carefully, because of his said comfortable margin, the disqualification, from which he (Roy) was alleged to suffer at the material time.

As noted above, the election has been impeached on the ground that, on the date of the election, Roy was "disqualified to be chosen to fill the seat or for being a member of the House of People (Lok Sabha)" and the disqualification alleged is that at the material date and at the material times, Roy had an interest or share in the business, carried on under the name and style of Indo German Trade Centre, which entered into the above contract as contracts with the Government of India for supply of automatic vote recording system (equipment) to the Lok Sabha or the House of the People and to the Council of State or the Rajya Sabha which contract or contracts were subsisting at the said material date, namely, the date of the election. That, indeed, as we have said above was the substance of the allegations in paragraph 8B of the election petition which is the only material paragraph for our present purpose, the other allegations of corrupt practices, etc., having been expressly given up by the petitioners. In short, therefore, Roy's election was sought to be set aside or declared void under section 100(1)(a) read with section 7(d) of the Representation of the People Act, 1951 [and Act 102(1)(e) of the Constitution], in the light of section 67A of the said Act, That was the real issue, on which the parties fought before the Tribunal, and there was not the slightest doubt or misgiving on the point in the mind of either and our present task is to find out how that issue should be answered.

Before we take up the above crucial question on the merits we have to make some further preliminary observations. We have held above that the Indo German Trade Centre entered into the aforesaid contract or contracts with the Central Government and that the same was or were subsisting on the material date, that is, the date of election. The point, therefore, that *prima facie* remains for consideration is whether Roy, had, by himself or by any person or body of persons in trust for him or for his benefit or on his account at the material date referred to hereinbefore, namely, March 20, 1957, any share or interest in the aforesaid contract (which were undeniably contracts for supply for goods to or for the execution of works undertaken by the Central Government—the appropriate Government for purposes of section 7(d) [*vide* section 9(a) in regard to a parliamentary election] within the meaning of the said section 7(d). This has been attempted to be proved by the petitioners by alleging and seeking to establish that Roy was the proprietor of the said business concern Indo German Trade Centre or at any event, at all material times or at the material date, had a share or interest therein and thus a corresponding share or interest in its aforesaid contracts within the meaning of section 7(d) so as to come within the mischief of the said section. The appellants before us who were the respondents before the Tribunal deny the above allegation of the petitioners and they further contend that even if the petitioners succeeded in establishing that Roy was the proprietor of Indo German Trade Centre or had a share or interest therein and, necessarily, therefore, in its aforesaid contracts with the Government of India, that would not be sufficient to disqualify him under the above section or sections or provisions of law, referred to hereinbefore unless it was further proved that the said firm had some financial or pecuniary interest in or under its aforesaid contracts. As *prima facie* the contracts in question disclosed such interest, the appellants had to prove the contrary and this they endeavoured to prove by attempting to lead evidence that, in the matter of the said contracts, the Indo German Trade Centre was a mere contract agent of a German firm Telefonbau Und Mormalzeit G.M.B.H. which was the real tenderer or contracting party and that it (the Indo German Trade Centre) had no financial or pecuniary interest in the deal. This was not specifically raised or pleaded in the appellant's written statements nor does it appear that they offered or intended to adduce any evidence on the point (beyond what is on record) except by an attempt at cross-examination of P.W. 10, K. G. Ghosh. The cross-examination however was not allowed by the Tribunal and, because of that, a grievance has ben made before us. We do not think, however, that there is any substance in that grievance in the facts of this particular case. It is fairly clear from what we have stated above that apart from the disallowed cross-examination, and other relevant evidence on the point (which the parties cared or intended or chose to produce) is on the record. It is clear also that in view of the said evidence and the nature of the particular question or questions which were sought to be raised by the appellants in the present case, the cross-examination of P.W. 10 K. G. Ghosh would not have improved their (the appellants') position There was also some justification for disallowance of the above cross-examination in view of the absence of the relevant allegations—to wit specific allegations on the point in the appellants' written statements. In

any event, we are perfectly satisfied, upon the facts before us, that no prejudice was actually caused to the appellants by such disallowance as aforesaid and they have no sufficient cause for any material grievance on the point.

With the above preliminary observations we proceed to consider the question of Roy's alleged statutory disqualification on the merits. That involves mainly construction of section 7(d) of the Representation of the People Act, 1951, and its application to the facts of this case. The question of construction in its turn mainly depends upon the meaning to be given to the words "share or interest" used in the section. *Prima facie* the words are wide and having regard to the purpose of the section and the mischief it is intended--and seeks—to prevent we would have been glad to take the words in the widest import. For our present purpose, however, it will not be necessary to go so far as, even on the restricted meaning, which at least the words should bear on the decided authorities, this appeal upon the facts before us, should fail and Roy should be held to be sufficiently disqualified within the mischief of the relevant sections or sections or statutory provisions so as to lose his present seat in the House of the People and this election petition should succeed.

Provisions like section 7(d) have been a familiar feature of election laws from very early times. They are based on a sound, solemn and salutory principle which democracies or democratic constitutions can ill afford to spare or ignore. Their purpose is to guarantee the purity of the legislature and of the administrative machinery as well and it has been variously put by various eminent judges and noted authorities but always with an eye to the grantee of purity of the legislature and administration and to keep the source or the fountain head of law and the stream of administration unsullied and free from corruption. The basic standpoint is "to prevent conflict between interest and duty which would otherwise inevitably arise" [per Lindlay L.J. in Nortton vs. Wilson (1889) 22. Q.B.D. 744 at p. 748] and to prevent the member concerned from being exposed to temptation or even the semblance of temptation [per Lord Graham M.R. in the same case Nortton vs. Willson (1889) 22. Q.B.D. 744 at p. 747] and that has never been questioned. It has also been authoritatively laid down that "a concealed interest is as much as interest as an open interest, and the court in such matters will always look at the substance and not at the colourable exterior" [per Mc.Cardie J in Evereth vs. Griffiths (1924) 1.K.B. 941 at p. 947]. It has been ruled further that "no device to conceal the real nature of the transaction would prevail" [per Lord Loveturn L.C. in North vs. Taylor (1906) A.C. 378 at p. 380]. In that context, the word "interest" in section 7(d) may well receive a wide connotation and may well include even more than material interest but, for reasons which it is not necessary to examine now, decisions have restricted it to pecuniary or at the most material interest and that, as we shall presently see, being sufficient for our present purpose, any further discussion on the point of construction is unnecessary.

As we have said above, the petitioners' material allegations for purposes of section 7(d) are of a twofold character, namely, that at all material times and at the material date, Roy was the proprietor of the concern Indo-German Trade Centre or at any event had share of interest therein and in its aforesaid contracts within the meaning of the said section so as to fall within its mischief. To prove their case the petitioners relied in particular on the evidence of P.Ws. 1, 9 and 10 and upon Exts. 3, series 4, 5, 6, 7, 16, 19(4) 21, 23, 23(1) and 27. The appellants who were the contesting respondents at different stages of the proceedings before the Tribunal did not adduce any oral evidence but cross-examined the petitioners' witnesses. They also produced certain documents. It is significant, however, to note that notwithstanding the very serious allegations against him and the fact that his election was in jeopardy, Roy did not care to examine himself nor was he summoned or produced on behalf of the other appellants, and as a matter of fact, no attempt was made in that behalf to deny the petitioners' above allegations. Significantly also Shri B. K. Mukherjee, who was admittedly Roy's brother-in-law and who according to Roy and the other appellants, was the sole proprietor of the above concern was not examined by the appellants, and no attempt also was made by them in that behalf and there is no explanation either before the court for the non-examination of Roy and or Mukherjee or the absence of any attempt on the appellants' part for their production in court and examination. Roy and Mukherjee were undoubtedly two of the most competent witnesses on the above controversy between the parties and there can be no question also that they would have been available to the appellants, if they had so desired. In these circumstances, the burden that undoubtedly lies upon the petitioners of proving their above allegations that Roy was the proprietor of the concerned Indo-German Trade Centre—or had there or interest therein and in its aforesaid contracts within the meaning of section 7(d) at the relevant date is comparatively light and the dice is cast heavily against the appellants to prove the contrary and support their denial of the same. The initial onus is undoubtedly on the petitioners to make out a case, as pleaded by them, but once they succeed in making out such a case *prima facie* and their said task is rendered easier by reason of the above circumstances—the appellants have to refute the same to secure a dismissal of the instant election petition.

In the light of what we have said above, the petitioners' evidence appears to us to be sufficient for proving that Roy had at least a material interest in the firm Indo-German Trade Centre and in the latters' aforesaid contracts with the Central Government. That will be sufficient for disposal of this appeal and it will not be strictly necessary to go into their (the petitioners') other allegation, namely, that Roy was the proprietor—to wit, the sole proprietor—of the above firm or alternatively, had a share therein, although *prima facie* at least the materials on record may appear to contain some indication that Roy had proprietory interest in the said firm — either alone or jointly with B. K. Mukherjee.

We may just remind ourselves at this stage that what is required under the section [section 7(d)] is share or interest in the relevant contract though that interest, as we have held above, may well be material as distinguished from pecuniary interest, strictly so called. In order, therefore, that a person may be held disqualified under the above statutory provisions it may be necessary to prove as argued by the appellants not only that he (the said person) had a share or interest (material interest) proprietory or otherwise—in the firm which had or held the particular contract or contracts with the relevant Government but also that the said contract or contracts were such as to be capable of conferring upon him or to put it a little more elaborately upon the firm and through it upon him—at least a material interest therein. For purposes of this case we need not dispute that proposition but we accept it and proceed on that footing.

That, in the two relevant contracts, constituted by the relative tenders and acceptance (*vide* Exts. 4, 5 and 6 and Ext. 7) Indo-German Trade Centre had a pecuniary or at least a material interest is amply proved by the said exhibits, read in the light of the correspondence [Exts. 3(3), 3(19) and 3(48) and even of Ext. A(1) produced by the appellants themselves]. It is true that in some of the papers [*vide*, e.g., Exts. 4, 5, 7 and A(1)] Indo-German Trade Centre is described as the contract firm for the manufacturer tenderer Telefonbau Und Mormalzeit G.M.B.H. It is true also that some of the letters, Exts. F and A(1) in particular deny that they (Indo-German Trade Centre) would have any profit out of the above two transactions. But taking the whole of the above documentary evidence in its entirety and reading it as a whole we have little doubt that the said firm had a pecuniary or at least a (sufficient) material interest in the above two contracts. It is well established now [*vide* England *vs.* Inglis (1920) 2. K.B. 638 and Evereth *vs.* Griffiths (1924) 1. K.B. 941 at p. 948] that interest in the above context does not necessarily postulate a pecuniary advantage or the possibility thereof and it may as well include pecuniary loss or disadvantage and corresponding possibility. If then Indo-German Trade Centre was, as we have held above, the contracting party for purposes of the aforesaid contracts, so far as the Central Government was concerned, it must be held to have had a material interest therein as it would have been liable for any defect, irregularity or default in the matter of their performance, and therefore, had at least the possibility of a pecuniary disadvantage thereunder. Even if they were mere contract agents for purposes of the above two contracts they had the risk of losing their reputation as good or efficient contract agents and that would have affected their business in case of delay and or difficulty in the matter of payment and, as a matter of fact, such delay and difficulty has actually arisen in this case [*vide* Exts. 3(48), 3(42), 8(29), 8(30) and 8(36)]. It appears also that the Indo-German Trade Centre was actually out of pocket to a considerable extent in connection with and for the purpose of the above contracts [*vide* Ext. 3(36), 3(19) and 3(48)]. In these circumstances we are of the opinion that they had sufficient interest, to wit, sufficient material interest within the meaning of the section at least in the shape of material loss or disadvantage or possibility thereof. The initial requirement under the section as contended for on behalf of the appellants is thus amply satisfied in this case.

Turning to the question of Roy's interest in the firm we may refer at once to Ext. 19(4) which appears to be a letter over Roy's signature. That it bears Roy's signature has not been denied or disputed before us. In fact, that signature has been admitted on behalf of the appellants. What is contended, however, is that the letter [Ext. 19(4)] is not Roy's as Roy, according to the appellant, had signed the letter in blank. This is merely a suggestion and, in the absence of Roy who could have himself deposed and appeared in the witness box and who could easily have been examined by the other appellants too, if he or they were so minded, and who certainly could have explained it, if he had so desired and if it was capable of explanation, we are not inclined to accept the above suggestion. Our attention has no doubt been drawn to Roy's Passport (Ext. L) which is said to prove that Roy was away from India from August 24, 1952 to October 26, 1952, whereas the letter [Ext. 19(4)] bears the date October 23, 1952, thus lending apparent support to the petitioners' above suggestion but we are not convinced. We have grave doubts as to whether the Passport (Ext. L) can be regarded as a public document and whether it has been rightly admitted into evidence in the absence of examination of the official who made the relevant entries which again are not very explicit or clear or very intelligible. But even accepting the passport entries and conceding that

Roy was away from India from August 24, 1952 to October 26, 1952, as appearing therein, it is not improbable that the letter might have been kept ready for Roy's signature with the date (23rd October 1952) as typed on it, in view of this impending arrival and might have actually been signed and despatched after the 26th. The pencil entry (28th October) on the letter again may well be the date of receipt by the addressee which will support the above view. But in any event, the passport entries are not sufficient by themselves, to show that the letter [Ext. 19(4)] must have been signed in blank and in our opinion the vague suggestion to Ghosh (P.W. 10) in cross-examination (to which, of course, his answer was not very satisfactory or a clear denial that Roy might have left signed blank papers with him) does not necessarily or materially alter the position in the particular facts of this case, Roy not having deposed to explain the true position. We are also of the view that the letter [Ext. 19(4)] having regard to its pharaseology—and the words "our business" are significant in that respect, is sufficient indication of Roy's interest, to wit, material interest, in and of his intimate connection with, the business Indo German Trade Centre. The letter again bears the letter head or inscription "Indo German Trade Centre, 28 Stephen House, Dalhousie Square East, Calcutta-1", and it is admittedly a letter paper of the said concern and, in the absence of any explanation or denial from Roy in the witness box, it may safely be taken that "our business" had reference to the said concern. Even if the particular letter paper had been signed in blank like other similar letters or papers and the body of the letter [Ext. 19(4)] had been manufactured thereon as suggested by the appelants it is difficult to dismiss it from consideration as it is inadmissible that Roy would have so signed it, and he not been intimately connected with the concern Indo German Trade Centre either as proprietor or having a share or interest—to wit, material interest—therein. This letter [Ext. 19(4)] is therefore a very significant document and is sufficient in our opinion, in the facts of this particular case and in the context of Roy's absence from the evidence above to prove Roy's material interest in the concern Indo German Trade Centre and so in the two contracts under consideration.

The cheque, Ext. 16, again along with the Bank papers Exts. 23, 23(1) and 29 also support the above position. They show and that is not disputed that on or about 20th October 1955 appellant Biren Roy received a sum of Rs. 1,190 from Indo German Trade Centre. P.W. 10 K. C. Ghosh has deposed that the above payment was made to Roy as proprietor of Indo-German Trade Centre on account of the profits of the said concern but even if we do not accept the said statement, the payment at least shows that Roy had some financial connection with the said firm. Roy has not deposed to explain the above payment and the only attempt that has been made by the appellants in that behalf is the production of the audited balance-sheet of the firm of an earlier year, namely, 1954 and to argue therefrom that Roy was a mere, to wit, an ordinary creditor of the firm and had a loan account, as shown in the said balance-sheet, presumably as such creditor. We are, however, wholly unconvinced by that argument and attempted explanation on the part of the appellants, particularly in the absence of Roy and also of B. K. Mukherjee from the witness box, and the paper (Ext. E) produced by the appellants for the above purpose, is in our opinion, wholly insufficient to support the said explanation. Indeed, it seems to us that had the appellant's said explanation been true, other and much better materials could and would have been produced by them. In this context and in the present state of the record, we are inclined to think that Roy had sufficient financial interest in the firm or business of Indo-German Trade Centre and was at least the financier, if not the proprietor of the said firm, namely, Indo-German Trade Centre, and that would certainly give him a material interest in the said firm and in its aforesaid contracts, sufficient to bring him within the mischief of section 7(d).

It appears further from the compromise decree (Ext. 21) that Roy was the tenant in occupation of Room No. 28, Stephen House (where the Indo-German Trade Centre had its office) up to 1955 and undertook the liability for rent up to March, 1955 and also for damages for use and occupation for April and May of that year. It appears also from the balance-sheet, Ext. E, that the Indo-German Trade Centre was not paying the rent, the appellants not having contended that the said firm's liability under the loan account of Roy was for rent of its said business premises. It follows, therefore, that Roy was paying the rent, etc., for the Indo-German Trade Centre's business premises and he was, therefore, at least materially interested in its contract or contracts even if he was not its proprietor nor had any share or other pecuniary or financial interest therein—within the meaning of section 7(d) [*vide* in this connection (1920) 2. K.B. 636].

In the above context the letter (Ext. 3) also may be read to support above conclusion. We are just incidentally referring to the said letter as even without that, the conclusion in view of our foregoing discussion would be the same. In that view, it is not strictly necessary to consider the question of privilege raised in connection with the said letter (Ext. 3) but as the said question has been fully argued before us, we proceed to express briefly our views on the same. Privilege has been claimed by the head of the department which had produced the letter on subpoena from the Tribunal. The claim has been made by a purported affidavit which, however,

is not properly sworn. That defect, however, may be ignored as it has been by the Tribunal. The answer depends on three sections of the Evidence Act, namely, sections 123, 124 and 162 to quote all the relevant provisions on the point. So far as the present case is concerned, the decision would really turn on the answer to the question as to who is the proper authority for deciding whether a particular document relates to affairs or matters of State so as to justify or establish a claim of privilege. The question of privilege has been considered by the Privy Council (*vide* Henry Gour Robinson *vs.* The State of South Australia 35 C.W.N. 1121) and also by the House of Lords (*vide* Duncan and another *vs.* Cammell Laird & Co., Ltd., 1942 A.C. 624) and by this court too in Ijjetali Talukdar *vs.* Empress 47 C.W.N. 928. As the law on the point has been codified in this country in the sections, quoted above, we would prefer to go by the terms of the said sections and, on the construction of the said terms, we respectfully agree with this court's view, as expressed in the cited authority (47 C.W.N. 928). We do not deem it necessary to refer to the other decisions on the point, e.g., Bhaiya Saheb Dajibabhan Kumbi *vs.* Pandit Ramnath Rampratap A.I.R. 1938 Nag. 358, Khawja Nazir Ahmad *vs.* Emperor A.I.R. 1944 Lah. 434 and Governor-General in Council *vs.* H. Peer Mohd. Khoda Bux and others A.I.R. 1950 E.P. 228 and as to the case of Irwin *vs.* Reid reported in I.L.R. 48 Cal. 304 which appears to support the contrary opinion it is enough to say that even on principle on which correctly speaking it purports to proceed it is inconsistent with the Privy Council's exposition of the same in Robinson's case (35 C.W.N. 1121) which is better suited to conditions in this country than the other exposition as given by the House of Lords (*vide* Duncan and another *vs.* Cammell Laird and Co., Ltd., 1942 A.C. 624). As a matter of fact also Irwin's case has been held to require modification (*vide* 47 C.W.N. at p. 934). In the above view of the law, we agree with the Tribunal in overruling the claim of privilege in respect of Ext. 3 in the light of the events which happened before the Tribunal and which have been recorded by it in its order No. 34 dispensing with the necessity of other evidence under section 162 of the Indian Evidence Act.

We have so long studiously avoided placing any reliance on the evidence of either P.W. 9 or P.W. 10 who seek to make out that Roy was the proprietor of the Indo German Trade Centre as in our opinion these witnesses do not appear to be wholly disinterested—at any rate they do not seem to be quite safe or dependable witnesses. It may be argued, however, that at least the evidence of these two witnesses, where it is supported or corroborated by circumstances or other evidence, may well be accepted and that their statements to the above effect receive such support or corroboration from the exhibits to which reference has been made by us, and even the release or disclaimer (Ext. G) which apparently suggests the contrary may be explained away by reference to and in the light of Ext. 27 and the attending circumstances and that Ext. 3(10) was a necessary corollary to Ext. C and does not really affect or alter that position. That may well be a plausible argument, particularly when Roy and Mukherjee who could and should have been examined by the appellants to contradict the said statements and explain the true position if it was otherwise, were not examined and did not take the oaths on the witness box. We do not, however, deem it necessary to examine it or express any opinion on this extreme argument of the petitioners-respondents as on our finding already made, that Roy had at least a material interest in the aforesaid concern—and so in its aforesaid two contracts even though he may not be its proprietor, section 100(1)(a) read with section 7(d) and section 67A after Representation of the People Act, 1951 and Art. 102(1)(a) of the Constitution would invalidate his present election and the instant election petition would succeed on the ground of his said disqualification under the statute.

One word before we conclude the above part of the case. We have freely confess drawn adverse inference against the appellants for non-examination of Roy and Mukherjee and for non-production of some documents (which might and ought to have been produced by them) and for the absence of any attempt on their part in that behalf. This was one by us notwithstanding the fact that the Tribunal chose not to do so, being of the opinion that it was unnecessary. We think however that what we have done is amply justified in the circumstances of this case by the authority of the Privy Council (*vide* Murugesam Pillai *vs.* Manickavasaka Pandarn and others 44. I.A. 98 of 103 Gurbakash Singh *vs.* Gurdial Singh and another 32. C.W.N. 119 at p. 124 and Mussammat Lal Kunwar *vs.* Chiranji Lal 37 I.A. 1 at pp. 4-5). We may add further that the case of Bilas Kunwar *vs.* Desraj Ranjit Singh 42 I.A. 202 at pp. 206-207 does not also stand in our way as the relevant circumstances there were entirely different and the relative observations were made in a wholly different context.

A small point was also argued before us on behalf of the appellants touching the maintainability of the instant election petition on the allegation that it was not presented by a duly authorised person as required by the statute. The petitioners by Shri Ashim Krishna Dutta. The statute requires authority in writing for such presentation [*vide* section 81(2)(ii) of the Representation of the People Act, 1951] and there is no such direct authority on the present record. Accordingly the point is taken that the petition was not duly presented. The petition, however, bears an endorsement of the Secretary, Election Commission, as to due authority of

Shri Dutt and due presentation and in the absence of an issue on the point to which the Appellants never objected in time and for which they are as much responsible as anybody also in view of what is recorded in Tribunal's order No. 14 and which presumably explains the lack or paucity and absence of direct evidence on the point particularly the full records of the Election Committee we think the presumption, arising from the above official endorsement, should be held sufficient to repel the appellants' above argument.

Lastly, we would refer to the present respondents' preliminary objection taken to Roy's appeal on the ground that he, having retired from the contest and having intimated to the Tribunal that he would not oppose the election petition, had no *locus standi* to file or maintain the above appeal. We do not think however that that objection is at all material or need be considered in view of the other two appeals which seek the same relief and to which no such objection can be taken and as further the appeals on our findings made above would fail on the merits.

In the result then we overrule the appellants' contentions and dismiss these appeals and uphold the Tribunal's order, declaring the instant election of Shri Biren Roy to be void under the law.

As to costs, however, we would take a different view from the Tribunal. As it is fairly clear from the records before us that the petitioners in this election petition have been set up by the defeated candidate Shri Ashim Krishna Dutt and as a large mass of unreliable oral evidence has been introduced in the case by the petitioners, we do not allow them any costs either here or in the Tribunal below notwithstanding the circumstances pointed out by the Tribunal in support of its award for costs in their (the petitioners') favour and we set aside the Tribunal's said order for costs, directing that each party would bear his or their own costs throughout and, subject, as above, the appeals are dismissed.

Let a copy of this order be sent to the Election Commission, New Delhi, as quickly as possible.

SARKAR J: I agree.
